The Maupin baseball team continues at the head of the percentage column. Last Sunday the players trekked to Dufur and played a return game with the team representing that place, incidentally going again a few players imported from The Dalles for the game. Notwithstanding that fact our boys emerged from the conflict one score ahead, the marker standing 9-8 in Maupin's favor. Poling and Renick officiated at the points for Maupin.

### MAUPIN HI TIMES (continued from first page) WASCO COUNTY TRACK

The date for the track meet drawn near, and only one week remains until the big event. This means intensive training by the contestants.

The girls who have turned out are: Gladys, Mary, Nova, Bethel Mabel and Lelah. They promise to make a good showing at the "meet" in the dashes, relay, baseball throw and horseshoe pitch.

Although the names of the entries have been sent in, it is not as yet certain who will participate in the different events.

Those who are showing up well are: Elton, Harry and Bonney in the dashes and jumps; Glenn in the long runs, Ivan, Glenn and Bo in the pole vault; Wendell in the javelin and baseball throw; Richard in the discus; and Elton, Bob and Richard in the shot.

Competition will be keen, as all the schools in the county are participating.

Since the Flannagan school is listed with the Maupin schools it is hoped that they may visit the meet and if possible make entries among the many contestants in the B and C class athletes.
