

Floating University to Alaska Thrills U. of O. Students

Above—Student body of 170 and faculty of 15 which made cruise to Alaska in August as part of the University of Oregon summer session. Classes were held on board the S. S. Queen of the Admiral line, which was chartered for the trip, and credit was given for all studies taken. So successful was the cruise that it is expected it will be repeated again next summer.

derby. Senior, with a grade of 98 per cent.

FOOTBALL AND COWS
Lee is a pretty good football player, but he is a better cow puncher. Walking home from a discouraging football game one night he found his most welcome cows a mile or so from home. Lee, not being in a very good humor, secured a good club and proceeded to march home. Lee stretching his legs a little bit farther each step, kept each old cow going a little faster than she chose to walk. Lee was soon home and found his parents gone. This of course made him in a very good humor and by the time he got the cows milked, each one had four or five more names. Then for a good refreshing supper. And H-w! I suppose he enjoyed it to a finish—especially after cooking it himself.

SHORT NOTES
Lincoln Hartman built a stile between the school yard and the football field last week.

Every one is busy studying for the six weeks exams which are to take place some time this week.

The Wapinitia High school plans to put its football field in shape this week for the games to be played here in the near future.

FOOTBALL SCHEDULE
Maupin—at Maupin, Oct. 18.
Maupin—at Wap. Oct. 25.
Tygh—at Wap., Nov. 1.

GRADE NOTES
The upper grammar grades are organized under a self-government plan. When one of the boys wears his hat in the school house he must sit on the fence and tip it to every girl or woman who passes. If a student's desk is not kept tidy, he has to stand in the porch and polish shoes as a penalty. Last week the High school enjoyed several interesting talks by the members of the intermediate grades and Mr. Gosnell because they said "yeah" instead of "yes".

The Primary grade health contest ended Friday. Almost all of the rooms will receive gold stars for the perfect health record for the past month.

The Third and Fourth grades have been having an arithmetic race based on the multiplication facts. So far the two sides are almost evenly matched, and each team is working hard to get ahead.

The Primary room is now organized and has a chairman to take charge of a meeting each morning. This meeting takes up the health work and attendance. Each child is given an opportunity to report any thing of interest that he has observed during the day.

JOKES
Roscoe: (in a low whisper) "Be you age."
Prof. Heckman: "Roscoe, correct your English!"

Tygh Valley
The Curtis Publishing campaign was very successful. The Greens were victors by about 20 points. The total amount taken in was \$103.00. Everyone worked very faithfully. The party given the Red Hawks was a very gay affair, all enjoying themselves immensely. It began Saturday evening at 7.30 and closed at 11:00. The attendants went home happy as larks.

The football game was very strenuous on our boys, but at the end the score was 8 to 0 in favor of Tygh, which paid them for their hard work. They are in condition to play again. Even the yellers' feel paid for the few efforts which were put forth during the game.

The school was aroused the other day when a fire alarm was sounded down town. All the boys rushed to the scene to find it was only a small grass fire. They helped in putting it out and were back in their classes in a very few minutes.

Several affairs of interest were settled in Student Body and committees were appointed to look after the decorating, the supper and other necessary duties which have to be done before the dance.

The entire High school will attend their third football game of the season, which will be played on the Dufur field Friday, October 11.

Vernan Woodcock entered High school Monday.

Those absent during the week were: Thursday, 3rd, Hazel Johnson, Lawrence Knighten and Vernan Hill; Tuesday, 8th, Hazel Johnson and Nadine Harvey.

My commission expires Jan. 10, 1932.

Lee I use No Tooth Brush.

The children are enjoying their new library books immensely. Many books are being taken home to be read.

We are a busier little family than ever since our new supplies have come.

It is time to see and hear of goblins, witches and cats. You will not be disappointed if you visit the primary room.

There was just one absentee, Naomi Schilling, from our room.

Gayle Mayhew looks more familiar to his play mates since Doctor Clarke repaired his broken glasses.

Don Stogsdill has not found his lost cap. We are still in hopes of it. The newly elected Health Officers for this week are: Naomi Schilling and Jean Mayhew.

The elected police are Mae Greene and Verl Confer.

Mrs. Job Crabtree was a visitor of the Primary room.

Mrs. Frank McCorkle Better—
Mrs. Frank McCorkle, who has been suffering with some unknown

malady for some time is now on the road to complete recovery. Lately the lady was taken to Portland and a clinic of physicians diagnosed her ailment as goiter. Later she had the swelling removed and now Mrs. McCorkle is making good headway toward perfect health.

Lester Kelly Improved—
Lester Kelly, who was at The Dalles several days last week taking treatment for a case of blood poison on one of his legs, has returned home much improved. While the wound has not entirely healed still it is succumbing to treatment and Lester hopes to be able to soon take off the bandages.

Shipped Many Lambs—
J. P. Abbott shipped seven carloads of spring lambs to Idaho on Sunday, they having been purchased by a buyer from the Gem state. The Abbott sheep came out of the mountains looking better this year than for several years and Mr. Abbott received a good price for those he shipped out. The consignment went out over the O. W.

Neighborhood School Notes

Wapinitia

FOOTBALL

The Wapinitia Cyclones journeyed to Tygh Valley last Friday to play with the last eleven of that place. Webb, Tygh's captain, won the toss and chose to defend the west goal. Enderby, Wapinitia's captain, chose to receive. Wap received the ball on her own thirty-five yard line but failed to return the pigskin for any yardage. Wapinitia tried several line bucks with some success. Also end runs were successful to a certain extent, but passes Wapinitia could not complete. Many times during the game Wapinitia lost the ball on downs or fumbles. In the first quarter, due to an error of center, Wapinitia fumbled the ball, but recovered it behind her own goal line. This gave

Tygh two points, the first score of the game. Again in the third quarter Tygh succeeded in putting the ball over for a touchdown by means of a long end run and a line buck. In the fourth quarter the "Cyclones" held Tygh's light but fast team scoreless. At the end of the game the score stood 8-0 in favor of Tygh.

With only a week's practice and inability to learn all of the signals in such a short time, Marjion Howard played only a short time.

Webb, quarterback, Knighten, fullback and Conley, halfback, were Tygh's outstanding players, while O'Brien center; Enderby fullback, and Walters end, starred for Wapinitia.

Freshmen Enrollment Increases
Miss Lillian Washburn, former student of Eugene, was enrolled in the Freshmen class, Monday. Miss Washburn completed her 8th year at

the Fine Grove grammar school.

Oh! Rookie

The Freshmen with their shirts on backwards and green lids present rather ludicrous spectacles, reminding a person of some early Puritan judge.

Each of the upper classmen is deciding upon making a private valet of a rook. Of course the hazing isn't radical, but each Freshie is made to feel his inferiority and present due respect to his superiors.

SINGING

The High school students met in the grade rooms for the regular Friday morning singing. Ruth Walters and Helen Enderby led the singing with Miss Shorthill, primary teacher, at the piano. Mr. Heckman, principal, and Melvin Walters accompanied with the violin.

SPELLING

The leading contestants in the spelling this week are: Ruth Walters, Eva Linn, and Zelma Teschner for the Freshmen, each 96 per cent. Wilbur Mathews, Sophomore, with a grade of 100 per cent and Avis En-
