NUMBER 32

Dr. Poling To Address School Assembly

Monday, April 7, at 9:00 a. m. the High school will have the honor and pleasure of hearing Dr. D. V. Poling of Oregon State college.

Dr. Poling is well known to this community and in the last year has been here on three occasions, speaking to the students and townspeople on subjects of educational and vocational concern. Visitors are especially invited to attend this assembly. In addition to the address by Dr. Poling there will be school singing and special musical numbers.

TRACK MEET

The date for the Track Meet will be on April 26th, which leaves only three more weeks to go.

Practice for track will be held each Monday, Wednesday and Friday. All those that are entering any event in track should be out these days getting in shape for the try-outs.

A committee has been appointed to get the track at Tygh in shape for the meet. The track will be in better condition this year than it was last year.

Those turning out for different events are:

High Jump—Elton, Bonney.
Broad Jump—Elton, Glenn, and Bonney.

Discus—Richard, Harry.
Pole Vault—Glenn, Ivan, Val, Bo.
Shot Put—Bob, Elton, Harry, Richard.

Half Mile—Glenn.
Baseball Throw—Wendell, Bob.

Dashes
50-yard—Elton, Bonney, Val, Charles.
100-yard—Elton, Bonney, Val and Charles.
220 yard—Elton, Bonney, Val and Charles.

Maupin misses her high point men of last year, Andy, Etel and Kenneth, as well as her high point girls Merle and Allene.

The Maupin schools have one of the finest sites in Wasco county just waiting improvement to be fully realized.

Mark your ballots "Aye."

MAUPIN-TYGH ASSEMBLY

Last Friday the Tygh High school, grades, and teachers were guests at the Maupin High assembly held just before the baseball game. Mrs. Bailey, Mr. Zevery, Mr. and Mrs. Stevens, and many local school patrons were present.

The gym stage was decorated with the many green plants of the science room and with Maupin's pennants and cups.

Community singing led by Mr. Poling opened the program. "The More We Get Together," "Oregon State Song," "Old Black Joe," and "Carry Me Back To Old Virginia" were sung with hearty enthusiasm by students and visitors. The audience then enjoyed a folk dance by members of Fifth and Sixth grade. Alice Greene, Emery Crofoot, Kathleen Foley, Franklin Renick, Lena Turner, Ernest Kirsch, Leo Cunningham and Allene Wilson. A piano duo, "Diana," was played by Charles Bothwell and Nova Hedin.

Rev. W. A. Matthews delivered the address of the afternoon. His topic was "A Successful Life." Mr. Matthews spoke in a firm but kindly way of the mistakes by which young people are apt to detract from a successful life. Every one must have a definite goal to look forward to early in life if he is to enjoy a life of greatest success. "A successful life," Mr. Matthews said, "was one that at old age could be viewed with the satisfaction that comes to a mind which realizes it has fulfilled many of the tasks which it has set out to accomplish."

The Trio Triumphant, composed of Bo as base, Val as baser and Glenn as bases, sang "I want to go to Morrow" and "Barnical Bill." Bonney, Wendell and Val, the Jazz-phoney harpists, entertained as the last number of the program with "Casey Jones," and "Turkey in the Straw," and last "Home Sweet Home."

Today is all you have—tomorrow is a promissory note, and yesterday is a canceled check.

MAUPIN SCHOOLS NEED AN ATHLETIC FIELD

(By Richard Crabtree)

The need of a new athletic field is already known. All that is needed now is getting started. Starting takes organization and organization requires a survey, plows, tractors, a roller, shovels and a foreman to direct.

Both the Odd Fellows hall and the Legion hall were built by the free effort of members of these groups. An athletic field can be built for the school by the good-will of the patrons and friends of the Maupin schools.

These affairs the repeatedly accomplished as community enterprise and Maupin waits only for organized direction.

A good day to begin the field would be May 16, the last day of school. Refreshments could be served and the day could be made a planned picnic for school and community.

Outside baseball teams during summer as well as football teams in the fall will attract visitors and business to Maupin.

SCOUTS HIKE TO WHITE RIVER

Last Sunday Bo Wilson, Theodore Kirsch, Harry Rutherford, Ralph Kaiser, Forest Urban, Emery Crofoot and Ivan Donaldson met at the Drug Store at 8:30 and started on the White River hike, with Floyd Kelly as leader.

The walk down the track was uneventful except for the stretching of Emery's legs.

A brief pause was taken at Oak Springs, where Mr. Smith showed the boys around the hatchery and retaining ponds while telling them of the operation of the hatchery. In the three ponds there are 1,670,000 young rainbow trout from three to six inches long.

The party went on down the Deschutes to cross the railroad bridge at the mouth of White river; thence about a mile up the river dodging limbs and climbing over rocks. Lunch was eaten here and then a scrimmage ensued when two boys took Ralph's cookies. For a few minutes the boys were in imminent danger of being thrown in the river.

Forest Urban met the party a few minutes' walk from the power house and all then proceeded up the river to the plant. The trip through it was interesting and instructive to the boys. Mr. Kelly explained the action of commutators and exciters. The water was running over the diversion dam, so the boys proceeded along the river banks to find a crossing but were unsuccessful.

There were no casualties during the day altho Theodore Kirsch fell in the river and was laughed at by the troop.

Mrs. Kelly met the party at the White River bridge to take them home to Maupin where they arrived at 6:30 p. m.

BOOST MAUPIN HI TIMES

(By Blanche Northrup)

The "Maupin Hi Times" section in our local newspaper contains news of our school events well worth reading. Students who are interested in school activities should read each copy and keep them in chronological order to read after school days have passed. All English students work hard to present a creditable school paper each week. Copies of our school paper may be seen at numerous schools near by and at The Dalles public library. Many comments are made about our school section. At our last Friday's assembly program Rev. Matthews commented upon our regular Friday programs being the most interesting part of the school news. We appreciate the fact that people outside of our home town read these items with interest. The "Maupin Hi Time" represents a project of real community enterprise and, as such should merit subscribers for its parent paper, The Maupin Times.

Varied Assortment

"I want a bottle of iodine."
"Sorry, but this is a drug store. Can't I interest you in an alarm clock, some nice leather goods, a few radio parts, or a toasted cheese sandwich?"

Tygh Goes Down Before Maupin Hi Sluggers

Last Friday Tygh Valley "paid Maupin a baseball visit. The game was called at 2:30 o'clock and resulted in the defeat of Tygh Valley by a score of 7-3.

Maupin lineup was as follows: Fraley, catcher; Snodgrass, pitcher; Greene, first; Wilson, second; Miller, short stop; Bothwell, third; Shepflin, left field; Lindley, center field; and Crabtree, rightfield. The Tygh lineup was: Brown, pitcher; Zumwalt, pitcher; Rhodes, first; Louis, second; Wing, short stop; Woodcock, third; Lucore, left field; Whrend, center; and Davis right field.

Elton pitched his first game of the season for Maupin. He held Tygh down to five scattered hits which resulted in only two runs. Laco on the first sack held the position with ease, although it was new to him.

Tygh proved her mettle, with some of her players from the Kindergarten. She kept the Cubs awake and on their feet. Maupin will journey to Wapinitia next Friday with high hopes and plenty of pep.

Maupin Hits

Baseball News

Maupin's Wild cats defeated Wapinitia, last Sunday, 13-2 on the school grounds. Poling and Renick fanned 13, of the Wapinitia Plainsmen with perfect nonchalance. (Look that one up, fellows.)

Friday the Cubs defeated Tygh 7-3. The game was close and interesting.

The Cubs will journey to Wapinitia to take a whirl at the Cyclones, this coming Friday.

Dufur defeated the Cyclones 10-5. The game was played at Dufur. Knight and Stueber checked for Dufur while O'Brien and Claymier held for the Cyclones.

Mr. Poling suffered a severe accident while at practice last Monday night. A ball thrown in from the field hit him on the side of the nose inflicting a painful injury. His friends are glad to know that the injury will not be permanent. It was at first feared that he would be unable to lead in the singing at the big assembly.

SEE THE POPPY POSTERS

Students of the Maupin schools have shown interest in the American Legion Auxiliary poster plan of honoring the World War heroes by completing twenty-two posters. The posters are of varied sizes, finished on white paper, and placed on contrasting color backgrounds. They are adorned with red poppies, attractive motto, and pictures of soldiers. They interpret clearly the feeling of gratitude of students toward those who have given their lives in the World War. These little remembrances on the part of the students will, when placed on display, serve to remind the citizens of the debt still owed to the heroes who fell and to their dependents.

The posters have been turned over to Mrs. Pratt, the president of the American Legion Auxiliary. As soon as local judges have been chosen and a decision reached on the winning poster to be sent to the state judges, the posters will then be placed on display in the home community.

Those who contributed to the making of posters from the different divisions were: Buelah, Ernest, Dod, Alice, Nina, Allene, Lena and Myrtle from the Fifth and Sixth grades; Herbert, Douglas, Jim, Henry, Francis, Jean, Irene and Dorothy from the Seventh and Eighth grades, and Ivan, Mabel, Evelyn, Blanche, Lelah, Nova, Beth and Bethel from the High school.

KAISER CHOSEN TO LEAD LOCAL BOY SCOUT TROOP

H. R. Kaiser Elected Scout Master and Floyd Kelly Assistant—Troop Committee Named

Nay, Nay, Ignatius, the Maupin Boy Scout troop has not passed into the list of those things that were rather dormant since the first of the year, owing to lack of leader, but life still existed in the troop, and that life asserted itself at a meeting held last Friday night, when Scout Executive W. W. Belcher met with the troop and injected life-reviving pep into the erstwhile defunct.

A large gathering of scouts and friends gathered at the Maupin State Bank directors' room and talked over the situation. Realizing that a Scout troop was an asset to the town it was decided to go ahead with the program begun by Dr. Stovall and to that end a scout master, in the person of H. R. Kaiser, was chosen. Floyd Kelly was selected to serve as assistant scout master, and the following gentlemen elected as a troop committee: Dr. W. A. Short, chairman; Raymond Crabtree, Don Miller, James Chalmers and F. D. Stuart. The active officers with the help of the committee, will do all in their power to bring the troop to that perfection that it will be recognized as one of the leading scout bodies in the country. Mr. Kaiser saw service in the war with Spain and his assistant, Floyd Kelly, was one who answered the call to combat the hordes who sought to overwhelm the world in the last war.

Scout Executive Belcher is heart and soul in the Scout work and he will extend every effort in helping to keep the local troop on a high plane and bring it to an enviable place on the scout map.

WILL OPEN CUT-OFF ROAD

Contractor Harness Looks Over Conditions and Will Assist

Contractor Harness came over from Burns yesterday and went to the Wapinitia cut-off. While there he traveled as far on the highway as the Graham forest road and reported that he discovered but little snow. Mr. Harness will fix up his caterpillar tractor, furnish gas and oil and will do so gratis, only asking that those interested in opening the road do the work. He expects to enlist the aid of people from Government Camp, from the Flat and some from Maupin in the work clearing away the snow and ice will take about five days.

THREE MORE AUTO WRECKS

Two Trucks and Touring Car go into Different Ditches

Three auto wrecks demanded the attention of towing car operatives Sunday evening and Monday morning. Sunday morning, while on his way to the Connolly ranch Cleo Kincer was so unfortunate that his truck left the highway and nearly crashed into Mr. Pratt's "Fix-It" shop. The truck left the highway and headed down the bank. No one injured and the truck sustained but minor breaks.

The driver of the Ochoco butter truck misad the roadway early on Monday morning while on the Maupin grade and went into the ditch. The truck turned turtle but was not greatly broken up, while the driver came off unscathed.

A man from Bend turned his car from the highway when on the Flat on Monday morning. The vehicle went on its back in the ditch. The Maupin garage towed the car car to Maupin where its injuries were attended to. The driver sustained slight injuries.

DR. CLARKE COMING

Dr. Clarke of the Clarke Optical company, 326 1/2 Washington street, corner Sixth, Portland, Oregon, EYE SIGHT SPECIALISTS, will be in Maupin all day and evening of Monday, April 7th, at the Maupin Hotel. SEE HIM ABOUT YOUR EYES.

"THE COP" WILL WALK A BEAT IN MAUPIN

William Boyd Portrays Policeman in Startling Drama on Sunday Night

William Boyd, always a favorite screen artist with Maupin show goers, will be seen in his latest starring effort, "The Cop," at Legion hall next Sunday night. In that story Boyd will be supported by Alan Hale, Jacqueline Logan and Robert Armstrong. The story deals with life on the force in a big city, and portrays many stirring situations.

A Mack Sennett comedy—"Love at First Sight," will be the opener and its rendition will be seen the famous "Butterfly Dance from Olemargarine." This comedy features many beautiful bathing beauties and is a cream from one end to the other.

MORRIS FARM HOME BURNS

Owner Loses Nearly All His Furniture and Clothing

Fire, originating presumably in a bedroom, completely destroyed the farm home of Art Morris Tuesday evening. The family succeeded in saving a small part of their bedding and clothing, furniture, organ, radio and other accumulations going up in smoke.

Mrs. Morris had been in the bedroom but a short time before the fire was discovered. Clarence Ziegenhagen was at the Morris place at the time, having delivered some gasoline. He, with Art Morris were in the yard and when Art stepped in front of the bedroom window he saw the flames. He went to the living room with an idea of phoning for help, but was confronted by a wall of flame. He then turned his attention to saving all things possible, getting out some bedding and a few clothes. The balance of the household belongings went up in smoke.

Besides the residence a water tower and woodshed were made food for the flames. Art has secured a tent and until a new house can be erected will live in the garage and tent. The house was owned by Art's father, Milton Morris of The Dalles and carried a small amount of insurance.

Painters Return

George Wilson, the well known painter with his brother, Frank Wilson, came up from Silverton Saturday. The Wilsons are old hands at painting and do good work, as has been shown by the many jobs done in and about Maupin.

LEADER ON PROGRAM SCOUT TRAINING SCHOOL CAMP

Scout Leader Will Take Vacation and Resume His Work on Return

Scout Executive W. W. Belcher sends The Times a copy of his program of activities embracing the time from April 1 to May 3. From April 1 to April 17 Mr. Belcher and wife will visit with folks in the east, his going being the first vacation he has enjoyed in four years. When he returns he will take up the following program:

April 20 to April 27—Camp leaders training school at Camp Merriwether, Portland.

From April 29 to May 3 his work will be at his office, taking care of correspondence, completing records, making out reports, etc.

In speaking of his vacation Mr. Belcher says: A vacation gives one much needed renewed energy and pep for his work.

Judson P. Freeman, director of professional training; L. L. McDonald national camp director; Capt. W. C. Milles, national waterfront safety man and Gunner H. Berg, director of volunteer training will be in charge of various parts of the Camp Leaders training school which opens April 21st at Camp Merriwether, the Portland Boy Scout camp on the Oregon coast.

This school will cost only \$19.00 for the week, each man furnishing his bedding and the same equipment as required for scouts attending summer camp. Any interested man is asked to correspond with Stuart P. Walsh, Boy Scouts of America, Seattle, Washington.

I have been asked to present a paper on "Camp Records and Their Use" which will be one of the twelve subjects presented by the men of the west coast, and will also conduct a patrol cooking project, which will be a part of the daily schedule.

Graduates in June

Miss Velma Crofoot was at her home here during the spring vacation of Monmouth Normal school, returning to her studies Sunday. Velma will graduate in June and then will begin her teaching career. Miss Crofoot has had several weeks practice teaching and has passed her grades with credit.

Joe Kramer went to Portland the latter part of last week and returned with a new Ford truck for a customer.

Corn Concoctions

CITY-BRED folks classify corn as something on the luncheon or dinner menu. But out on the farms they know better. Farmers like corn at any meal in the day, and farm wives have concocted some very delicious breakfast dishes out of this dietetically valuable grain which is good, fresh, straight from the can, or in combination with other foods.

A delightful old hotel in South Carolina, famous for its breakfast corn cakes with maple syrup, serves another breakfast corn dish that makes you wonder why you stayed up North so long.

Some Southern Corn Combinations

Here are the directions for emulating:
Breakfast Corn: Chop two large

cold boiled potatoes fine, and sauté brown in two tablespoons fat. Add one cup left-over canned corn, and brown again. Season well with salt and pepper. Break in two whole eggs, and scramble lightly together. Serve with broiled bacon.

Charleston Corn Cakes: Beat two eggs well, add one-half cup sour milk, one-fourth teaspoon soda and one cup of canned corn. Sift together one cup flour, one-half teaspoon salt, two teaspoons baking powder and add. Then add one tablespoon melted butter. Fry in small cakes on a hot griddle. Serve with maple syrup.

Corn Fritters: Make an egg batter as for pancakes, and stir in canned or fresh corn. Fry in butter and serve very hot with broiled breakfast bacon or fried ham.
