**ENGINEER LYTLE IS PROMOTED**  
 Takes Position as Chief Engineer in Place of Mr. Wanser

Engineer Lytle, in whose charge this section of The Dalles-California highway has been since its construction, has been promoted to the position of chief engineer in the place of Engineer Wanser, who has taken an indefinite layoff. Mr. Lytle has been succeeded by Engineer Bishop, formerly in charge of the La Grande division.

Messrs. Lytle and Bishop went over the proposed new cutoff to the Wapinitia road yesterday. It is said a new road will be constructed to an angle from the Roy Ward place and to come out on the Maupin grade somewhere near the old rock crusher site. This will cut the distance to the Wapinitia cut-off several miles and will be a state road.

**February Cougar Kill—**

February lacked much of being the banner month for cougar hunters that January proved to be. Records of the game commission disclose that during the month 26 of the big cats were killed. This was less than half of the figure for January, which period, because of heavy snows enabled hunters to better track the cougars.
