

Neighborhood School Notes

Wapinitia

All of the High school students were present Monday morning.

The Wapinitia boys were a sleepy eyed "gang" Monday morning due to the late hours spent in The Dalles. Zelma Teschner was absent from school Friday.

Most of the book reports are finished in High school. A few have some points to make up.

Although the ground is still somewhat muddy the baseballs will be flying soon.

Everyone on the basketball team returned to school Monday morning no worse for the wear after the basketball tournament.

"INSIDE" INFORMATION

Watercress fine chopped and creamed with butter makes a delicious spread for graham bread sandwiches for club meetings, teas and other social occasions. Minced parsley, flavored with a few drops of lemon juice, and mixed with butter is another appropriate spread for sandwiches that are to be cut into fancy shapes with cookie cutters.

Corned meat kept over into the next summer should be watched closely in the spring, as the brine is likely to spoil. If the brine appears to be "ropy" remove the pieces of meat and scrub them thoroughly with a stiff brush and hot water. Then repack and cover with a new brine. The brine should be kept in a cool place, as the sugar in it has a tendency to ferment.

Allow mud stains to dry and brush carefully before any other treatment. Sometimes nothing else is needed. Or, if the fabric is washable, use soap and water. On other fabrics, try sponging with wood alcohol, denatured alcohol, or plain water. Mud stain may be taken off black silks of firm weave by rubbing the spot with a raw potato. The thin film of starch left on the potato can be brushed off when dry. This treatment is not recommended for any other materials. It leaves a spot on any except black fabrics.

For washing and rinsing utensils a clean, safe water supply is absolutely necessary. Contaminated water may be a source of danger not only to persons living on the farm but also to those who use milk from the farm. Well and springs should always be protected from surface drainage. The drainage from privies, hog pens, barnyards and other sources of contamination should always be away from the well, and both springs and wells should be walled in, curbed, and tightly covered.

HOME POINTERS

Fruit jar ring, sewed under each corner of a small rug will prevent the rug from slipping or wrinkling.

Convenient and attractive piece

Negotiations for baseball games will take place in the near future to insure sufficient games for the season.

The boys have had considerable fun, "kidding" Dan (Billy West) about his conduct at the recent basketball tournament.

Surprise

Friday the History class received a surprise when Mr. Heckman called for the History Outlines. Some of them had forgotten to ask for them.

JOKES

Marion: "We didn't win a game at the tournament."
Billie: "No, but I won a girl's heart."

If kitchen equipment can be made by painting a funnel to harmonize with the kitchen color scheme, and then placing a ball of twine in the funnel with the loose end through the spout.

Gum can be removed from clothing readily if the gum is rubbed with ice until it is well chilled.

After oiling the sewing machine it is a safe practice to sew through a blotter for a short time to absorb any surplus oil left on the surface.

If soiled powder puff, are washed and hung up to dry without being wrung out, they will dry smooth and soft and without wrinkles.

A large size rubber-tipped tack pushed into each end of a clothes hanger will prevent the clothes from slipping off.

PAGE, LINE AND PARAGRAPH

A poultry house for setting hens should be secluded, slightly darkened and separated from the houses for layer and breeders. Place the nests so that the hens won't have to fly or jump into them.

If the dairyman buys all his feed, hires all his labor, and disposes of the milk at current wholesale price, he will make little if any money. If he buys all his feed and does all his own work he may make day wages. To make the greatest profit raise most of the feed and market it through the dairy cow at a price at least equal to what the same feed would cost on the market.

FRIEDA NOTES

Mrs. W. P. Roberts recently received information that her sister, Mrs. Tracy Wilkinson, became a mother to a husky son on February 20. The mother will be remembered as Miss Lavern Russell who spent some time here.

Mrs. Anna Bradway was a visitor in The Dalles last Saturday.

Willis Roberts and wife were Frieda people who visited at the county seat on Saturday last.

Orrien Farlow is accumulating a herd of goats. One of his nannies

recently gave birth to triplets and another had a single kid.

Willie Roberts, Jr., was a Bend caller last Friday.

The Siefert family, having lost their ranch, have moved to Maupin.

Wapinitia Jottings

Mr. and Mrs. Frank Richardson, Mr. and Mrs. Harold Walters and family, and Mr. and Mrs. Reuben Walters were Sunday visitors at the home of O. S. Walters.

Dick Delco returned to Wapinitia Tuesday from a visit at Wilimina.

Ralph Delco and family visited at the Grandma Delco home Sunday.

Two flat tires was the misfortune of one carload of Wapinitia basketballers who made the trip to The Dalles Saturday.

Robert Holman and Dick Olmstead were out for a Sunday afternoon walk. The boys walked up to Brown's Service station.

Marion O'Brien ran out of gas Sunday morning returning from the tournament. He, leaving his partner, to comfort themselves in the cold, walked back to Lester West's to get gasoline.

Charley Lewis and family visited at the Walter Sharp home on Sunday.

Lester West took a carload of basketball players to The Dalles last Saturday.

Marion O'Brien had some work done on his car recently.

Frank Heckman, principal at Wapinitia, spent the week-end in The Dalles.

Mrs. Jessie Crabtree has been helping at home home of her parents, Mr. and Mrs. E. H. Snodgrass for the past few days.

Callers at the E. H. Snodgrass home Sunday were Jesse Crabtree, Mr. and Mrs. Roy Crabtree and son, Carson and Mr. and Mrs. Earnie Endersby.

Richard Delco came home from Wilimina the last of the past week, coming to see his grandmother who has been quiet ill. Grandma Delco is some better now.

Joe A. Graham returned from Weiser, Idaho, last Friday.

The recent snow held up the farmers from their plowing. The snow is now all gone but the ground is too wet to work.

Fred Alt was down from from the McFarlane mill one day last week. He reported that but two inches of snow fell there, also stating that the mill would soon begin sawing lumber.

Mr. and Mrs. G. R. Bell and Velma and Orton Walmer visited at the home of Mrs. M. DeLore Sunday.

Orton Walmer of Portland was a guest of Miss Velma Teschner at the home of G. R. Bell over the last week end.

Mo. DeLore was in Maupin on business last Friday.

Mac Holloman transacted business in Maupin a day or so the latter part of last week.

Miss Crystal Hartman is visiting with Mrs. Leonard Weberg for a few days this week.

Harvey Wall returned to school Monday after several weeks absence due to illness.

Walter Woodside transacted business at The Dalles last week.

Members of the state engineer department viewed the proposed road from the Wapinitia cut-off to the intersection of the main highway on Tuesday.

MAUPIN HI TIMES

(continued from first page)
CUBS TO HAVE NEW BASEBALL UNIFORMS

A monthly student body meeting was called Tuesday morning for the purpose of choosing some necessary baseball uniforms. Mr. Poling was appointed to look after the selecting and purchase of the suits. The colors decided upon were gray and blue, the pants are to be gray, the socks and caps blue. It was found that nine suits would cost \$37.80. The Cubs will undoubtedly feel able to play better baseball with these new uniforms.

A sanitary improvement for the shower room was also effected. It was decided that all towels in the shower room should be gathered up and sent to the laundry at The Dalles to be washed and thereafter to become the property of the Student Body.

CHAUCER STUDIED

The English IV class has been studying the life and work of the first great English poet, Chaucer. The class is now committing to memory Chaucer's celebrated description of spring from Canterbury Tales. A few lines are quoted to illustrate the great changes that have taken place in pronunciation words since Chaucer's time: When that Aprille with his shourres soote The droughte of March hath perced

to the roote,
And bathed every veyne in swich licour,
Or which vertu engendred is the flour;
Whan Zephirus eek with his sweete breath
Inspired hath in every holt and heeth
The tendre croppes, and the yonge sonne
Hath in the Ram his halfe y-ronne,
And smale fowles maken melodye,
That slepen al the night with open ye—
So priketh hem nature in his corage;
Than longen folk to goon on pilgrimages,
And palmers for to seken straunge strondes,
To ferne halwes, couthe in sondry londes."

"TYPING CERTIFICATES

Out of the two typing classes three are now entitled to a 25 word per minute certificate. The certificates are to be awarded to Harry Rutherford, Mary Greene and Elden Allen. Mary was high with 33 words net per minute. She wrote about 36 words per minute but was penalized to 33 because of 4 errors.

The other members of the classes are still preparing for the test which they will take some time this month. Those who have their certificates are preparing for the 40 word pin to be given by the Remington typewriter company. Harry won his certificate under Mr. Poling while Mary and Elden were coached by Mr. DeVoe.

GRADE NOTES

Primary

Muri Addington has charge of the wraps for the week.

The new inspectors are: Gayle Mayhew and James Crabtree.

Glenn Chaitain is acting as policeman for his room.

Beulah Richmond was the only pupils in the Primary room that received 100 per cent in department.

Third and Fourth

The enrollment in Mr. Joyn't room numbers fourteen now, due to the fact that two new pupils have started to school, Eda Siefert of the Fourth grade and her sister, Lillie, in the third.

Eunice Lindley is still absent from school.

Adeline Schilling was absent on Monday.

The Fourth grade is studying the North Central States in Geography.

Fifth and Sixth

The children in the Fifth and Sixth grades brought samples of cotton wool, silk, and rayon.

Mrs. Cantrell has just finished reading a library book to the children called "Master Skylark." The children enjoyed listening to the story as it was written about Shakespeare's time.

Seventh and Eighth

Those neither absent nor tardy nor absent for the past six weeks are: Henry Wilson, Betty Slusher, Greatha Turner, Irene Woodcock, Douglas Bothwell, Ralph Kai er, Theodore Kirsch, Herbert Kramer.

Dorothy Greene, Bernice Hollis, Frances Laidley and Jean Renick. In the Eighth grade grammar class we are studying the writing of business letters.

Corn—This Month's Economy

IN combination with fresh vegetables, canned ones may often be used to good advantage. For instance, a judicious blending of canned corn with fresh squash, celery or tomatoes will result in a dish which is unusual and delicious. At the same time the reasonable price of the canned food will offset the higher cost of the fresh, and so will lower the total cost for the dish. Here are some recipes which show how canned corn can be combined with other foods.

New Corn Recipes

Summer Squash with Corn: Sauté one sliced onion in three tablespoons of drippings, add a pound of peeled and thinly-sliced summer squash and sauté a few minutes longer. Add one cup water, cover squash, and cook gently until tender. Add one cup of canned corn, one

teaspoon salt and one-eighth teaspoon pepper and bring to boiling. **Mexican Corn:** Sauté one chopped onion in two tablespoons butter until golden brown, add one tablespoon flour and stir smooth. Add two cups chopped, fresh tomatoes, two cups canned corn, two chopped pimientos, one teaspoon salt, one teaspoon sage and one-eighth teaspoon pepper. Pour into a buttered baking dish, cover thickly with crumbs and brown in a hot oven.

Indian Corn: Dice one green pepper and sauté in two tablespoons butter until a golden brown. Cut link sausages into slices, add to pan and sauté until about half done. Add salt and pepper, contents of a number 2 can of corn, one-half cup milk and two slightly beaten eggs. Mix well. Pour into buttered baking dish and bake about thirty minutes in a moderate oven (350 degrees F.).
