Sleight, ELECTRIC LINE deputy clerk, \$60 a month.

MERCHANDED SCHOOL PROPERTY

Is going to grow this coming summer more rapidly than ever before. The great Electric Power Plant, costing over \$1,000,000.00 will be completed, a large sawmill will be built, and logs will be floatad down the Clackamas from miles above. The price of property should advance with the completion of enterprises now under way, and the perfection of those already in operation.

We have some choice business and residence lots in Estacada which are good investments for anyone. Prices reasonable and terms

TO MOLALLA

A news item in Monday Morning's Oregonian says: Ex-County Judge Thomas F. Ryan, Grant B. John Adams have been appointed a committee by the Oregon City B'rd of Trade to arouse public interest in and take the initiative step towards the building of an electric railway system into the rich agricultural sec tion of the county surrounding Molalla, via Beaver Creek. This organization is enthulastic in its support of such a road and will submit Dr. Smith will be at his home in Eagle the propsition to local business people, of whom subscriptions are expeeted sufficient to begin the construction.

When the building of an electric line, such as is contemplated, is be- Office at drug store - gun, the promoters of the enterprise are confident abundant funds | Corner Shafford and Fourth will be forthcoming to complete the undertaking. On an average there are hauled on the roads between this city and Molalla, the objective point of the proposed road, 200 ton of freight daily, and it is this business that is expected to be served oargon crrv,

in the building of such a line.
