The city dads convened in regu-
lar session Tuesday evening at the
city's council chamber and cleaned
the docket of considerable business.

The unexpired term of M. C. Ad-
kin's liquor license was transferred
to M. Padoshek, Mr. Adkin's suc-
cessor in business. Bonds of the
two saloon men were presented, and
placed on file.

The committee appointed to se-
cure right of way for the water pipes
from T. Yocum's farm to the reser-
voir was given blanks for that pur-
pose and the committee will proceed
at once to get the consent from
those over whose land the pipes will
run to grant right of way to the city
of Estacada. The farms affected
are those of T. Yocum, D. F. War-
ner, D. Bridenstine, W. Stubbe, V.
Lingelbaugh and O. W. P. Town-
site Co.

Applications have been made to
the council by J. F. Lovelace and
T. J. Andreof for the privilege of put-
ting in and operating a public
weighing scales somewhere on the
streets of the city. On a motion
the council designated as a site for
such a scales, a place on the south
side of Second street midway be-
tween Main and Broadway. The
granting of the privilege to any one
person was evaded, but there was
an implied understanding that the
first man on the grounds with a
proper scales would be it.

The removal of the scales from
this point will be subject to the
wish city council.

Why don't we hear oftener from

in each of these places who takes
enough interest in his or her com-
munity to send in news items every
week to the Estacada News. The
Editor has offered to furnish sta-
tionary and stamps to correspond-
ents from each neighborhood. I am
sure we are all proud of The
Estacada News and want to see it
succeed, but we ought to be willing
to do our part. Isn't this true, Mr.
Editor?

with all the luxuries of modern life,
if you will just let me have land en-
ough to raise a good crop of car-
rots each year, as I take them as a
tonic for my complexion. I am used
to a southern climate but could ad-
apt myself to any kind of one. I
refer you to any one who doesn't
know me.
