ZANE GREY'S PLAY NEVADA

Next Movie Attraction at The American Legion Hall

Another western story, one that contains all the elements of life as it existed in the days when the west was young, will be at Legion hall next Sunday, it being Zane Grey's thrilling story—"Nevada." Gary Cooper, Thelma Todd, William Powell and Philip Strange carry the leading roles. The story tells of the great friendship existing between the character, Nevada, and another man; how the quick shooting hero shows that friendship by entering into conflict with the law and how, eventually, he won recognition as a useful citizen and at the same time acquired the love of a beautiful maiden. A news reel and comedy precedes the feature story.

As "Nevada" is a super-production priced to see it have been advanced from 15 and 35 cents to 25 and 50 cents.

Facing the FIRE Facts

Fire costs the nation over five hundred million dollars a year.

Every minute property worth \$1044 is consumed by fire.

Carelessness causes a majority of fires. Seventy-five percent of the fires in the country are preventable.

The most important fact is that this loss may come to you.

A Fire Insurance Policy in The Home Insurance Company of New York assures reimbursement for your financial loss.

Don't delay. Instruct your Home agent to provide you with sufficient sound fire insurance.

With a cigarette
as good as Camels
the simple truth
is enough

CAMEL CIGARETTES

WHY CAMELS ARE THE BETTER CIGARETTE

Camels are made of the choicest tobaccos grown—cured and blended with expert care.

Camels are mild and mellow.

The taste of Camels is smooth and satisfying.

Camels are cool and refreshing.

The fragrance of Camels is always pleasant, indoors or out.

They do not tire the taste nor leave any cigarettey after-taste.
