HARRY HAUSER AND MISS BERTA MATHEWS MARRIED

Popular, Young Couple Join Issues and Will Pull Double From Now on Thru Life

The air surrounding the K. L. Hauser home on Tygh creek was made vibrant last Thursday night by sound emanating from a variety of noise producing instruments, principally among which were tin cans, old milk buckets and wagon tires. The occasion was a charivari party tendered Harry Hauser and his bride, nee Miss Berta Mathews, whose marriage recently occurred.

Harry Hauser is the youngest son of Mr. and Mrs. K. L. Hauser and is a young man of great popularity. He is his father's right hand man in the sheepbusiness and will make his bride a husband to be proud of. Mrs. Hauser is a Maupin young lady, a graduate of the local High school. She is a daughter of Mr. and Mrs. Ed. Mathews of Pine Grove and a young lady of many attainments. That she has chosen to cast her lot with the young man from Shady Brook speaks well for her discernment and their many friends extend congratulations and wishes for a long and happy married life.

WILL WRITE SOME SKETCHES

Tygh Valley High School Pupils to Tell Early History of Place

Mrs. Lulu Crandall of The Dalles has interested the pupils of the Tygh Valley school in a project which will add considerable to the early published history of the section. Each pupils interested will solicit data regarding the early history of Tygh Valley and will then write, as a story, what they have gleaned. The stories will then be published in The Maupin Times. The D. A. R. of the county seat will give a prize for the most meritorious story, as that society is sponsoring the project.

A FUNNY HAPPENSTANCE

Webb's Frigidaire Machine Freezes Up and Ceased Operating

A peculiar thing happened at Tygh Valley on Monday and one which savors of the ridiculous. M. L. Webb has a frigidaire system in his store. He sat up and kept fire all through the cold spell and on Monday let up on his firing. That night some of the pipes of the cooler froze up and Mose was compelled to enlist the services of R. A. Twiss in putting it in commission again.

EXPERT SERVICE

For Economical Transportation

GENUINE PARTS

Chevrolet

THE MOST IMPORTANT PART OF AN AUTOMOBILE SERVICE DEPARTMENT IS THE MATTER OF PARTS. WE BELIEVE ANY CAR OWNER SHOULD USE ONLY GENUINE PARTS IF IT IS POSSIBLE TO GET THEM. WE SELL ONLY GENUINE PARTS FOR THE CHEVROLET AS THEY HAVE BEEN TESTED BOTH AS TO QUALITY AND FIT. IF YOU ARE PAYING FOR THE LABOR, YOU JUST AS WELL PUT IN A PART YOU KNOW IS GOOD AND WILL FIT. OF COURSE SOME PARTS ARE BOUGHT OUT BY THE MAKER OF THE CAR. THESE OF COURSE ARE CONSIDERED GENUINE IF THE SAME MAKE OF PARTS ARE FURNISHED, SUCH AS BEARINGS, CARBURETOR PARTS, RINGS AND THE LIKE. HAVING THE GENUINE PARTS AND THE WELL EQUIPPED SHOP AND MEN WHO KNOW HOW TO HANDLE IT MAKES GOOD SERVICE.
