## THE FOURTH IN ESTACADA

Between Five and Six Thousand People Visit the City

The elements of nature were on good behavior yesterday, and not a nicer day could have been for the people to celebrate their country's birthday. And the city was gaily decorated in appropriate style. Congratulations to the committee in charge. People began to arrive early, and by the time the exercises started the city was pretty well filled with celebrators.

The parade took place without a hitch—after the start. This part of the program was delayed on account of the band being delayed in getting out from Portland. After the parade the people assembled at the pavilion and listened to a patriotic address by Hon. Geo. C. Brownell. In the nail driving contest Mrs. J. Nicholson won the prize. The pie eating by the boys came next and George Coombs won first prize and Rollin Navotne second.

After dinner the sports took place at the race track. The 100 yard dash by the boys was won by Wm. Navotne first and Rollin Navotne second.

Ralph Wills won the 440 yard foot race and Jesse Stubbs second.

The ball game ended before it was finished, a dispute over a decision closed the game.

The races at track followed, and in the evening the fireworks. The celebration from start to finish was well conducted and enjoyed by all.
