mixed.

Rhymes of the Season. the summer time has ended and the saucy autumn breeze to toying with the leaves on all the brilliant colored trees, 'tis then the heart's grow lighter

and the spirits start to rise, When the frost is on the pumpkin and the pumpkin's in the pies,

When the days are growing shorter and the birds have gone away,

And the corn is growing riper in the fields from day to day, There's a rosy glow pervading all the

hazy autumn skies, When the frost is on the pumpkin and

the pumpkin's in the pies. When the hammocks have been put

away and open cars are gone, And you never see a tennis player chas-ing on the lawn,

When the college people gather and you hear the football cries,

Then the frost is on the pumpkin and the pumpkin's in the pies.

summer days could give, But since the autumn days have started,

then you know 'tis joy to live, As your mouth begins to water, and there's gladness in your eyes,

When the frost is on the pumpkin and the pumpkin's in the pies. --Chicago Chronicle.

Made of Ebony.

A Massachusetts gentleman met a colored man who had recently worked for him, and into whose family, says the Boston Herald, a girl baby had come shortly before.

"What have you named her?" asked gives peeps into many doors where Mr. Green, on being told by the father lozens of workmen do nothing year of the addition to his family. in and year out but make false faces. "Dat's what we can't 'dde on.' The output must be sufficient to enathe reply. "I wants her name Clara

and my old woman wants it Nettie." "Well, then," suggested Mr. Green, Thanksgiving and a few other fete "why don't you call her Clarinet?" days masks are in demand, but the
