SPORTSMANSHIP

(By Copen Hagen)

Odds you are willing to give. You'll ask of neither friend or foe. Unfair advantage—you will not take. Of either swift or slow; A damage done that you brought about. You will hasten to amend. If you're in the wrong and found it out. You're a sportsman to the end.

On trifles you will argue not. Nor explode if you are hit. But you will fight to the very end. If the cause is just and fit. All honor you will never claim. If you are a sportsman true. It takes two at least to play the game. A man to win and another to lose.

JOKEs

Herb: "I'll teach you to make love to my daughter, young man." Billie: "I wish you would, mister. I aint makin' much headway."

RUPTURE SHIELD

Expert Coming to THE DALLES on FRI., SAT., MAY 2-3

at The Dalles Hotel from 10 a. m. to 4 p. m. Evening by telephone appointment only

No Charge for Consultation

Mr. C. F. Redlich, the successful expert says:

The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones.

Genious, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.

No elastic belts nor filthy leg-straps are used.

I guarantee the durability of my absolutely sweat and moisture proof, sanitary appliances.

75% of ruptured children recover completely through expert mechanical treatment according to statistics.

Do not waste your money on widely advertised mail order contraptions. You cannot fit yourself.
