A Habit to be Encouraged The mother who has acquired the habit of keeping on hand a bottle of Chamberlain's Cough Rmedy, saves herself a great mount of uneasiness and anxiety. Colds, coughs and croupe, to which children are susceptible are quickly cured by its use. It counteracts any tendency of a cold to result in pneumonia, and if given as soon as the first symptoms of croup appear, it will prevent the attack. This remedy contains nothing injurious and mothers give it to little ones with a feeling of perect security. Sold by Estacrda drug store

Register and tell your politics, so that you can vote at the nominating primaries. The great intention of the new law is to give the people the power to make their own nominations, but if the people do not register they can not help to nomnate. The law requires one to register his politics, and to vote accordingly at the primary, but at general election he is allowed to vote for whomever he may choose.

Some Reasons Why F. J. Harkenrider Should Be Elected County Commissioner
