HALL'S CANDIDACY

Oregon is singularly blessed with able men as candidates for the governorship this year. There are six men running of the Republican ticket and three aspire to the high office as Democrats.

Among the Republicans we take pleasure in recommending Charles Hall as the logical man for the governorship. He is a self-made man, having come up from the ranks to a position among the lead-financiers of Oregon

Mr. Hall has been a member of the state senate several terms, knows the needs of the state and has declared that he will, if nominated and elected, give his every attention to the furtherance of the interests of the state.

Charles Hall is an enthusiast in the matter of roads, education, and settlement of Oregon. His platform is clear cut, comprehensive and intelligent. He has the support of some of the leading financiers and educators of Oregon, and when the rank and file of the voters of Oregon learn of his unbounded ability they will not hesitate in casting their ballots for his nomination and election.

"INSIDE" INFORMATION

In selecting a trouser pattern for a small boy, see that the back seam line is longer than the front, gradually slanting from the top to the crotch. A center front line should drop straight down and then curve out to the crotch as does an armseye line that leads to an underarm seam.

Natural material for bird homes are not so abundant as formerly, and substitutes will be welcomed by the feathered tenants. Many birds will make use of rags, ravelings, and twine if these are cut into small pieces. Excelsior, straw, hay, cotton hair, (such as is used in plastering,) and feathers are welcome. An ordinary wire broiler is excellent for holding the nest-making materials. Robins, phoebes, and swallows are eager to get thoroughly wet clay for nest building.

The enormous weed crop raised with the grain every year is one of the reasons why there are not larger yields of grain in the spring-wheat area, say the U. S. Department of Agriculture. This weed crop can be prevented by eliminating the weeds in stubble fields before they form seeds, by destroying the weed seeds in the soil, and by thoroughly cleaning the wheat seed again.

That something, called vitamin A, which is vital to life and necessary for normal growth, is found in whole milk, especially in milk from cows on the pasture fields.

Milk is much richer in lime, the chief constituent of bones and teeth, than are most all other foods.

Milk fat has a low melting point and divides into particles that pass readily through the walls of the intestines, hence is easily digested. This is one of the reasons milk fat is considered suitable for invalids and children.

Many adults who have digestive difficulties receive more benefit from milk than from any other single food.

SCHOOL NOTES

May 4, 1930, is the date set for the Baccalaureate Address, which will be delivered by Rev. Smith at the church.

Hazel Laughlin and Melvin Walters have been chosen as valedictorian and salutatorian. These two have made the highest grades throughout their school career.

Commencement exercises will be held at the school house May 14, 1930. Rev. Matthews of Simnasho has been chosen to give the address. The Seniors feel honored and believe that Rev. Matthews will give them some valuable advice.

The Commercial Geography class has only one small chapter left and their year's work will be completed.

The English I class has just finished stanza eight, canto third of "Lady of the Lake." We are studying about the gathering of the Clans.

The Higher Arithmetic class is now studying on "Fire Insurance." Some are finding the problems quite hard.

Avis and Ernie Enderaby were absent from school Thursday.

All of the High school students were present Monday morning.

The Seniors' announcements and cards have arrived and will be sent out in the near future.

Dufur Wins From Wapinitia

Last Friday Dufur High school journeyed to Wapinitia and played a return game with this school. Up until the last inning of the seven-inning game Wapinitia was in the lead. At the beginning of the seventh inning Dufur ran in three scores, due to a three base hit by Steuber and by Wapinitia's pitchers walking several men. Wapinitia had last bats, but failed to stage a needed rally to tie the score or win the game.

Wapinitia Jottings

A large crowd attended the Easter program and dinner at Pine Grove Sunday. The program and an egg hunt for the little folks, occupied the attention of all until dinner. Every one enjoyed the dinner, which was served on the tables at Ben Richardson's auto park. Lester West came near having to be helped to his feet after a lengthy session at the table, but explained himself by saying he had two days plowing to do after dinner. Rev. Smith delivered a sermon.

Mr. Arnold Gosnell, intermediate teacher, went fishing on Nena creek Saturday.

Alva Martin started shearing for George Claymeyer last Monday.

Lloyd and Gerald Claymeyer went fishing on White River last Sunday.

Mr. Frank Heckman, principal, spent the week end at The Dalles.

George Davis is now the owner of a second hand Ford sedan.

H. E. Walters made a business trip to Maupin, Monday.

Ernest Hartman is giving the interior of his store a coat of white paint—a big improvement.

Madras—Talkie equipment will soon be installed in local theatre. Eugene—McKenzie Pass being opened to traffic.

a dance in the Tygh gym Saturday night after the track meet and everyone wants to be present to one of the last dances of the season. There will be good eats, good music and a good time.

The 4-H club girls are going to serve hot dogs and buns and cake at a stand at the track meet Saturday.

One of the best games of the season was played here Friday afternoon when Tygh beat Maupin in their first winning game of baseball with a score of 4 to 3. The Maupin team had nine players while the Tygh team had only seven. "Stinkey" Davis had the misfortune to fall out of a window at his home and hurt his leg and Milton LuCore was also unfit to play.

The Tygh Valley town team traveled to Dufur where they were defeated in a game of baseball by the score of 8 to 3 in Dufur's favor. The next game is to be at the fair grounds between Dufur and Tygh Valley.

One of the best games of the season was played here on the Tygh field Saturday afternoon when the White River school team defeated the Wamic school team by a score of 11 to 11. Those on the White River team were Elmo and Melvin Johnson, Melvin Webb, Helen Conley, Charles and George Hood, Sherman Conley and Herbert Conley.

The regular Student Body meeting was held Tuesday morning with Bertha Muller acting in the president and vice-president's place.

Visitors this week were: Naomi Magill, who spent the week end at her parents home from Portland, where she is attending school. Naomi is now in the higher class of typing, making a speed of about 60 words a minute.

JOKES

Harvey: "I'm grasping for the right word to use." Erma: "Well you won't find them around my waist."

Darrel: "You'd better keep your eyes open around here."

Hazel: "Why?" Darrel: "People will think you're a darn fool if you go round with them closed."

Don't forget the dance Saturday night.

Mr. Zevely: "Spell banana." Lewis: "B-a-n-a-n-a-n-a. Darn it I know how to spell it but I don't know when to stop."

RUPTURE SHIELD

Expert Coming to THE DALLES

on FRI, SAT, MAY 2-3 at The Dalles Hotel from 10 a. m. to 4 p. m. Evening by telephone appointment only

No Charge for Consultation

Mr. C. F. Redlich, the successful expert says:

The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones.

Ingenuous, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.

No elastic belts nor filthy leg-straps are used.

I guarantee the durability of my absolutely sweat and moisture proof, sanitary appliances.

75% of ruptured children recover completely through expert mechanical treatment according to statistics.

Do not waste your money on widely advertised mail order contraptions. You cannot fit yourself.
