

Always working for the best interests of Maupin and all of Southern Wasco County.

MAUPIN TIMES

Publishes only that news fit to print. Caters to no particular class, but works for all.

VOLUME XVI

MAUPIN, OREGON, THURSDAY, JUNE 5, 1930

Number 30

MOONSHINE LIQUOR SPILLED BY THE SHERIFF

Grand Jury Makes Report to Judge Wilson—Found Things Okeh

The recent session of the Wasco county grand jury, having concluded its labors for this term, reported its findings to Judge F. W. Wilson on May 28. The report so submitted follows:

To Honorable F. W. Wilson, Circuit Judge:

We, the Grand Jury of Wasco county, Oregon, reconvened by your order on Monday, May 26, 1930, respectfully report that we have been in session continuously two and one-half days and we have considered all matters which have been brought before us. We have interviewed twenty-even witnesses and have found it necessary to return into court five true bills and one not true bill. In relation to two of the true bills returned by us we have taken the liberty of making certain recommendations in writing in case the defendants, respectively involved, should plead guilty to the indictments returned against them.

We have assisted the sheriff in emptying the liquor which has accumulated on seizure thereof since we were last in session and we have audited and examined the prohibition fund of Wasco county for the year 1929. We approve the general method of handling this prohibition fund and find no fault with any particular items of expenditure thereof. We are pleased to note that at the end of 1929 the sum of \$2728.95 was turned into the general fund for Wasco county, Oregon, as the net proceeds from the operation and handling of the so-called liquor funds realized from fines paid during the year 1929.

We have looked over the county offices. As far as we are able to see the affairs of the county are handled in an efficient, courteous and proper manner. We have heretofore made a complete investigation of the county farm and therefore have not deemed it necessary to go out there at this time.

We understand that we will again be convened by your order in September, 1930, and we respectfully issue the usual invitation to citizens of the county to take up with us at that time as a grand jury or to submit to us individually between now and then any infractions or suspected infractions of the laws of Oregon.

Dated this 28th day of May, 1930.

ATHLETIC FIELD IS LEVELED

Volunteers With Teams and Strong Arm Work Transformation

Monday morning a number of public spirited men from this country and this town gathered at the school grounds and proceeded to work on the athletic field. The hill at the south end was leveled, the dirt therefrom being hauled to the low side, rocks picked out and sage brush thrown down the hill. Raymond Crabtree was the prime mover in the movement to give Maupin schools a field where track meets, football and baseball games can be played.

During the time the men were at work the workers were regaled with dinners served at Legion hall and prepared by some of the Legion Auxiliary ladies. Work was completed on the field this afternoon. The field will be seeded to grass.

Rodeo a Bloomer

The rodeo billed for last Sunday was a "bloomer," to use showman's parlance. Weather was against the affair and the expected crowds failed to show up. The dances Saturday and Sunday night were fairly well patronized, however, which gave the managers of the show a chance to "get the nut off," as is said when a show breaks even. Everett Wilson says he will play a return date on Sunday, June 15, showing at Grass Valley the coming Sunday.

For vacation necessities call at the Maupin Drug Store. We have all kinds.

CONCLUDING MUSICAL OF SEASON OF 1930

Pleasurable Picnic and Music at Bothwell Ranch on Fifteen Mile Creek

The H. F. Bothwell ranch on Fifteen Mile creek, near Dufur, was the scene of a most pleasant and profitable picnic party and musicale last Sunday, at which people from Maupin, Dufur, Criterion, White River, Shearers Bridge, Tygh Valley, parents and students as well as visitors, was enjoyed.

The program consisted of piano solos, duets and trios, and represented all the grades taking music of Mrs. Bothwell. The ladies quartette, Mesdames Bothwell, Morris, Woodcock and Wilson, added variety to the program with three vocal numbers. Little Lila Lee Morris contributed a number as a two-year-old singer. Lila was somewhat frustrated by the applause accorded her but carried off her effort like a veteran. A piano trio by Mrs. George Morris, Miss Helen Weber and Mrs. R. E. Wilson also was an added number most acceptably played.

Mrs. Emma Kinsley a student of Mrs. Bothwell's of a six-year-ago period, proved that even the married Mrs. Kinsley had kept up her piano practice. Those students who played solos were Margaret Peterson, Nina Chastain, Helen Peterson, Helen Connolly, Jean Renick, Kathleen Foley, Louise Duns, Jack Douglas, Charles Bothwell, Genevieve Allen, Virginia Smith and Eda Clausen.

Several other students were to have taken part in the program but the inclement weather of the morning deterred them from coming. At the conclusion of the program many went fishing in the two creeks traversing the Bothwell ranch, and some of the larger boys enjoyed themselves in trying to ride a big Hampshire, ram in the barn lot.

Among those who partook of the noonday picnic and listened to the program were Mr. and Mrs. C. A. Duns, Mr. and Mrs. Wm. Melchoer, Mr. and Mrs. Archie Swett, Mrs. O. J. Chastain, Mr. and Mrs. Oscar Renick and son, Franklyn, and daughter, Jean, Mr. and Mrs. Anine Smith, son and daughter, Mrs. Rondeau, Mrs. Jas. Clausen and daughter, Mr. and Mrs. Marvin Kinsley, son and daughter, Mrs. E. A. Cyr, Mrs. Geo. Morris and two children, Mrs. J. H. Woodcock and daughter, Irene, Mr. and Mrs. R. E. Wilson, Edmund Wilson, Andrew Crabtree and Richard Crabtree, Mrs. Pearl Temple, Nadine Temple, Mrs. Ed. Bothwell, R. D. Bothwell, Miss Helen Weber and the Peterson brothers.

NEW TYPE GAS REFRIGERATOR

Water as Refrigerating Fluid and Air for Cooling

Differing from previous models, an automatic gas refrigerator has been developed in Massachusetts and Rhode Island, after a period of six years of development. It employs water as the refrigerating fluid, air for cooling, and mercury vapor as the energy source. Gas engineers believe it may be applied to household systems, for the reason that it will be possible to manufacture not very large sizes. The design is such that it cannot be classified under any previous type, because it operates in a new way as a unit.

Rebekahs Initiate

The Maupin Rebekah lodge held an initiate meeting at the Odd Fellows hall last evening. Mrs. LuCore of Sheras; being taken into the order. At the conclusion of the lodge work a splendid line of eats was served to both Rebekahs and Odd Fellows.

Dorothea Lister to Marry

The Portland Oregonian, in its Monday issue, reported the issuance of a marriage license to Dan Rutherford and Miss Dorothea Lister. The groom-to-be is a logger and his chosen bride is the daughter of Frank Lister of Maupin.

Moved Light Pole

Billy Heckman was employed yesterday digging up the light pole located at the Richmond corner. The pole encroached on the station lot about eight inches, making driving to the front pump rather dangerous. Jim Woodcock realized the danger, therefore had the pole moved to the inside line of the sidewalk.

Maupin Man's Father Killed In Collision

Edw. Mathews' Parent Meets Death on Columbia Highway

A special to the Portland Journal from Hood River in yesterday's paper contained the news of the death of E. V. Mathews, Fossil resident, the passing away occurring at the Hood River hospital Tuesday evening. Mr. Mathews was on his way to Portland with Dan E. Flory and their car crashed into one of the big motor buses of the Columbia Gorge Motor company, the accident occurring near Warrenton. Both occupants of the car were injured, Mr. Mathews so badly that he died soon after arriving at the hospital. Mr. Flory suffered a broken leg and internal injuries. Hospital attendants say he will recover.

Mr. Mathews was father of Edw. Mathews of Juniper Flat, who left for Fossil yesterday afternoon, his father's body having been taken to his home at that place for burial.

TAXPAYERS AT ANTELOPE

Object is to Determine Real Value of Certain Lands

A meeting of owners and taxpayers of non-tillable lands in this county east of the Deschutes river has been called by several of such owners, the meeting to be held at Shaniko, this week Saturday at 1:30 in the afternoon.

The object of the meeting is to determine the real value of the lands mentioned and to discuss the rate at which they are and should be assessed. Other matters of interest to such owners are to be taken up and discussed at the meeting.

GOING TO SUMMER SCHOOL

Maupin Students Win Scholarships and Go to Corvallis

The annual 4-H club summer school at Oregon State College, which will be held at Corvallis from June 9 to 21, will have as attendants from Wasco county 25 boys and girls and leaders, the youngsters in most instances having won scholarships by their work in the various clubs.

Mrs. D. Wilson will chaperone for those going by the school bus. Those going from here, with the scholarships won, will be, Jean Renick, state fair scholarship; Nina Mathews, county druggists' scholarship; Elizabeth Rutherford, school fair scholarship; Betty Slusher, Wasco Warehouse & Milling company scholarship; Harry Rutherford, Kiwanis club scholarship.

Others going to Corvallis will be Alta Chastain, Allene Wilson, Lena Turner, Jim Slusher, Theodore Kirsch, Henry Wilson.

Shearing in Progress

The Fargher flocks have been sheared and the shearers who performed there have gone to Tony Conroy's. The Billy Hunt sheep are being sheared, this at the Hunt corral in Maupin.

Crabtree, Leaving

Job Crabtree, wife and sons, Richard and James, will leave in the morning for the Willamette Valley. Just where they will locate is as yet undecided but it will be some place where Job can get work at a trade and where the climate is conducive to the better health of the youngest son.

On Vacation

Miss Clayre Semmes, who has been laid up with rheumatism for several months, left this morning for Battle Ground, Washington, accompanying Mrs. Jessiline Morrison and daughter, with whom Miss Semmes will remain for a time. She goes in the hope that a change of climate will be a contributing agency to a cure of her ailment.

Procured Marriage License

A young couple of Shady Brook district visited the county clerk's office last Saturday and were given a license to marry. They were Guy H. Taylor and Miss Sophia Balzer, daughter of Gus Balzer, a prominent resident and enthusiastic member of the grange at Shady Brook.

Maupin Movie House Changes Managers

Idaho Man Takes Over Matthews Machines and Circuit

G. Miles Michael, an experienced showman from Wesler, Idaho, has purchased the projecting machines and picture circuit of Jud Matthews and beginning next Sunday night will show regularly in Maupin. Mr. Michael says he will show only the best pictures obtainable and will make his prices conform to those charged by the distributing houses for the films. He has been in the show game a number of years, knows what people like in pictures and will make an effort to procure only such as will meet with the approval of all patrons. Mr. Michael's circuit will take in the towns of Maupin, Grass Valley, Madras, Dufur, Moro and Wasco. As soon as he can procure living quarters the Michaels will come to Maupin and will make this place his headquarters.

"THE HOUSE OF SHAME," SUN.

Heart of Domestic Infelicity Laid Bare in Intense Drama

Opening the show season in Maupin Manager Michael will show one of the most vivid dramas of high life—"The House of Shame." This story is one that lays bare the many failings and fallings of the upper ten and correctly portrays the hypnotic influence of rouses in the accomplishment of their desires to subdue and win to themselves the daughters and wives of others.

The picture shows the far-reaching results of minor indiscretions which, like a snowball rolling down hill, gathers force as it progresses and culminates in a spreading avalanche spreading havoc and ruin.

Virginia Brown Faire, Creighton Hale, Lloyd Whitlock and Florence Dudley make up the lead of the cast and has been admirably handled and screened by leading scenarists and directors. Sunday, June 8, at Legion hall.

MRS. ANDREW McCABE

Mrs. Andrew McCabe, of Tygh Valley for many years, passed away at the McCabe home on Monday, being 71 years of age. Death was caused by ailments incident to advanced age. The body was taken to the Crandall Undertaking parlors and there prepared for burial.

Funeral services were held at the Odd Fellows hall, Tygh Valley, yesterday with interment in the Kelly cemetery. Rev. Clark M. Smith preached the funeral sermon.

Mrs. McCabe, born Cook, first saw the light of day of Seneca, Kansas. Leaving to mourn her demise are the husband, three sisters, Mrs. Dolly Johnson, Maupin, Mrs. H. E. Jesse, Los Angeles, California, Mrs. Effie Rice, Spokane, Washington; and three brothers, B. H. Cook, Fairview, Oregon, F. C. Cook, Los Angeles, and James Cook, Shearers Bridge.

Mrs. McCabe had many friends in and about Maupin, each of whom will learn with regret her passing from this life. Quite a number from this section attended the obsequies at Tygh Valley and accompanied the remains to the cemetery.

Building Office Room

Cecil Woodcock and Cliff Allen are busy excavating for an office and warehouse building on Cecil's lot next The Times office. The building will be frame construction, 25x30 feet in size and will be used as headquarters for the Maupin Power company and the Eastern Oregon Milling company.

Garage Nearly Completed

The forms are all down, the roof on and now workmen are completing the interior finishing of the new Richmond garage. As soon as window frames are built, the windows in and floor leveled a concrete covering will be laid for a permanent floor.

High Mass at Church

High mass will be celebrated at Sacred Heart Catholic church on Sunday, June 15, being sung by Rev. Father Casey of The Dalles. Services at 10:30 a. m., with special singing by a mixed choir.

DAIRY ASSOCIATION GETS MARKET LOANS

Coast Milk Producers Granted Loans to Assist Them in Marketing

The Federal Farm Board last Thursday announced tentative approval of the following applications for loans:

1. The United Dairymen's association, Seattle Washington, a loan of \$900,000 for effective merchandising and the acquirement of additional physical facilities needed in the marketing of the dairy products of members.

2. The Challenge Cream and Butter association, Los Angeles, California, a loan of \$450,000 for effective merchandising and acquirement of additional physical facilities needed in the marketing of the dairy products of members.

These associations and the Lower Columbia Cooperative Dairy association, Astoria, Oregon, which was granted a loan by the Farm Board in January, include in their present membership practically all of the dairy cooperatives in the states west of the Rocky mountains and will admit on equitable terms new associations that are qualified cooperatives.

This is another step in the Federal Farm Board's program of assisting existing cooperatives; in the distribution of dairy products under the provisions of the Agricultural Marketing Act. Through these marketing agencies there is insured an even flow of cooperative milk products to the markets of the West Coast states and a proper distribution of any surplus in the east thru the regional association of Land O' Lakes Creameries, Inc., Minneapolis, Minnesota.

SHATTUCKS SHOW MONARCH

Shattucks Will Stage Three-Day Showing of Popular Stove

Shattuck Brothers' store will be headquarters for a showing of the well known Monarch ranges, the show to open on Monday and continue up to and including Wednesday.

The Monarch is all the name implies and has been at the head of ranges manufacture for many years. All the latest innovations in range manufacture have been included in the Monarch. As an added incentive to the purchase of a Monarch, Shattucks will give a set of fine silver cutlery or, if you would rather have them, a set of fine chinaware.

Read the ad on back page of this issue of The Times, then accept the invitation to call at the store and witness the demonstration, which will be conducted by a factory representative.

Klamath Falls—Langell Valley Oil company, capitalized at \$250,000, filed article of incorporation.

4-H CLUB MEMBERS TO LEAVE FOR O. S. C.

700 Boys and Girls Expected With Leaders at Annual Gathering on June 9-21

With notable speakers lined up for them, ranging from O. M. Plummer, manager of the Pacific International Livestock Exposition, to Governor A. W. Norblad, delegates to the 1930 4-H club summer session at Oregon State college June 9-21 are assured of two weeks of sparkling activity that will fill their memory books as well as their minds.

More than 700 boys and girls, together with leaders, are expected for the session this year, reports H. Seymour, state club leader, who will again be in personal charge of the session after a year's leave of absence.

Among the special days already arranged which will effect the program of activities are "O. M. Plummer Day," "National Flag Day," "State Fair Board Day," "Governor's Day," and "School Day," when Superintendent C. A. Howard will speak.

INVESTMENTS IN OREGON OVER MILLION DOLLARS

265 Families, Locate in This State First Five Months of 1930; More Will Follow

Investments made by new families locating in Oregon and buying land, equipment and household goods during the first five months of 1930 passed the million dollars mark, according to the monthly report just issued by the state chamber of commerce. Total families numbered 265 and investments amounted to \$1,057,534. Land sales have amounted, the total being 48,768 acres during the period. During this same time 919 families wrote to the state chamber and said they had decided to come to Oregon and locate this year and they indicated they would have \$2,939,070 for investment purposes.

Conducted Land Contest

John Gavin and wife and Mr. and Mrs. Chas S. Logan, all of The Dalles, were in Maupin yesterday afternoon on their way home from Monument, where Mr. Gavin acted as attorney in a land contest notice. Mrs. Logan was along as court reporter in the case.

Prevent that first blistering sunburn by using Pyrol Saniptic Lotion or Hind's Honey and Almond Cream. All for sale at the Maupin Drug Store.

Do you know the name of the food which cooks out loud? Popcorn. The good popcorn which emits a rollicking, peppy noise as its hard, golden kernels explode and turn into snowy blossoms under the influence of heat.

Guaranteed to Pop

Does someone say gloomily, "not always"? The comment is now unnecessary. In the past, when it wasn't clearly understood that the water content of popcorn determined its popping proclivities, the corn sometimes only made a sad fizz. But today, popcorn is shelled and then dried to the point where it contains exactly enough water so that when it is heated the liquid will turn to steam and turn the popcorn wrong side out. Then, to be sure that the corn will always keep that water content, the grains are hermetically sealed in tin cans and sent to market. In this way the sellers and the buyers both know that the popcorn in the tin cans will really pop.

The standard method of preparing popcorn is to pop it in one of the commercial poppers then pour salt and melted butter over it, mixing thoroughly, and then eat it. Popcorn balls are easy to make and universally good. To make them, prepare five quarts of popcorn and salt it. Boil one-half cup butter, three cups sugar, one cup corn syrup and one cup of water until it is brittle when tested in cold water (270°). Pour syrup over popcorn, stirring constantly, and when cool enough to handle, mold the popcorn into balls.
