## Resh & Co.'s Killing House Rated Third In Eastern Ore.

Resh & Co.'s Plant Inspected and High Marking Given by State Inspector

State Inspector Wm. Doby gave the Resh & Co. slaughter house a through going over Tuesday. He went into every nook and cranny of the plant and marked each particular part according to state requirements.

When the totals were computed Mr. Doby turned in a grade of 92 per cent, which is as near perfect as could be, the only factor lacking a 100 per cent grade being the absence of a cooling system.

Mr. Resh has put in a lot of hard work to bring his plant up to standard, and that his grade approaches

a nearly perfect standing speaks volumes for the attention and care given all details of the slaughter house. Mr. Doby stated that the Resh plant was the third best in Eastern Oregon; that the installation of a cooling system would make it perfect and that the water system, floors, corrals and general arrangement of the plant were much better than those of a majority of the killing plants on the coast.

The inspector's report should set at rest any rumors that the meat purveyed by the Resh market are not what they should be, for when a state inspector goes through a plant he makes a most careful inspection, his reports showing just what would be necessary to bring same up to state requirements.

## MAUPIN DRUG CLERK MARRIED AT THE DALLES

Addie Wray and Miss Adelaide White Joined in Wedlock at Noon Monday

Addie H. Wray, well known and popular drug clerk at the Maupin drug store, stole a march on friends Monday, went to The Dalles and there was united in marriage with Miss Adelaide White, a former teacher in The Dalles schools. Tuesday's Chronicle gives the following account of the wedding as well as the future intentions of the young couple:

In the presence of immediate relatives, Miss Adelaide White, daughter of Mr. and Mrs. M. M. White of Los Angeles, became the bride of Addie H. Wray, son of Mr. and Mrs. H. E. Wray of Maupin, at a ceremony performed by Rev. Joseph Knotts at 12 o'clock, noon, yesterday at the home of the bride's sister and brother-in-law, Mr. and Mrs. Scott Callihan, 300 Webster street.

The bride wore a printed chiffon gown and carried a bouquet of sweet peans. The couple was attended by Mr. and Mrs. Callihan. They will spend a week at the beach, after which they will be at home at Maupin where Mr. Wray is employed as a druggist. He is a graduate of Oregon State College.

The bride has been employed here in the high school as English teacher for the last four year. She is a graduate of the University of Oregon. Those who witnessed the ceremony were Mrs. H. E. Wray and daughter, Miss Maggie Wray, of Maupin, and Mrs. M. M. White and son, Roland White, of Los Angeles.

## FOREST FIRES STILL RAGE

Large Areas About Bend Burn With Renewed Vigor

Messages to the daily papers from the Bend section state that forest fires are burning in the Shevlin-Hixon holdings, covering 4000 acres of fine timber land. About Mt. Washington 1500 acres of timber are on fire, and 1000 acres between Davis Lake and Odell have been controlled, fire fighters have been on the line for several days, and with the help of forest fire equipment have succeeded in confining most fires to a smaller area than was possible without the means to combat same.

Humidity is reported as being excessive and the fire hazard will continue until there is a change in the weather.

## Working on New Road

Burnett & Mitchell, builders of the new cut-off road, have a large crew of men at work near the top of the Maupin grade on the old Bob Muir place. About 60 horses are employed hauling fresno scrapers and the firm is making good headway with the work. When completed the road will be 7.1 miles in length, and the contractors expect to complete it this season.

## APPRECIATION

I wish to thank the many friends of the Oregon Bakery for their kind reception of Dixie Bread. It will be my endeavor to give our customers the very best in the bread and pastry line, and will appreciate your continued patronage.

C. E. FOSTER, Proprietor Cascade Bakery.

## ANNUAL PICNIC HELD BY DRIVER BOYS AND FRIENDS

Sunday Spent at Swim With 250 Wamicitis Present—Many From Here Attend

Last Sunday witnessed the fourth annual gathering of the Driver brothers and many friends from Wamic, who gathered at Swim and spent the day picnicking at that resort. Fully 250 people were there and each enjoyed the day in divers ways.

The annual affair was inaugurated by the Drivers, there being six living, their idea being to assemble together at least once each year. In ages the Driver brothers range from 83 years down to 71 years, as follows: Ike Driver, 83 years; Thomas, 81; Edward, 77; Frank, 75; Bruce, 75 and Henry, 71 years of age. Thomas Driver lives in the Hawaiian Islands and makes it a point to attend each yearly gathering of his clan. Henry Driver is a resident of Modesto, California. Thomas Driver's son, Marion, prosecuting attorney of Yakima county, Washington, with his family, drove over from Toppenish and took in the picnic, returning the same day.

Among those present at the gathering were the following from Maupin: Dr. W. A. Short and wife, Jesse Crabtree and wife, Ernest Kramer and wife, Louis Mayhew, Cecil Woodcock and John McCorkle.

Dr. Short took pictures of the Driver brothers, and that, with a history of the members of the family's Portland Journal, that paper will appear in the coming Sun having had a representative at the picnic.

## VISITED BY CANADIAN FRIEND

Mrs. E. W. Griffin Meets Old-Time Acquaintance

Mr. and Mrs. E. W. Griffin were agreeably surprised last Friday when A. A. McDonald, of the Direct Sales office of Portland, accompanied by Rev. Father O'D Hynes called at their home. Mrs. Griffin and Mr. McDonald lived in the same place—Glengarry, Ontario, Canada and while here the two spent a few happy hours reminiscing about happenings in their former home in the Canadian province.

## Watch Repairing

Expert watch repairing—quick service, reasonable prices, at the Maupin Drug Store.

## CHARTERS READY TO BE GIVEN COUNTY 4-H CLUBS

Pig and Sheep Clubs Will Get Recognition at Next Meetings

The 4-H club charters for the Wild West Sheep club at Tygh Valley and Marion Neal's Pig club, Columbia community, have been received by the county agent and will be presented to their clubs at their next regular meeting.

The charters show that these clubs have been properly enrolled and that they have made their programs of work for their ten regular meetings which must be held through the club year.

These charters were awarded by the United States Department of Agriculture, the Oregon State College, and the State Department of Education cooperating.

They are signed by Arthur M. Hyde, secretary of agriculture, C. A. Howard, state superintendent of public instruction, Paul V. Maris, director of extension at Oregon State college, and H. C. Seymour, state club leader.

## IN MEMORIAM

Our Father has, in His infinite wisdom, seen fit to take from us our dearly loved brother, Archie H. Lucore, who departed this life July 4, 1930.

Whereas, in the death of brother Lucore his wife lost a loving husband, the community a highly respected man, loved by all whose good fortune it was to know him, and as Wapinitia lodge No. 209, I. O. O. F., has by his death lost one of its most esteemed members; therefore,

Be it resolved, that we extend to his wife and family our heartfelt sympathy in the loss of one nearest and dearest to them, whose place in their lives can never be filled.

Resolved, that a copy of the resolutions be spread in full upon our records, a copy sent to The Maupin Times, and that our charter be draped in mourning for thirty day in memory of him.

B. F. Turner, R. E. Wilson, F. D. Stuart, Committee.

## Fine Ginger Ale

Billy Baxter ginger ale, made of pure mineral springs water, 15 cents and 25 cents a bottle at the Maupin Drug Store.

## A Fruit Dessert for Spring

THE Queen of the May sat on her flower-decked throne. Her kingdom stretched from the old rustic bridge, under which water rippled and laughed, to the farthest gnarled apple-tree, just beginning to bud. Her throne was gay with hawthorn blossoms which joyous lads and lassies had sallied forth at early morn to gather along the country lanes. The whole village was filled with song and dance, for had they not just crowned the "fairest maiden of them all"?

## Food for Queens

But the Queen, who should have been the gladdest of the throng, was sad indeed. A problem presented itself. Only a moment before, a page bowed low before her throne, sought to learn what desire, in all the wide world, lay closest to her heart. Now cookies and chocolate drops and coconut kisses are good enough for just ordinary mortals, but Her Majesty could think of nothing fit for a queen! Around and around the May-pole decked with garlands, her courtiers danced the morris dance—faster now and faster. And more and

more puckered grew the Queen's fair brow.

Then "Halt!" came the quick command. The music stopped. The Queen lifted her sceptre.

"A Pineapple Bitterscotch Parfait—and stop on it!" All the king's horses and all the king's men and a cook wore pressed into service, and this is the recipe by which they produced.

Her Majesty's Parfait—An excellent dish for May-parties. Melt three tablespoons of butter and one and one-half cups of brown sugar in a skillet. Let the butter and sugar simmer a few minutes, but avoid burning. Add three-fourths cup of pineapple syrup from a can of crushed pineapple, and let boil to the soft-ball stage. Pour over the slightly-beaten yolks of three eggs and cook gently until thickened. Cool, then fold in the stiffly-beaten egg whites, one and one-half cups of heavy cream, whipped, and one and one-half cups of crushed pineapple. Pack in individual molds or in paper cones and pack in salt and ice for four hours. This made sufficient for the Queen and seven courtiers.

## Dufur Dispatch Compliments Maupin on Trunk Line Ry.

D. C. Evans, Dufur Dispatch Man Congratulates Our Town in Nice Manner

D. C. (Chap) Evans, who is the chief quill pusher on the rehabilitated Dufur Dispatch, in last week's issue says some mighty nice things about our city. Instead of showing jealousy Chap congratulates Maupin because this city will soon be on a trunk railroad line, and predicts great things for us. His article follows:

We hasten to congratulate our sister city of Maupin on its future as a main line town. With the extension of the Great Northern into California an assured fact, the Deschutes branch is destined to become a trunk road with trains of luxury operating over the line on daily schedules. Not only will Maupin be the gainer through the new transcontinental route, but the entire territory of central Oregon.

Travelers from the east, speeding along the winding banks of the Deschutes will become enamored with a before undiscovered fishing paradise than which there is no better in the world. Modern hotels will spring up at the many lake re-

sorts and California will be hard put to get her intended visitors through to their original destinations. Manufacturers and industrial engineers will gaze aghast from the car windows at the vast potential energy that is going to waste in the rocky canyon and straightway begin to plan for its utilization. Town, possibly cities, will grow where now is only wilderness. As in days of old, prosperity will follow in the wake of the railroad.

The new road will add greatly to the efficiency of mail service in this part of the state. In Dufur, California mail will be received from 12 to 20 hours sooner. Where now it is diverted from Klamath Falls to Eugene and Portland, thence to The Dalles, it will come direct to Maupin, only an hour's distance from Dufur.

Individually, Maupin will be the only town in Wasco county to profit directly through the new road. Far be it from us to begrudge her the good fortune. Rather, we congratulate our friends on the Deschutes most heartily. And in all probability we will be seeing them often when we drive to Maupin to catch the flyer for Los Angeles and points south.

## REBEKAHS REMEMBER MEMBER'S BIRTHDAY

Mrs. W. H. Staats Surprised on Occasion of Her Natal Anniversary

Some few years ago Saturday July 12, Mrs. W. H. Staats first saw the light of day. For years she has been a factor on this earth, a goodly portion of that time having been lived in Oregon.

To commemorate the day several members of the local Rebekah lodge, of which Mrs. Staats is a valued participant, arranged a surprise party. Mr. Staats was asked to attend the meeting of Odd Fellows and during his absence the residence was invaded by ladies, each of whom bore a well filled basket of eatables.

Mrs. Staats was greatly surprised but proceeded to make the visitors feel at home. After several hours spent in reminiscent conversation and after a fine luncheon has been disposed of the company departed, each wishing Mrs. Staats many happy returns of the day. During the evening the lady honored was given several tokens of esteem by her visiting sisters.

Those present were Mesdames D. L. Rutherford and daughter, Elizabeth, T. B. Slusher, James Chalmers, Virgil Mayhew, Lottie Miller, O. P. Weberg, L. S. Stovall, W. A. Short, and H. R. Kaiser.

## PICTURE OF OLD BALL TEAM

Enlargement Made of Snap Shot Taken 10 Years Ago

Recently Dr. L. S. Stovall received an enlarged picture, made from a snap shot taken by Dr. Duke 10 years ago and which shows the members of Maupin's then unbeatable baseball team. Dr. Stovall was manager of the team at the time the picture was taken. Dr. Duke evidently handed the small snap shot to the Aitken Photograph company, to which firm Dr. Stovall sends his films for finishing, and that firm forwarded the enlargement to the doctor.

Those on the team as shown were, George Morris, Bill Miller, Ernest Confer, Art Morris, Roy (Skinner) Morrow, Leonard Chastain, Oscar Renick, Howard Nye and Andrew Cunningham. Estel Stovall was mascot at the time and he is shown surrounded by bat bags and other baseball paraphernalia in front of the rest of the team. Glen Morris also was a member of the team but is not shown, although his shadow is discernable, the shot having been taken just before he lined up with the others.

## Quarterly Conference Held

Rev. Pontius, superintendent for the United Brethren church, presided at the quarterly conference held in the Maupin church last night. Reports from the various departments of the church were read. They showed the church to be in a fairly prosperous condition.

## DALLES LEADING FURNITURE STORE GREATLY BENEFITED

Complete Overhauling of Interior Makes for Better Quarters for J. R. Docherty

For the past fortnight carpenters and painters have been at work on the renovation of the J. R. Docherty furniture store. When The Times man visited that establishment on Tuesday he was surprised at the many changes, each for the better, that had been made.

The main floor has been added to by the removal of two rear partitions, thus giving added space to that floor, it now containing better than 4000 square feet of room. The stairway has been changed from the center of the room to the south side, the office being removed from the balcony to the lower floor, the space it formerly occupied being set aside for goods. The balconies have been ceiled and painted, the whole floor covered with linoleum, the windows brightened and the whole interior given a coat of paint.

The company maintains a store room 50x50 at the rear of the main store. Here are stored surplus goods and there room is provided for setting up such furniture which comes in a knocked-down condition.

New goods are arriving daily, they being of the latest concepts in the furniture and home decorating lines. With the completion of the work of rearranging the interior of the store the J. R. Docherty Furniture company will have the best furniture store in Eastern Oregon. The plan of the company in extending dignified credit, also the fact that goods are delivered free, makes for a continued trade as well as bringing in many new and steady customers. The prices at which that firm sell goods are a contributing factor in the steady increase in the number of patrons of the store, and each sale is made by courteous clerks who know the business from the ground up and whose treatment of all who come to the store brightens the already envied reputation it has attained.

The personnel of the officers and clerks of the J. R. Docherty Furniture company is:

A. Stipe, president and general manager, Bend.  
J. R. Docherty, resident manager.  
John Young, assistant manager.  
Fred Smith, Frank Bender and Harold Hansen, clerks.  
Miss Minnie Weigelt, Lookkeeper.  
Miss Violet Cronel, assistant bookkeeper.

## Having Good Time

In a card to his daughter, Mrs. Oliver Resh, "Bill" Williams, who, with his wife, is on a vacation and spending the time in the Willametta Valley, says they are "having the time of their lives." He wrote from Newberg, and said they had spent three days in Portland with relatives. They expect to go to the coast some time this week.
