Maupin State Bank, Clerk.

### KIRKPATRICK SECURES BIG ADVERTISING CONTRACT

Leading Portland Advertising Agency Will Prepare Matter for Exploitation of State

Announcement has been made by W. G. Ide, manager, state chamber of commerce that the contract for preparation of copy, booklets and other advertising material which will be used in the statewide advertising and development program, for which the recent legislature appropriated \$25,000 has been awarded to the W. S. Kirkpatrick Advertising Service, Portland. The award was made by the directors of the state chamber and approved by the state board of control. Mr. Ide states that a great deal of statistical information and pictures of agricultural and industrial operations in Oregon have been collected already and preparing the booklets and literature will now go ahead.

The advertising campaign in newspapers and farm publications will start on January 1, and all follow-up literature and material will be ready to answer inquiries on all phases of Oregon opportunities.

### "INSIDE" INFORMATION

The U. S. D. A. has a new leaflet, No. 45, "Pork in Preferred Ways," which contain many seasonable recipes for this excellent meat.

In cooking preserves and jams watch your kettle closely as they may scorch. An asbestos mat placed under the kettle is a safeguard.

Tart, underripe apples are best for making jelly or pectin for future jelly-making. Crab apples are especially good for jelly. Partly green fruits usually make more jelly per pound of fruit than do ripe fruits.

Use two pans when you wash spinach. Trim the leaves from the stalks, first; much of the grit that clings to spinach is at the lower ends of the stalks. Lift the spinach from the first pan to the second, letting the sand settle; change the water each time you transfer the spinach; wash in five or six waters if necessary. If the spinach is unusually free from sand or grit, it may be put in the colander and washed under running water, but the first way gives more certain results. Enough water will cling to the leaves after the washing to start cooking the spinach. Cover it closely at first so it will steam, then remove the cover and cook as short a time as possible—ten or fifteen minutes. As soon as it is tender, drain it, chop it and season with salt and melted butter or thick cream. Serve hot.

Echo—Nine-hole golf course completed at Echo Rod and Gun club.

### Wapinitia Jottings

Eva Linn was a visitor at the Roy Batty home last week end.

A charivari for Mr. and Mrs. Frank Richardson was held at Pine Grove last Saturday. Several High school students were among those present.

Mr. and Mrs. G. R. Bell made a trip to Portland Friday.

G. T. Teschner, who is herding sheep for P. E. Conroy, visited at G. R. Bell home Friday.

G. R. Bell and family were in Maupin Saturday afternoon.

The new pastor of the Wapinitia circuit, Rev. Smith, was at Wapinitia last Sunday morning.

Mrs. Kate Peterson visited the O. S. Walters home Sunday.

Herb Lewis was employed to count automobiles on the highway Sunday.

A. Lincoln Hartman is spending a few days at The Dalles.

Geo. Claymire has rented the Roy Batty ranch. Roy has bought a ranch at Battle Ground, Washington, and after his auction sale will move thereto.

### MAUPIN HI TIMES

(continued from first page)  
SEWING CLASS CHATTER

The girls of the Sewing class are making good progress. Each has made a shoe bag of bright cretonne and is now working on pajamas.

This class offers amusement as well as profit, as it is somewhat similar to the "ladies' sewing bee," where interesting conversations take place. One of the girls exclaimed, "There, I know why that place was hard to cut. I've just cut the tape measure in two under my cloth." Another a kid "Isn't that the second time you basted that seam?" The reply was, "Yes, and I've got one more time coming."

### ATTENDANCE

There has been a good attendance in school during the six weeks since the opening, and we hope to continue this fine record. However, due to

colds, etc., a few students were absent one day this week. Those who have been absent are: Richard Crabtree, Albert St. Dennis, and Blanche Northrup and Melvin Lindley.

### GAME TICKETS SERVE A DOUBLE PURPOSE

The student body are getting out new tickets to be sold at games. The new football field for which we are desirous is planned to be near the

baseball diamond back, of the school buildings. This field would be an advantage in many ways. It would be closer to the school. Not so much of the practice time would be wasted in going to and from the field. The dust would be avoided as the field would be planted in grass. It would take about one day, with a team and a few implements to make a level field about 350 feet by 150 feet. Boost for this necessary improvement!
