FAMILIARITY BREEDS CONTEMPT

It has often been said that the more familiar one becomes with certain conditions the less is thought of them. The recent death by electrication of Linesman Wattles is a substantiation of the saw that "familiarity breeds contempt."

Wattles had been a linesman for 20 years. During that time he had worked amidst "hot" wires with but a few minor accidents. He had assisted in stringing some of the most heavily charged lines in this section, and had escaped destruction, although he had at times suffered severe burns. In fact the victim of Sunday's accident in Maupin had become so familiar with charged wires that he gave no thought to potential death carried by them. He grew careless, made the fatal slip and today fills a grave.

Becoming too familiar with any line often proves disastrous. It may be that one may become so accustomed to doing certain things in a certain way that such action becomes mechanical. A deviation from the set manner proves destructive. A business may be carried along for years in one particular manner. A change disrupts things and consequently the business slumps with a crash. And so on through the gamut of things human.

"Safety first" is a good precept and should be studiously followed by all, whether working on "hot" wires or conducting a peanut stand.

WAPINITIA HI SPORTS

Maupin Defeated

Maupin High school baseball team came up to Wapinitia last Friday and the two schools played a game of baseball. It was a pretty close game most of the time, but at the close of the seventh inning the score stood 7-4 in favor of Wapinitia. Dee Woodside acted as umpire.

Wapinitia Loses to Kent

The game was called on our local field, Sunday, April 6. "Jerry" took the mound for the "Cyclones." After three hard innings of play the Kent team was successful and ran in three scores. Wapinitia scored early in the second inning. In the fourth inning, Ernie, the south-paw, took over the mound. During the remaining six innings Kent made three more scores and Wapinitia scored four more runs. At the end of the game the score stood 6-5 in Kent's favor.

Track Tryout

Tygh Valley

Dorothy Hood, Correspondent. The Tygh Valley High school baseball team traveled to Dufur, where they were badly beaten by a score of 7-0. The boys were good sports and are planning on beating Wapinitia, supposed to come here next Friday. Let's give the boys a boost.

The Tygh Valley town baseball team played the Simnasho Indians a game which gave them due credit, the score being 10 to 4. At the first of the game everyone was betting on the Indians, but were badly

fooled when the Tygh boys walked away with the game.

We were more than pleased Monday afternoon when Dr. D. V. Poling arrived to talk to us. Dr. Poling was scheduled to come here in the morning but had troupe with his car and did not arrive until about 3:00 o'clock. Nevertheless, we were glad to hear him.

The Sophomore and Junior classes of Tygh Hi gave a party for members of the school the first of the year, and the Seniors last Thursday night. The party was held in the gymnasium. Music and lively games were played and at 11:00 o'clock a supper of ice cream, cake and punch was served. Among those present were: Mr. Zevely, Mrs. Stephens, Mrs. Baily, Gladys Hood, Nadine Harvey, Forest Urban, Vernon Woodcock, Howard Crawford, Harvey Rhodes, Rae Ashley, Zelma Brown, Fred Ashley, Evelyn Olds, Alva Ashley, Selma Ashley, Arthur Lu Core, Lewis Brown, Clifford Brown, Barbara Robinson, Celia Hood, Kenneth Webb, Erma Webb, Ruth Sage, Clifford Davies, Roland Lewis, and Dorothy Hood.

A most enjoyable time was had by all and we hope to get together again soon.

The Tygh Valley High school is using a paper called "Tyee" which is published every Friday. The staff are: editor, Dorothy Hood; city, Erma Webb; jokes, Dorothy Hood; literary, Mrs. Stephens; society, Erma Webb; joke, Dorothy Hood; advertising, Bertha Muller; art, mechanical drawing class, and typist, Dorothy Hood. This paper contains all interest of the High school. Copies are being made by a Hektograph.

Preparations are being made for the trout track meet, to be held next Friday, April 11, before the baseball game.

MAUPIN AFTER EVEN BREAK

Discrimination Claimed in Favor of Adjacent Gas Dealers

Five of Maupin's dealers in gasoline went to The Dalles yesterday for the purpose of trying to arrange an equitable basis for the price of gas. Those going down were R. W. Richmond, John Williams, Bernard Welch, Ben Fraley and Joe Kramer.

Adjacent towns are in a position to sell gas below the price charged at Maupin, the reason therefore being that the oil companies deliver their products to those places at a lower rate than at Maupin, thus enabling their products to sell cheaper than Maupin dealers. Gas at the present time sells for 19 cents and 19 1/2 cents a gallon in The Dalles; at Dufur the price is 22 cents per gallon, at Maupin 25 cents.

The confab between the Maupin dealers and the officials at The Dalles was not prolific of much good, as the oil companies claimed that freight rates were the cause of the discrimination, a fact over which they had no control.

ASKS CLEAN UP ASSISTANCE

Mayor Would Improve Highway Looks by Cleaning up Dump

Mayor Henneghan asks that all who have the beauty of our city at heart turn out Sunday morning and help to clean up the dumping ground above town. The pile of junk lying there is anything but conducive to a good opinion of Maupin on the part of travelers, as it is an eyesore at all times. Old garbage and disreputable autos as well as boxes, papers, chips and whatnot litter the ground and spread out widely. By all means let's all turn out and place that part of our highway in a more presentable condition.
