

Neighborhood School Notes

Tygh Valley

The football team is getting in trim for the game with Wapinitia next Friday.

Tygh Valley schools are doing good work in the Curtis Publishing company's subscription campaign. A score of 90 per cent has been reached. Some individuals have a great many subscriptions and expect to gather in more. They expect to be paid by the prizes which they are working for.

A short quiz was given at the Social assembly Monday.

An orchestra is under way and all who are interested in music have attended each practice.

Those attending the State Fair have returned to school and are hard at work making up their lost time. They do not regret the trip.

Several of the football boys went to Dufur last Friday to learn how the boys of that team played the game.

Among those absent from school are Sylvia (Ayers) Conley, Hazel Johnson, James Zumwalt also was absent on Monday.

The Student Body is preparing for a carnival dance, to be given at the school gym on Saturday October 12. We hope it will be well attended and that no one will go away not satisfied.

Our five bachelor boys are doing fine. They are Carl Wrenn, Roland Lewis, Walter and Arthur McGeer and Lawrence Knighton.

Visitors are welcome to visit our school at any time.

SCHOOL SPIRIT

(By Wilbur Mathews)

School spirit is a fine thing for all schools. All schools have it to a certain extent, though some have not enough. School songs, school yells, a yell team and leader, and school colors, are things every high school should have.

No individual should be ashamed of his school. He should have pride in the school he attends. If that school is lacking in certain qualities, he should do his best to better conditions there. Certain unimportant things sometimes tend to give the manlike actions on the part of individual school a black eye in the eyes of surrounding schools. Everyone should care enough for his school to do his part towards keeping the reputation of the school untarnished.

Short School Notes

The Cyclones are still hard at work practicing football. Coach Gosnell is keeping the boys on their toes, and they respond nicely.

Marion Howard, a letterman, is with us again, having started Monday.

The squad is learning more plays and expect to be able to use a greater variety in the next game. There has been a change in the lineup and no one is sure where he will play.

We are hoping that the Cyclones will be a little more successful Friday when they clash with Tygh Valley at Tygh. We need your support. Come! Back the team and help the Cyclones win.

Wapinitia High school students have been having spelling tests as part of their English. At present Lenora Hammer, Wilbur Mathews and Avis Enderby, are at the head of their classes.

Last week the Ninth and Tenth grades took part in an oral arithmetic

match. Wilbur Mathews proved to be the best of the two classes.

The Freshmen boys and girls gladly wore their shirts and dresses backward when the Student Body gave the orders and backed them with a paddle.

Marion Howard, High school Senior, returned to school Monday morning.

The result of the salesmanship contest between the green team, headed by Marion O'Brien, and Avis Enderby's red team, shows that the greens lead by two scores.

The Biology class has been studying about grasshoppers the past few days. The boys may be seen moving around in the fields hunting for specimens. Last Wednesday we made a drawing of a grasshopper—but it looked like a mule. In class we are going to make a thorough study of the grasshopper—that is, if we are successful in catching one.

Freshies Initiated

Initiation for the Freshmen was held at the school house, Thursday evening. The Freshmen, Eva Linn, Gerald Claymier, Billy West, Ellwyn Sturgis, Lenora Hammer, Zelma Teschner, Ruth Walters, and Tom Batty, were present. Several stunts were staged, some of which were boxing between the girl, rolling chalk on the floor with your nose, and a three-legged race. After the initiation, the upperclass men served a midnight supper for the Freshmen.

All of the pupils in the Primary room received either a blue or a red star in their health contest last week. A blue star is given when they live up to the health standard every way for a week and a red one when they miss one day.

The pupils in the upper four grades have organized their classes and elected a member of each class to act as teacher. They will be able to carry on their work when Mr. Connell goes with the football boys.

Lee Woodside sprained his ankle while playing football last Wednesday.

THE THUNDER STORM

(Roseme Batty)

The lightning flashed
The thunder rolled,
The cow bell clanked,
And the fireplace boiled,
As the wood was heaped
High on the blazing fire,
While the chickens peeped
And sought to climb higher.
On the roost, or rather, fence
The old rooster sit and stares
And wishes he was far from hence
At some big and grand affair.

The cows come down
All dripping wet,
And stand around
Just getting set
To go in the barn,
Where they'll be fed
And safe from harm
They'll go to bed.
The old dog comes in
And stand by the fire,
It may be a sin
But he won't move for hire.

The horses come home
To the shelter of the barn,
While the wind does moan
And spread its alarm.
A man comes out
In the wind and rain,
And walks about
And raises Cain.
Then back he goes
To sit by the fire,
To warm his toes,
And smoke and spit as the flames
Go higher.

Cooked Food Sale

The ladies of the Maupin Community club have arranged a cooked food sale, which will be held at the Shattuck store, on Saturday of this week. No use going into detail about this sale, for the excellency of the viands prepared for sale by those ladies is too well known for us to add anything in the way of praise. Suffice to say that everything imaginable obtainable in this market will be offered and those who fail to get in on the sale will be the losers, so attend early.

Home From Salem

Ernest Webb, who has been conducting a store at Salem for the past two years, returned to this part last Saturday and is at work on the section at Two Springs. Ernest has been taking on too much flesh and his doctor advised him to get outside for a time, hence his return to his old love—working on the railway. His wife has charge of the store during his absence.

Goes to Madras

Dr. Short will go to Madras Sunday the trip being one of his regular ones, made in the interest of his dental practice.

Killed Their Limit

Johnny Williams and Oliver Re h went to the Blue mountains last Friday morning and returned Sunday evening with their quota of deer. Both Johnny and Oliver drew down a fine buck, and each dropped his quarry. That the meat was prime and fat was proven by the luscious steaks given The Times family by Oliver, for which he has our public thanks.

A few plate glass mirrors left—\$1.25, \$1.50 and \$1.75 each at the Maupin Drug Store.

"SCENIC OR SIGN-IC?"

The photograph, according to the Standard Oil Bulletin, illustrates "a motorist viewing California Mountain Scenery." The Standard Oil Company of California is now conducting four prize contests with a view to finding a solution of the problem of the defacement of the scenery of the Pacific Coast by objectionable advertising signs. Cash prizes of \$1,000, \$500 and \$250 are being offered for the three best 1500-word or less answers as to how the evil can be corrected; of \$500, \$250 and \$125 for the best 500-word or less statements on why it should be corrected; of \$250, \$125 and \$75 for the three eight-word or less slogans which will most effectively arouse public sentiment on the question, and additional prizes of \$200, \$100, \$75, \$50 and \$25 for the five best amateur photographs of actual signs which best portray defacement.

The judges of the contest are: Hon. Horace M. Albright, Director, National Park Service. Kathleen Norris. Ex-Senator James D. Phelan of California. W. L. Valentine, Former President, Automobile Club of Southern California. H. B. Van Duzer, Chairman, Oregon State Highway Commission. Mrs. H. F. Alexander, Seattle Garden Club. David Whitecomb, Chairman, Executive Committee, Pacific Empire Association.

Full text of conditions may be obtained from any Standard Oil office or by writing to the Company at 225 Bush Street, San Francisco.

Fix that leaky roof with Red Cedar shingles. We will have a car on the track this week. Both extra star A star and standard grades. See us for prices.

Here we are. Back again and after the rains we start celebrating an open deer season.

It seems that warship builders didn't realize they were paying money to wreck peace and disarmament treaties. Perhaps they thought the propagandist went to Geneva to shoot craps.

Fix up that spare room or attic with sterling plaster board. We have it in stock.
