Subscription: One year, \$1.50; six months, \$1.00; three months, 50cts.
Entered as second class mail matter September 8, 1914, at the post office at Maupin, Oregon, under the act of March 3, 1879.

One of the exceptions taken by the Wapinitia Irrigation company to the finding of Engineer Luper states: "It (meaning the company) was considerably hampered by the failure of the contract users to bear their maintenance charges." See and so forth.

Does the sum of \$17,775.05 mean anything when applied to the keeping up of the water system of Juniper Flat? That sum was paid by contract users, as shown by an audit of the company's books, sworn to and acknowledged by a notary public.

What in the world does the company desire? Does it desire that contract users turn over to it every cent derived from the ranches of the users, or has the money been applied to uses other than those for which it was designed when paid in. You ranchers should take time off and study this matter over, then hump your shoulders and demand that you be given that for which you have paid—water for your your fields.

With a half dozen candidates tightening up their fences for the fight for the office of governor it seems that Oregon people will have to do a heap of thinking before deciding on the right man. We know who he is but won't say at this time.

It is said that income tax has been paid on earnings of \$950,000, 000,000. Wonder who pays the tax on the other \$900,000,000,000?

Old Maids become flappers next Thursday night at Legion hall.

Loss Another Child—

Rev. and Mrs. Alfred Frischknecht, Redmond, have been called upon to part with another child, this time their three-year-old daughter, Glorian, being taken. On January 8th the Frischknechts lost their eldest son, pneumonia was the cause of both deaths. But one child remains to the couple.

A Dollar Dinner for Four

Sauerkraut Juice Cocktail... \$.08
Walnut and Rice Loaf... .40
Baked Tomatoes and Peppers... .19
Bread and Butter... .08
Pineapple and Date Salad... .21
Iced Tea with Lemon... .03
Total Cost... \$.99

A cool, clever dinner for sweltering August is given above. And another of its important virtues is the fact that it can be bought for a dollar—and will serve four people. The prices are given above. Here are the ways to make the dishes:
Sauerkraut Juice Cocktail: Season about three-fourths of a number 2 1/2 can of sauerkraut juice with Tabasco juice and chill thoroughly.
Walnut and Rice Loaf: Brown two tablespoons chopped onion in two tablespoons butter. Add one

milk. Stir until thick. Slightly beat one egg, and add hot sauce to it slowly; add one cup vacuum-packed walnuts, one-fourth cup crumbs and one-half cup brown rice which has been boiled and drained. Pack in a buttered loaf pan, and bake in a moderate oven (375 degrees F.) for about half an hour, or until crisp and brown on top.

Baked Tomatoes and Peppers: Shred one green pepper and mix with tomatoes from a number 2 can. Season to taste. Pour into a buttered baking dish and bake in a moderate oven until peppers are tender. Add one tablespoon butter and serve.

To make the salad, place a slice of chilled pineapple on a lettuce leaf, put a stoned date in the center, garnish with mayonnaise and serve very cold.

Go Nine Coyotes—

Trapper R. C. Fulkerson succeeded, in spite of deep snow and cold weather, in getting the scalps of nine coyotes last month. He has been putting out poison lately and expects to take more of the sneaking sheep destroyers in February.

Had Pneumonia—

Andy Crabtree made a trip to The Dalles last Saturday with the Shattuck truck. When he came home he was compelled to take to his bed, having all the symptoms of pneumonia. He is still very sick but at this writing is improving.

Frost Heaved Roadbed—

The recent heavy frosts worked havoc with portions of the highway. In spots on the Flat and north of White river bridge places are almost impassable. Road crews are at work taking up the broken portions, filling the holes with gravel and giving the top a liberal coating of tar and oil.

Got New Ford Pick-Up—

Joe Kramer went to Portland on Monday, going down for the purpose of securing a new Ford pick-up for Oliver Resh. Oliver's old Ford has outlived its period of usefulness and as his establishment has much delivering to do the need of a new vehicle became imperative.

Church and Sabbath School—

Next Sunday will be a day upon which preaching services will be held in Maupin both morning and evening. The morning service will be followed by an official board meeting. Sabbath school at 10:00 o'clock, preaching at 11:00 and at 7:30 in the evening. Bible study class at 6:30 p. The new choir will be on hand at the evening meeting. At Wapinitia Sabbath school at the usual hour.

Prolific Sheep—

Cliff Allen has one of the most prolific bunches of ewes in the country. Twenty of the ewes have lambed, giving birth to 35 little woolies. One ewe had triplets, 13 twins and the others but one lamb each. But two of the lambs died, leaving a flock of 32 new ones.

Gene to Hot Lake—

Lew Henneghan left for Hot Lake, Oregon, yesterday and expects to stay there for the coming three weeks. Lew has been bothered with rheumatism and realizes the medicinal value of the water of the lakes as a specific for the disease, having been a patient there some years ago.

Trucked Stock—

Bobby Davidson took a mixed load of sheep and hogs to Portland on Sunday. The load consisted of 12

hogs, the property of John Powell and Dolph Malhew, while Otis Chastain sent 21 sheep to market. Bobby returned on Monday.

Paralysis Victim—

Mrs. M. I. Shearer, mother of Marcus Shearer of Maupin and who lives on a ranch on Three Mile, near The Dalles, was stricken by paralysis on Monday night Marcus received that sad intelligence Tuesday morning and went to the family home that day. Just how severe the stroke was is not known. A nurse from The Dalles is in attendance but whether the victim will be taken to a hospital has as yet not been decided.

Looked for Work—

Laverne Fischer, accompanied by his mother, wife and little daughter went to Klamath Falls, Tuesday. His mother and the little girl visited for a day at Bend with Mrs. Fischer's niece, while Verne and wife continued on to Klamath Falls. They returned today.

Goes to Clatskanie—

Charley Steele has severed connection with the Kramer Bros. Motor Co. and has gone to Clatskanie, where he has secured a position as mechanic in the Ford garage of that place. His wife will remain with her parents for a couple of weeks and then will join Charley in their new home. Since coming to Maupin Mr. Steele has made many friends, each of whom will wish him well in his new location.

Perpetuates Name—

The name of Fraley is not destined to run out if Cyril of that name has his way, at least he has shown, in one instance, that he has fathered a son who will bear the old familiar cognomen. Cyril's wife presented him with a bouncing son on January 16, birth being recorded at Bend where the mother had gone for the occasion. Cyril is taking up his burden as Dad like an old-timer, while Grandad Bill Schilling is expected to survive the joy at the youngster's arrival in time.

Help the Old Maid; catch husbands at Legion hall next Thursday night.

PAGE, LINE AND PARAGRAPH

It's a good idea to incubate a few eggs before the breeding season as a check on the fertility of the flock. Keep some reserve males on hand in case of sickness or accident to the regular breeders, or to replace males that are not reliable breeders.

Many a cellar is wet because the surrounding ground is flat or slopes toward it. Water in the ground moves much more rapidly downward than laterally, and conditions can be improved by grading the ground to make a smooth, sharp downward slope extending at least 10 feet from the building.

If you are buying an incubator, get one large enough to hatch all the chicks for home use in 2 or 3 hatches. It takes little more time to care for a large machine than to tend a smaller one and the larger allows for growth of business. Allow about five eggs for each good pullet desired next fall.

Machine changes character: at the Old Maids' convention.
