

# Greater Beauty, Greater Comfort, Greater Value, Little Cost!

Your old stucco or wooden houses, no matter how large or small, can be given a new dress by a covering of shingles, or attractive lumber siding . . . shady porches can be added . . . a new wing to the house . . . gleaming floors of pine or oak . . . beamed ceilings and paneled walls . . . a home of lasting beauty, comfort and increased value.

You will be surprised at the little cost, to make these and many other improvements . . . possible on any old house . . . by the use of improved modern lumber. The value of your property can be greatly enhanced and your outlay will be surprisingly low.

Call, or ask us to call and talk over the possibilities of modernizing your home. Our lumber yard is stocked to meet every need for modernizing your old house . . . inside and out.

"Materially Yours,"

**TUM-A-LUM LUMBER COMPANY**  
O. F. RENICK, Local Manager

math Falls business offices by Postal Telegraph company.

Vale—Production of butterfat in Malheur county amounts to about 75,000 pounds annually.

Fort Klamath—New Hillside Hospital erected at 215 Alameda drive opened.

Sheridan—Shell Oil company started work on erection of concrete garage and office building on property at west city limits.

Hood River—Construction of Association cannery here progressing rapidly.

Movement underway to secure 66,000 acres for national park in Lake Basin area south of Wallowa lake, Wallowa.

Burns—Valley View hospital will be beautified soon.

Albany—Nine new bridges in Linn county will be constructed on 1929 program.

Salem—Construction of \$18,000 automobile building started here.

Hood River—Unger Service shop installed modern equipment.

Klamath Falls—Large kiln being built for Klamath Brick & Tile company.

Construction started on last link of Klamath Falls-Lakeview highway.

Newport—Local Natatorium being remodeled.

### HOME POINTERS

(From School of Home Economics)  
If a small amount of vinegar, approximately three tablespoonfuls, is poured over a tough roast before putting it in the oven, the meat will require less cooking to become tender.

Cream of tartar added to cooked frosting will keep it from sugaring.

If the skins of baked potatoes are cut open or sprinkled with a fork when they are first taken from the oven, the potatoes will not be soggy.

Scalding the milk that is used in bread making will lessen the chances for souring or of an off flavor in the bread.

Experiments show that cooked whole cereals are better than refined or prepared cereals for the child's breakfast as they contain more minerals, and furnish the needed hot dish.

To have a variety of dishes many women have found it valuable to keep a scrapbook of recipes, clipped from magazines and newspapers.

The strong flavor of turnips that are getting old may be lessened by leaving the lid off the kettle while cooking.

To keep coconuts, chocolate, candy or similar material from boiling over butter the edge of the saucepan.

When celery is scarce the tops saved in glass jars are good to flavor stews.

### "INSIDE" INFORMATION

After an apple pie is baked, lay thin slices of cheese over the top, and put in a very moderate oven until the cheese is melted. Serve at once while the cheese is warm.

Hot roast beef sandwiches are made by toasting slices of bread on one side, spreading the toasted side with butter, and placing slices of cold roast beef between, next to the toasted sides of the bread. Now toast the outside of each sandwich, place on hot plates, pour hot gravy over each sandwich, and garnish with a sprig of parsley and a pickle.

Meat loaf or roll is an economical meat dish. Some of the cheaper cuts can be used in making it. All that is not eaten is useful for cold slices, sandwiches, or hash. Any lean meat may be used. Allow a medium-sized onion to each two lbs. of meat, and 1 egg to hold the chopped meat together. Fine dry bread-crumbs and any preferred seasonings may be added.

Chocolate pie is a general favorite. Here's a reliable recipe for making it: Melt 1 square of unsweetened chocolate in the double boiler and pour into it 2 cups of milk scalded in another saucepan. Mix 2 1/2 tablespoons of cornstarch with 6 tablespoons of sugar and a little cold milk. Add to the hot milk and beat until smooth. Allow the cornstarch mixture to cook in the double boiler for 10 minutes, remove from the fire, add 1 teaspoon butter, 1/4 teaspoon salt, 2 egg yolks, beaten, and 1/2 teaspoon vanilla. Fill the crust, which should have been prebaked, with chocolate mix-

ture and cover the top with a meringue made of 2 egg whites beaten stiffly and 2 tablespoons of sugar, 1/4 teaspoon vanilla and a pinch of salt. Bake the pie in a very low oven for about 20 minutes or until the meringue is delicately browned.

### Pine Grove News

Many of our ranchers have wound up their plowing operations and some are working on their ditches.

Cattails and willows are gradually getting a foothold. Only a definite attempt on the part of every rancher whose places the growths threaten, will stamp them out.

Ben and Frank Richardson will not return to their Pine Grove business until May 1. Mr. Wes Ray, Ben's sister, went away with them.

Henry Holland and Walter Sharp are cutting wood on the Dane place.

Wm. Moore has returned from his job in the lambing pen near Mutton mountain.

Henry Richardson of Maupin is in charge of the First and Last Chance service station during Ben's absence.

Fred Alt and Carl Powell came out from the mill on Sunday.

Mrs. Ed Mathews came over the last week end.

Ella Shepflin has taken a 56-word-a-minute typewriting test during a 15-minute period at her Portland business college.

Mrs. Anna Smith of Portland and formerly of this place, visited Chas. Gabel and wife at The Dalles recently.

Chas. Gabel is not at all well and it is feared he may have tuberculosis. He is considering taking treatment at the new T. B. hospital.

E. E. Miller and party were up from Portland last week. N. G. Hedin returned with them and while away visited with W. B. Keen and wife at McMinnville. "Uncle Billy," well known in Maupin and Wapinitia, had a stroke about a month ago, but is somewhat improved at this time. It will take more than one stroke of paralysis to dim Uncle Billy Keen's cheerful and ever-joking disposition, notwithstanding his 83 years. He says "Hello" to all Wasco county friends.

Frank and Rena Batty came to Pine Grove last Sunday to obtain onion sets from Wm. Moore, the onion king of McCubbins gulch. Mr. Moore also supplied sets to Hedins, Sharps, Shepflins, Woodcocks, McDonalds, Mathews, Booths and many other. These sets are College Place Sweet's, the kind that is so large and mild. Moore recently received a shipment of Bermuda sets from Texas. These he is distributing for winter use, as they are excellent keepers.

Gertrude Laughlin is at home again, having returned from Maupin where she was employed on the telephone switchboard.

The McFarlane Mill company's mill began cutting this week. The mill is a good one and no doubt will produce much first class lumber.

Onions, squash, beans, potatoes, corn, melons, hogs, alfalfa and dairy cows are also gaining in favor on the irrigated areas of Juniper Flat. All produce good returns, far outstripping wheat.

Ed. Davis and family attended the funeral of Mr. Houghton at Maupin on Sunday.

### MAUPIN HI TIMES

(continued from first page)  
Hedin has consented to give a solo which will help the cast thrill the audience with the spirit of an ocean voyage. Estel Stovall will sing "Carolina Moon" with his characteristic ease of manner. Mr. Mack Panchishin will favor us with a selection on the accordion.

Bo Wilson, our peppy freshman, led the school yells Tuesday morning. Interest does not lag, now as it did at the beginning practice for track. Spring sunshine and atmosphere is here at last and we hope the April gladness will reign at the meet Saturday instead of the wind and rain.

### ESTEL'S NIT WIT

Kenneth Snodgrass and Harold Kramer had a little game of put and take as a result of a slight argument which occurred when they were finishing the stage scenery for the play. It seems as though Kenn miscounted the door knobs and proceeded to paint Harold's head yellow.

Art Appling shows results of his correspondence course in lovmaking. He enjoys it very much and his audience will be surprised at his skill when they see the silver-tongued hero do his stuff.

### Spring Is Here

Handsome Harry Rutherford has changed his honorable heavies for the caressing touch of soothing silk.

Bo Wilson suffered a near attack of buck fever when he led the yells for the school Tuesday. However, he promises to be a whiz if his knees don't rattle so loud one can't hear his voice.

Calling cards and announcements have been prominent in the Senior mind lately. Andrew Floyd Crabtree and Arthur Appling were much disappointed when they found that the engravers had made some sad mistakes. Art's card printed "Arthur Apple Sauce" and Andy's "Andrew Crab Apple." Andy doesn't mind the Crab Apple part but he sure hates for them to leave out the Floyd.

## Armstrong's Linoleum

for Every Floor in the House

## EXTRA HANDS

care for new Armstrong Floors

LEISURE is yours—if you will take it. Just install Armstrong Floors in your home—these are the new floors with the lacquer surface tell us the size of your room and let us estimate? produced by the Accolac Process. Then you may forget that you ever had to wash and scrub. A few minutes each morning is enough to keep these modern linoleum floors spick-and-span, looking like new.

But easy housekeeping just one of their virtues. There's beauty to begin with, the latest in fashionable floors—our spring display of Armstrong's Linoleum will quickly show you that.

And wear—for a lifetime. They're quiet and foot-comforting, too. Nor will they overtax your budget, for the price range is generous. Why not
