New Church Building

The foundation and much of the frame and other work has already been done on the new church at the corner of Main and Sixth streets. This is Rev. H. E. Stubbs' church and is the Gospel Workers' property. The edifice is 24x40 with 14ft. sides. At the front is to be an entry 8x10. T. A. Miller has the overseeing of the work. Quite a number have promised aid either in money or work towards building this church, and it will not be long before Estacada people can attend services conducted in a church.

Currinsville.

Paul M. Kirchem, of Logan, attended the picnic and dance at Barton Saturday, and he was also the guest of his relatives, J. P. Stienman's.

Mr. and Mrs. Duus have returned after three days spent at the Fair.

Currinsville school will begin the first Monday of October

Some of the hoppers from this place came home Friday after three weeks in the hop fields.

Carl Duus has returned from Eastern Oregon.

The picnic and dance given at Barton by Eagle Creek range No.

297, last Saturday proved to be a decided success considering so many people are busy digging potatoes, and others not yet returned from the hop fields. Everybody in attendance seemed to have a good time and are loud in praise of the chicken dinner that was served free gratis to which everybody did justice.

School Has Begun

The fall term of the city school opened Monday. The Odd Fellow hall and the old school house are being used. Prof. Surface has the higher grades in the latter place and Mrs. Surface with the primary department occupy the hall. The attendance is much greater than that of last year. So far 65 pupils have enrolled, and there are yet about 15 who have not started. When all come the city's school capacity will be taxed to its limits. Everything indicates a very successful school year's work.

"Father, you were born in California, you say?"

"Yes, my son."

"And mother was born in New York?"

"Yes."

"And I was born in Indiana?"

"Yes, my boy."

"Well, father, dont it beat the Dutch how we all got together?"

Same old mud, same old sunshine same old climate that makes Oregon dear to all our hearts.
