Is going to grow this coming summer more rapidly than ever before. The great Electric Power Plant, costing over \$1,000,000.00 will be completed, a large sawmill will be built, and logs will be floatad down the Clackamas from miles above. The price of property should advance with the completion of enterprises now under way, and the perfection of those already in operation.

We have some choice business and residence lots in Estacada which are good investments for anyone. Prices reasonable and terms
