clude size, maturity and defects due to insect injury, disease, improper packing and rough handling.

It is a mistake to allow beef cows in the breeding herd to lose weight and be undernourished in the fall and winter, as is a common practice, as they will not be strong enough in the spring to care for their calves properly. Silage and legume hay make a good combination for winter feeding. If legume hay is not available some protein-rich concentrate such as cottonseed meal or linseed meal should be fed. Cows suckling calves of course need more feed than dry cows.

HOME POINTERS

Accurate measurements are essential to success in cooking.

Discoloration of apples or bananas prepared may be prevented by rubbing the fruit with lemon juice.

Hot spiced apple cider makes a delicious drink for cold evenings. It is made by heating the cider and adding whole spices, rolled in a clean cloth. The spices are left in the cider until time to serve.

Sugar was first used by Arabian doctors about the seventh century.

MAUPIN HI TIMES

(continued from first page)
Dear Little Girls and Boys:

I have received your letters and they were a great help, as I sometimes forget what each one wished for.

It looks as if I may have to come by aeroplane this Christmas, but what do you think? I am making two trips to Maupin. I will be at the school house on Thursday evening and I shall be very much disappointed if every one of my little friends are not there, and of course I shall be at your homes on Christmas eve.

I mustn't forget to tell you how surprised I was to find how good the Maupin girls and boys have been this year. I guess after all you deserve two Christmases.

Don't you think this is going to be the jolliest Christmas ever?

I'll be looking for every one of you Thursday night and to all a very Merry Christmas.

SANTA.

GRADE NOTES

Third and Fourth Grades
Charlotte New was absent Monday on account of illness.

The Fourth graders have placed on display in their room maps of the school room, drawn to scale.

The children are enjoying a new spelling device. They do not miss as many words since using it. By this device one is sure of a gold star on Friday, when they spell for head marks.

The Third and Fourth grade room have a Christmas border on their blackboard. It is red point-sets on a green background.

Wapinitia

WAPINITIA BATTLES KENT

The Wapinitia Cyclones were defeated by Kent last Saturday night by a score of 16-3. At the close of the half Kent led 10-1. In the third quarter Kent basketballers added 6 more points to their score. Kent did not score in the last quarter, but Wapinitia made 7 points in this period of play.

The game was a fast one and pretty tough on the Wapinitia boys whose practice has been limited. Wapinitia may have another game with Kent in January, but this has not been definitely decided yet.

Girls' Basketball

The Girls' basketball rules have arrived so the girls will start practice in earnest now. Most of the girls have never played basketball before and many have never seen a game.

Albert Hachler Makes Good Showing
Wapinitia High school is proud of the record made by Albert Hachler in his last two fights. We all hope that he will be as successful in future bouts.

Biology

The Biology class is studying the chapter entitled "The Simple Animals—Protozoa." This chapter takes up the group of one-celled animals such as the Amoeba and Paramecium.

SCHOOL NOTES

Eva Linn is staying at the Frank Brown home during the bad weather.

Book reporting is progressing nicely in the High school. Ten points fiction and ten points non-fiction are required.

The higher Arithmetic class is faithfully working on "Mensuration and Square Root."

Zelma Teschner was absent from school Monday.

War of 1912 Studied

The United States History class

is now studying the war of 1812. Most of the students are up on their outlines now and are progressing nicely.

Christmas Songs Practiced

Last Friday morning the High school practiced Christmas songs for the Christmas program in Miss Short-hill's room.

Spelling Match

Spelling match was held between the Maupin and Wapinitia schools on Friday last. It took place in Maupin in the High school gym. The Maupin speller were victorious after a hard fought battle.

Best Spellers

The best spellers in the High school at present for the Ninth grade are Ruth Walters and Gerald Claymer, both with a grade of 98 per cent; for the Tenth grade, Wilbur Mathews and Helen Endersby each with a grade of 100 per cent; and for the Twelfth grade, Hazel Laughlin and Avis Endersby each with a grade of 100 per cent.

Wapinitia Wins Over Maupin

The Wapinitia and Maupin High schools participated in a basketball game December 12, in the Maupin gym. The game was very close, Wapinitia coming from behind in the last quarter to win 15-14. At half time the score was 6-4 in Maupin's favor, and at the end of the third period, 14-6, also in favor of Maupin. Although this was only a practice game and not very important, Wapinitia feels pretty good over having won.

GRADE NOTES

The officers and monitors of the Primary room are Kenneth Endersby, Chairman; Agnes Lewis, Pencil Monitor; Kenneth Burchard, Desk Monitor; Bob Hollaman, Paper Monitor; Verl Teschner, Library Monitor.

The Primary room is now practicing several numbers for the Christmas program to be given Monday evening December 23rd.

The officers and monitors for the Intermediate room are: Glen

Hammer, Mayor; Norbet Wall, boys' class reporter; Ellen Hachler, girls' class reporter; Frances McCoy, bell ringer; Beth West, door keeper; Howard Pechette, Desk Inspector; Oren Pechette, waste paper monitor; Lee Woodside, temperature monitor; Norbet Wall and Everett Hammer, Era er monitors; and June Hachler, writing paper monitor.

The Intermediate room will furnish a play and four recitations for the Christmas program.

Wapinitia Jottings

Mr. and Mrs. O. S. Walters were visitors at the Richardson home Sunday.

Mr. and Mrs. Roy Crabtree were caller, at the Roy Ward home Sunday.

Mr. and Mrs. Harold Walters were visitors at the McCloud home Friday.

Roy Ward and family motored to The Dalles last week end, attending church there Sunday morning.

Pine Grove school and Sunday school combined will give a Christmas program this coming Tuesday evening.

Hunting migratory birds from automobiles is prohibited by a recent amendment to the Federal regulations under the migratory-bird treaty act.

It is not especially important what breed of dairy cows you select—the important thing is to choose good individuals of a breed. However, it is usually best to choose a breed that is common in a community.

Livestock often suffer from lack of water rather than go a long way for it, especially in very cold or very hot weather. Horses, cattle and sheep should get a good drink once or twice daily. Hogs and poultry should have water oftener, preferably where they can drink whenever they want it.
