DUE TO THE LAND FRAUD CASES

Hearing of Cases Occupied All His
Time Since Last November—
Mitchell Case the Climax.

Portland, May 13. — United States
District Judge Charles B. Bellinger
surrendered in his long struggle for
life yesterday afternoon and passed
peacefully away at 3:45 o'clock, sur-
rounded by the members of his family
and a few of his most intimate and
long-time friends.

The outcome was expected and the
family had been waiting for the worst
during all of the day. The judge
passed a restless and unsatisfactory
night on Thursday and was much weak-
er when day dawned yesterday morn-
ing. During the morning he sank into
a semi-conscious condition, and as the
day lengthened into the afternoon the
stupor became more marked, until
it was impossible to rouse the patient
to consciousness.

The death of Judge Bellinger can be
traced directly to the Oregon land fraud
cases, which have filled his time from
the middle of November last. On Sun-
day, April 23, the judge worked all day
on the decision which he was to hand
down the following morning on the
Mitchell plea of abatement. He went
early to his office, and the weather be-
ing warm, worked in his shirtsleeves
until noon, when he walked home to
luncheon, returning again directly
afterwards and working until late in
the afternoon. The next day he also
worked on the decision, and Tuesday,
the day upon which it was delivered,
he awoke with a fever and feeling ill.

Judge Bellinger was born in Maquon,
Illinois, November 21, 1839, and cross-
ed the plains with his parents in 1847
and settled in Marion county. He was
a veteran of the Modoc war. In 1863
he was admitted to the bar and served
as clerk and official reporter of the Su-
preme court from 1874 to 1878. He
was judge of the Fourth district Circuit
court from 1878 to 1880, and was ap-
pointed United States District judge
for Oregon by Grover Cleveland in 1893.

Armistice in Great Strike.

Chicago, May 16.—A practical arm-
istice in the teamsters' strike was de-
clared last night, to last until the officers
of the International Brotherhood
of Teamsters meet here, either on
Wednesday or Thursday of this week.
At a meeting of the Teamsters' Joint
council held tonight to reconsider the
action of Saturday night, when it was
decided to refuse the demand of the
Teamowners' association that deliveries
be made to houses where strikes
exist, the members of the council re-
affirmed their stand.

Suspects Are Arrested.

Emporia, Kan., May 16. — Seven
men were arrested here this afternoon
by Santa Fe detectives on suspicion of
having been connected with the wreck
of train 17 yesterday. Five were re-
leased and two were held for further
investigation. All were former rail-
road men. A small boy living near the
junction testified that the two held had
been hanging around the Howard
branch tool house for the last week,
and talking about breaking in.

Two Inches of Snow in Wyoming.

Cheyenne, May 11. — Southwestern
Wyoming is covered with a heavy snow
after the storm of yesterday and last
night. The snow is over two inches
deep on the level.

WILL OPEN FAIR.

Vice President Coming to Portland as
Representative of President.

Washington, May 15.—Vice Presi-
dent Fairbanks intended to leave for
his Indiana home last night to spend
the next two months with his family,
but he received word that the president
wanted to see him, and called at the
White house at 11:30 today. The
president told him of his deep interest
in the Lewis and Clark exposition and
his regret that he himself could not
attend the opening of it. He said,
however, that the administration
should be represented, and to his mind
nothing would be more appropriate
than that the second official of the na-
tion should represent the president on
that occasion. Mr. Fairbanks prompt-
ly fell in with the president's sugges-
tion, and expressed his thorough will-
ingness to go to Portland, and has now
changed his plans so as to reach Port-
land the last week in May. He and
Mrs. Fairbanks will be present and
participate in the opening ceremonies.
The vice president will make the prin-
cipal speech of the occasion.

Being unable to get to Portland either
at the opening of the exposition or later
in the summer, the president has ac-
cepted the invitation extended to him
by President Goode to press the button
which will be the signal for the formal
opening of the exposition, at 1 o'clock
on the afternoon of June 1—that is, 1
o'clock Portland time, 4 o'clock Wash-
ington time. A special through tele-
graph wire will be run from the East
room of the White house into the ex-
position grounds at Portland. At the
Washington end will be the same gold
key which President Roosevelt used to
open the St. Louis exposition last year,
and which former presidents used to
open the Chicago, Buffalo and other
expositions of times past.

FIGHTING MOROS.

**American Troops Slay 300 Members
of Outlaw Band.**

Manila, May 16. — Fierce fighting
has been going on the last few weeks
on the island of Jolo, between the out-
law chief Pala, with 600 well armed
followers, and troops under the per-
sonal command of Major General Leon-
ard Wood. Pala's losses thus far are
300 killed, while those of General
Wood are seven killed and 19 wounded.
Pala and his remaining followers, in
accordance with Moro tradition, prefer
death to capture.

Pala was a noted slave trader and
warrior when the Americans occupied
the islands. Later he escaped with his
followers to the island of Pula Sekar,
near Borneo. One of Pala's leaders de-
serted and took refuge on the British
settlement at Lahad. Pala, discover-
ing his whereabouts, landed with a fol-
lowing and demanded of the British
magistrate that he turn the deserter
over to him. The demand was not
complied with, and Pala ordered a
massacre. Twenty-five persons, includ-
ing several British, were killed.

Still in French Waters.

London, May 10.—There is no furth-
er news of the whereabouts of the fleets
of Admirals Rotestvensky and Nebogat-
off and the dispatches wired from Paris
to the effect that they have left French
waters are not credited here. That
they joined in French waters is certain
and that they are still there is likewise
a palpable fact. That they are to move
northward may be so, but it is not be-
cause France demands it, but rather be-
cause the Russian commanders feel that
the time has come to risk everything on
a desperate move.

Shake-Up Among Gotham Police.

New York, May 10. — The most ex-
tensive shake-up in the New York po-
lice department in years took place to-
day, when Commissioner McAdoo an-
nounced the retirement of two inspec-
tors, ten captains and 45 sergeants on
the ground of physical disability.

OKLAHOMA TORNADO

**Demolishes Town of Snyder, Kill-
ing Many Inhabitants.**

HALF OF THE POPULATION GONE

**Came at Night When People Were
Asleep—Five Hundred Dead
and Injured.**

Oklahoma City, May 11.—Telephone
reports from Hobart, Okla., indicate that
the entire town of Snyder, O. T., was
destroyed by a tornado. A train of
doctors, nurses and other assistants is
said to have left Hobart for Snyder.

The wires are reported down between
Snyder and other neighboring towns
and all communication is being re-
ceived from Hobart.

Hundreds Dead and Injured.

Guthrie, O. T., May 11. — Late re-
ports from Hobart, Okla., and Chicka-
saw, I. T., place the number of dead
and injured in the tornado at Snyder,
Okla., at 500.

The storm broke over the town at 11
o'clock at night, completely demolish-
ing it, as near as reports can be ob-
tained. The first news of the disaster
was received at Hobart, by telephone,
giving a bald statement of the tornado's
having struck the town. The wires,
both telegraph and telephone, then
went down and no further news has
been obtained directly from Snyder.

It is now impossible to reach Law-
ton, the nearest town to Snyder, and
all the telegraphic communications are
reported down between that place and
Snyder.

Rescue trains have been started from
Hobart and Chickasaw, which will ar-
rive at Snyder this morning.

GOMEZ CUBA'S PRESIDENT.

**Liberals and Moderates Will Hold
Nominating Conventions.**

Havana, May 15.—The national nom-
inating convention of the New Liberal
party will open tonight.

All indications point to the nomina-
tion for the presidency of Cuba of Jose
Miguel Gomez, who was appointed gov-
ernor of Santa Clara province by the
government of intervention and after-
ward was elected to that position. The
convention will be made up of 150
delegates, of whom 90 will be Nation-
alists, Maximo Gomez having posi-
tively refused to be a candidate, the
only other prominent person mentioned
is Governor Nunez of Havana province.

The Moderates will shortly hold a
convention to nominate President Pal-
ma by acclamation for the presidency
and Mendez Capote, former president
of the senate, for the vice presidency.
The election will take place in Decem-
ber.

Kansas Not Quite Dry.

Topeka, Kan., May 15.—Special re-
ports have been received from 42 Kan-
sas counties regarding the enforcement
of the prohibitory law. Of these 19
report the existence of licensed saloons.
Over 480 saloons in Kansas are paying
licenses to the different city govern-
ments. The information has been
placed before Governor Hoch to form a
basis for his coming order to close
all liquor selling enterprises in the
state.

Valuable Relics of Pompeii Found.

Rome, May 15. — Excavations near
Pompeii have resulted in the finding of
a human skeleton and nearby four solid
gold bracelets of beautiful design and
set with emeralds, a pair of pearl ear
rings, two golden necklaces set with
pearls and emeralds, and two emerald
rings. The articles of jewelry, being
from the Pompeian epoch, are of great
artistic value.
