Best Way to Plaw

Performing Enpleasant Duties. "The very next time you have som re off a head and on each end of the field say as wide as the thing unpleasant to do, something to ength of team and plow. Commence which you bring an unwilling mind," towing at one side of the field one-half says a writer in Harper's Bazar, "just repeat the following formula to yourblowing at one side of the field one-half and forth, turning to the right and self, and say it over and over again sliding plow on head land. When first until you believe it: "This which I land is done; mensure off another land, am doing now is what, in the circumskip it, go on and plow third land same stances, I prefer to do at this moment, above all other things. Of course, then, I enjoy it? This self-restraint, faithfully applied during dishwashing, bed-making, sweeping, dusting, house as first, then plow second land turning to left. The object is plowing the third land before second is to avoid having so many center ridges and dead furrows, as you would if you took cleaning, stocking-darning, and all the every land as it came. Keep on in this way until you get to the other side of monotonous duties of a home woman, may be relied on to bring floods of sunshine everywhere. The work is the field, then plow head lands and you done in less time, and with less frichave the field nicely plowed without tion, than ever before, an atmosphere turning square corners, tramping horses heels, lifting plow or tramping of peace and serenity pervades the whole household, the soul of the workplowed ground.

Amending It.

"You got a typewritten copy of this speech in advance, didn't you'?" asked the reporter of the party organ. "Yes," replied the reporter of the oppo-sition paper, "the speaker sent it in, even to the 'cheers' and 'applause' in parenthe-to."

too. "Well, then what are you taking down now?

"The 'cheers' and 'applause' and substi-tuting 'sneers' and 'groans.'"

Spring

The Little Doctor in vour Vest Pocket

Showing size of " Vest Pocher"

Cascaret Box compared to Watch.

CEE the thin, round-cornered little Enamel Box below! When carried in your vest pocket it 0 means Health-Insurance.

It contains Six Candy Tablets of pleasant taste, almost as pleasant as hocolate.

Each tablet is a working dose of Casarets, which acts like Exercise on the Bowels and Liver.

It will not purge, sicken, nor upset the stomach. Because it is not a "Bile driver," like Salts, Sodium, Calomel, Jalap, Senna, nor Aperient Waters.

These waste Digestive Juices of the system needed tomorrow, in merely flushing out the Bowels today.

. Neither is it like Castor Oil, Glycerine, or other Oily Laxatives that simply lubricate the Intestines for transit of

the food stopped up in them at that particall other Diseases ular time.

These emergency drugs relieve the Immediate trouble, but do not relieve its Cause.

The same trouble will therefore recur again till that Cause is removed permanently.

The chief cause of Constipation and Indigestion is a weakness of the Muscles that contract the Intestines and Bowels. Carcarets are practically to the Bowel Muscles what a Massage and Cold Bath

are to the Athletic Muscles.

Cascarets do this naturally, without purging or discomfort.

They don't help the Bowels and Liver in such a way as to make them lean upon similar assistance for the future.

This is why, with Cascarets, the dose may be lessened each succeeding time instead of increased, as it must be with all succeeding doses of other Cathartics and Lazatives. . . .

> Cascarets act like exercise. If carried in your Vest Pocket, (or carried in My Lady's Purse), and eaten just when you suspect you need one. you will never know a sick day from the ordinary ills of life.

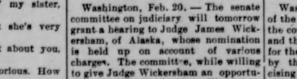

. . Because, nearly all these Ills begin in the Bowels, and partial Constipation paves the way for
