Maupin's schools will conclude their labors for this year on May 24. This will mark one of the most successful eras of these schools and will reflect greatly on the able corps of instructors in charge during the year just closing.

A Chicago automobile dealer says he stands behind every car he sells. A case of safety first, otherwise he might take a stand in front of some amateur driver with disastrous results.

The senate has passed a farm relief measure. The next thing on the program is to provide some relief for the farmers.

On California Trip— Ben Fraley and wife left for Patterson, California, this morning intending to be absent about three weeks. When they return they expect to be accompanied by their daughter, Alma, who has been at the home of her aunt at Patterson for the past several months.

Picniced at Warm Springs— The members of the Senior class went to Warm Springs this morning and will enjoy themselves at a picnic. The class was in charge of Mrs. DeVoe and was accompanied by Lelah Weberg and Avis Crabtree, Juniors who assisted in the class play.

Another Juniper Flatter— Harold Walters and wife are rejoicing over the arrival at their home of a big bouncing son, born to them on Friday, May 10. Harold is wearing that smile that attracts while his wife is as pleased with the newcomer as a boy with red to boots.

SALESMAN PICTURE CREATES COMMENT

Thousands of Letters From Traveling Men Received by Producer Rogers

"Smile, Brother, Smile," the first National production which comes to the Legion hall next Sunday night has attracted more attention during its filming than almost any other picture of the season.

It is based on the life and adventures of a traveling salesman, and when Charles R. Rogers announced he was planning to produce such a picture, he received thousands of letters from traveling men, many of which contained valuable suggestions which were incorporated into the story.

Dorothy Mackail and Jack Mulhall are the featured players.

Cattle to Reserve Range— Alfred Bennett, cattleman of Antelope, passed through Maupin yesterday with 100 head of stock cattle, bound for the summer range on the first reserve west of Wamic.

Turner Painting Up— "Shorty" Miller with his crew of painters has about completed painting the B. F. Turner residence. The house has been covered with snow white paint and the basement decorated with green trimming.

Sojourning in Town— J. H. McMillan, who has been at Fargher's for some time helping during lambing, came to town Saturday and for a short time will enjoy the delights of city life.

Fished at Kaskella— George Dufur, with Bill Staats, went to Kaskella yesterday afternoon on a fishing trip. Mr. Dufur, Judge Duffy, "Turk" Irving of Portland and County Clerk Percival of Jefferson county, just returned from a trip to Opal Springs, where they caught the limit of trout.

WHO'S WHO OFF THE PRESS

Oregon Reference Book Ready For Distribution

The initial volume of Who's Who in Oregon is just off the press and is ready for distribution throughout the state. The book is the first venture of its kind ever attempted in Oregon and is published by the Oregon City Enterprise, nearly two years having been spent in its compilation and editing.

Lewis A. McArthur, author of "Oregon Geographic Names," has written a foreword for the book, which is bound in maroon leather and lettered in gold.

"Who's Who in Oregon" consists of 242 pages, including a table of abbreviations, an introduction, preface, and interesting information about the state.

BASEBALL AT TYGH VALLEY

Maupin and Tygh Teams to Clash Sunday at Fair Ground

Tygh Valley and Maupin baseball teams will clash on the diamond at the fair ground on Sunday next. Tygh recently defeated Centerville by a score of 5-2, while Maupin took Dufur into camp last Sunday by a 4-1 score.

CHRYSLER BADLY WRECKED

Andy Whitman Crowded Off Road on White River Grade

While returning to Maupin from a trip to Portland Monday Andy Whitman, one of the bridge contractors was crowded off the road at the foot of the White River grade. His Chrysler roadster was thrown off the road and turned over a couple of times.

DELEGATES GO TO MEDFORD

Odd Fellows and Rebekahs Go to South Oregon City

Mesdames O. P. Weberg, B. F. Turner and R. E. Wilson, with Messrs. O. F. Renick and James Chalmers leave Sunday morning for Medford. The Grand Lodge of the order will convene there Tuesday morning for a three-day session and the Maupin people go as delegates from their respective lodges.

MT. HOOD

(By a Sixth Grader) Mt. Hood shines like a diamond as it towers above all other peaks in Oregon. The green forest around it makes a pretty background, and every summer many people go to the resorts in the surrounding forest.

Mt. Hood is a region of snow and small glaciers and while, in the warm days of June and July, cities of lower elevation suffer from the heat, Mt. Hood wears her plain cool dress of snow.

If one were able to look down on Mt. Hood from an aeroplane they would see that as it rises to the top, a perfect horseshoe is formed of the glistening white snow.

Small crevasses cover the surface of the mountain, and if anyone is so unfortunate as to fall into one of the crevasses he can never be removed alive.

Mt. Hood rises to an elevation of 11,225 feet and is about twenty-five miles from the Columbia river. It is located in the north central Oregon in the Cascade range of mountains.

It costs very little to recondition a MODEL T FORD

THE Ford Motor Company is making a new car, but it is still proud of the Model T. It wants every owner of one of these cars to run it as long as possible at a minimum of trouble and expense.

Because of this policy and because of the investment that millions of motorists have in Model T cars, the Ford Motor Company will continue to supply parts as long as they are needed by Ford owners.

So that you may get the greatest use from your Model T, we suggest that you take it to the nearest Ford dealer and have him estimate on the cost of any replacement parts that may be necessary.

You will find this the economical thing to do because a small expenditure now will help to prevent costlier repairs later on, increase the value of the car, and give you thousands of miles of additional service.

For a labor charge of only \$2.60 you can have your generator put in first-class condition. A new universal joint will be installed for a labor cost of \$3. Overhauling the carburetor costs \$1.50; steering gear, \$3.50; radiator, \$7.50. A complete overhauling of the rear axle assembly runs between \$5.75 and \$7 for labor. An average price of \$22.50 covers the overhauling of the motor and transmission.

These prices are for labor only because the need and number of new parts depend on the condition of each car. The cost of these parts is low, however, because of the Ford policy of manufacturing and selling at a small margin of profit.
