The Oldest Living Twins.
Publication of an item from Washington, Pa., regarding twins 81 years old has brought out the fact that Freeport, Pa., leads by several years. Dr. Charles B. Gillespie and his sister, Miss Mary Gillespie, are twins, and were born in October, 1820, thus being 84 years old. Dr. Gillespie has practiced medicine for nearly half a century. He was captain of Company F, Seventy-eighth Pennsylvania regiment, and served throughout the civil war. Freeport has been the home of the twins since the close of the rebellion. It is believed they are the oldest living twins in the United States.

"I suppose I ought to have done it," said Mr. Boodelle, grinding his teeth, "but I couldn't recall the eighth commandment to save my life!"—Chicago Tribune.
