Neighborhood School Notes

Wapinitia

VALUE OF A GYMNASIUM

(Gerald Claymier)

When a school is without a gym it is hard for it to contend with other schools in athletics. For instance, in basketball, when playing outside on the ground, the players cannot get footwork. When it is raining or snowing the players cannot practice at all.

The school that has a gym can practice whether it rains or snows. They can practice footwork and also practice dribbling the ball from one end of the court to the other.

In the winter time the students have to stay in the school house, or else go outside and freeze to death. If they play games in the school house, generally the case is that they get too rough and are called down by the teachers. A gym would eliminate all of these difficulties.

CHRISTMAS PROGRAM

The school is practicing for a Christmas program and will consist of numbers furnished by the members of the grades and High school. Christmas songs will be sung by the High school for the occasion.

GIRLS' BASKETBALL

The girls are turning out faithfully for basketball practice. They have the court every other day, also getting half hour off from their school time every other evening. Although this is the first year that the girls have played basketball, they expect to compete with other schools.

Wapinitia Jottings

Mr. and Mrs. Lester West and family visited in The Dalles last Saturday.

Dick Delco is now training for his boxing bout, which takes place at Maupin this coming Saturday night.

Saturday, Mr. and Mrs. William Sturgis and family made a business

Geography

The Commercial Geography class is coming along nicely in the work. The class is now on page 174, studying about western section of the United States.

Singing

Friday morning the High school adjourned to Mr. Gosnell's room to practice songs for the Christmas program. Ruth Walters and Helen Enderby were song leaders.

School Notes

The Bookkeeping class is starting on the March Envelope in the Goodwin's practice set.

Lee Laughlin is "baching" with Marion Howard.

The boys' basketball team will play Kent this Saturday at Kent. Zelma Teschner and Wilbur Mathe were absent Monday.

School Receives Library Books

Last week Frank Heckman, principal, received from the county library a group of books for use in book report work. Consequently, all are now very busy reading books which they are required to report on to earn ten points in fiction and ten points in non-fiction.

Boys' Basketball

Practice on Wapinitia's open air basketball court was sadly interrupted by a violent downpour of rain Sunday and Monday. The Wapinitia team intends to practice floor-work in the Lewis hall. The team has scheduled a game with Kent for Saturday the 14th. The turn out for basketball is quite good and the outlook for a fast team will probably be realized. The coaches, Heckman and Gosnell, are putting forth every effort into the practice to make an outstanding team in basketball. Despite the drawback of an outside court the prospect for such a team is good.

trip to The Dalles.

TOTS WRITE SANTY

Dear Santa Claus:
 How are you? I am fine. I have been a good girl. Will you please bring me a pair of goloshes? I am seven and will soon be eight. My little sister wants a doll. I wish you could come down to Maupin. I can't think of much to say. Oh yes, my other sister wants a sewing set. I need size one in goloshes. I guess I will close.

Your sincerely,

Dear Santa Claus:
 I think I will write and tell you what I want for Christmas. I would like a sewing basket because I am going to take sewing before long and I need a sewing basket to keep my needles, thimble and thread in.

"INSIDE" INFORMATION

Never fit a garment wrong side out. A person's left and right sides are seldom exactly alike and when the garment is turned right side out it may not fit smoothly.

Flat sausage cakes, molded half an inch thick and cooked until brown and crisp on both sides are extra good if served on slices of fried canned pineapple cooked in the sausage fat.

Instead of making apple sauce to serve with pork, serve baked apples occasionally. With very thick pork chops place half an apple, cored but not peeled, on each chop after it has been browned, and cook in a casserole, on a rack, tightly covered but without water, until the meat is tender and the apples are done.

Several times a year, or whenever waste water begins to run away slowly from the kitchen sink or wash tubs or other plumbing, the pipe should be flushed with boiling hot water to soften the grease. Follow with a strong solution of caustic potash (lye) or caustic soda, and half an hour later flush again thoroughly with clear hot boiling water.

When you wash rayon, treat it gently and you will get good results. Use lukewarm water with suds of a pure, neutral soap. Don't rub, but squeeze repeatedly and rinse in water of the same temperature. Rough finger nails or rings on the fingers may tear the wet rayon. Hang the washed rayon garment over a line but do not use clothespins. Use medium heat in ironing.

To make a good corned beef hash, put a pound of corned beef through the meat grinder, with about 5 boiled potatoes, and a little onion to flavor. Mix well, add a dash of cayenne, and pat into a lightly greased heavy iron skillet in an even layer. Cook over low heat until a golden brown crust is formed, then place in a pan or lid over the skillet, and turn out. Slip the uncooked side into the skillet and cook. Slip whole onto a platter and garnish with parsley. Accompany with spinach, kale, or other greens.
