Shipped Range Horses—Horse wranglers shipped five carloads of range horses, procured on the reservation, to Schiesser Bros., Kenton millers today. The horses will be killed for their hides and to be ground into chicken and fox foods. They went over the Oregon Trunk railway.

State Grange Meeting—
The date of the State Grange meeting at Redmond is June 9th to 13th. There are 24 communities announced—3 of 3 members each; 4 of 6 members each and 17 of 5 members each—which insures consideration of a multitude of important matters.

Rounding Up Cattle—
Ranchers on the Flat are rounding up cattle with a view of making a shipment of seven carloads over the Oregon Trunk to Portland Saturday night. This move is made to forestall shipments reported soon to be made by cattlemen from east of this section.

Bountiful Rain—
Nature exerted itself Tuesday evening and Wednesday, sending down a most welcome rain. The fall extended to the timber line and late Wednesday fell in quantities in the valley of the Deschutes, extending as far as the Criterion country.

New Passenger Stage—
Manager Hoover of the Bend-Portland Stage company, arrived on Monday driving a brand new 10-passenger stage. Hoover is improving his line slowly and the patronage he is receiving is most encouraging. His route is over the cut-off.

The Versatile Tomato

If the canned tomato were an actor, critics would be lauding him to the skies, praising his versatility. For the well-known canned tomato now appears in new guises. For instance, consider up-to-date tomato sauce. Put up in 8-ounce cans, it is evaporated until thick and then highly seasoned, ready to be used as a sauce or in a made dish. To make a tomato omelet, chop a small onion and half a green pepper fine and sauté in a tablespoon of butter until tender but not brown. Add contents of a can of tomato sauce, one-half teaspoon of sugar, salt and pepper and three tablespoons of chopped ripe olives. Heat to boiling and pour over the omelet before folding it. Tomato paste, is a further evaporation of tomatoes—in fact it is so thick that its consistency re-

minds one of butter. Paste is used where the tomato flavor is desired, but added liquid is not desirable. For instance, to make Thousand Island dressing mix together one cup of mayonnaise, three tablespoons of tomato paste, one tablespoon of chopped green pepper and ten chopped, stuffed olives. Chill and serve on hearts of lettuce.

Many Other Varieties
Of course there are other tomato products on the market. Puree tomato juice is put up all ready for use in aspics or cocktails. There are strained tomatoes and tomato purée. Tomato soup varies in consistency; some are thin, others so thick that they may be used as a meat sauce just as they come from the can. And the good old favorite, plain canned tomatoes, still retains its leading place in our market.

We can't understand why the Soviet government has to persecute the parents to stop them from attending church, when the same objective could be reached by teaching them to play golf.

Today's Fairy Story
Once upon a time there was a movie actress who never endorsed any soap, shampoo, powder, toothpaste, or cigarettes, hats or baking powder. She was a trained seal.

Hints to the Housewife
Although we know more about lumber than about cooking we think this is a good idea—When pouring paraffin on jelly, to pour a small amount on, lay a short string across, then pour on more paraffin. The cord enables you to pull off the paraffin more easily. Besides this, we have a lot of good ideas about the remodeling of the home. Do a room or two every year, until the house is completely rejuvenated.

Window boxes and trellis effects will add to the beauty of any home and they are very inexpensive when made of Tum-A-Lum lumber.

It's a good idea to consult the Tum-A-Lum about building.

Down by the mill He tried to kiss Miss Wright. But she wouldn't do it. Not by a dam site.

"Crops is goin' to be good this year," sez Dock "especially the crop of brides."

Carpenter Job Crabtree is doing some cabinet work at the school house.

Mike Van Laanan is working on the Joe Kramer residence.
