\$200 GOLD GIVEN AWAY

Oregon Water Power Townsite Company Will Give This Amount for Ads

We will give \$200 to the persons who write the most appropriate advertisement for the sale of lots at City View Park. Four advertisements will be used each week, which will appear in the two evening papers on Monday and Saturday evenings, and which will be selected from the advertisements received. Those appearing in the papers will be eligible to the contest, which will entitle the winner to the following prizes: First prize, \$100; second prize, \$50; third, fourth, fifth, sixth and seventh prizes, \$10 each. This contest closes on Saturday July 1, 1905, on the evening of which day the awarding of prizes will take place at Estacada. All contestants whose advertisements have appeared in the papers will receive free round-trip transportation to Estacada, where a dinner will be served free prior to the awarding of the prizes.

We are prepared to receive advertising matter from this date. Display advertisements not to exceed 20 inches, reading notices not to exceed 50 lines. All competitors should see City View Park in order to qualify themselves for writing advertisements for this beautiful suburb. Three leading authorities on advertising will be chosen as judges; their names will be announced later. Parties must write their names and addresses plainly, and address all communications to the Oregon Water Power Townsite Company, 134 First street Portland.

Clackamas county teachers are expected to place the work for the educational exhibit at the Lewis & Clark fair in the hands of the committee not later than April 20.
