A NEW PARTNERSHIP

Mr. H. H. Eyman, of Cazadero, has purchased a half interest in the furniture and undertaking business of H. Cooper, and he will take an active part in the business at once. Mr. Eyman was one of the first to identify himself with the young city of Estacada, and he now owns two lots and a residence on Currin St. He is a successful merchant and an experienced undertaker, and has always born a reputation for square and honest dealing. At present he is manager of Reed & Barr's store at Cazadero, and postmaster at that place. We believe the new firm will do a good business.
