REVOLT GROWING RAPIDLY.

Santigo in Rebellion-Insurgents Cor

trol Santa Clara Province. Havana, Sept. 4 .- The situation here since the insurrection broke out. News of an uprising in Santiago province, while not yet published here, is spreading about the city and causing the gravest concern. When Mr. Sleeper, the American charge d'affaires here, the American charge d'affaires here, was told the contents of an Associated Press Santiago dispatch, he endeavored to verify it through the State department, but was told it was absolutely natrue. Subsequently it was verified from private newspaper sources. The extent of the rising in Santiago is not known, but it is the opinion here that the worst calamity of all to the Palma government would be an insurrection in Eastern Cuba.

The Associated Press was informed tonight by two reliable eyewitnesses that Cardenas, which hitherto has been all the properties and Cotswold in the Associated Press was informed to night by two reliable eyewitnesses that Cardenas, which hitherto has been all the properties on a sharp coral reel was shed to deal of thoroughbred and shipped from Independence one and shipped from Independence one day last week 700 buck lambs and 20 the sasterion of K. C. Eldridge, of this place, owner of creameries at Independence, Dayton, Jefferson, Eugene and Junction City, and one of the large and Junction City, and one of the large est buyers of cream in the Willamette valley

"A large part of the prosperity of the Willamette valley has come from the mild cow," he said. "Darying beats wheatraising out of sight. And three or four years of dairying on decked cars to carry the shipment. The decked cars to carry the shipment. The lambs are Lincolnshire and Cotswold in graphical carry of the soil. A number of the farmer, is the assertion of K. C. Eldridge, of this place, owner of creameries at Independence, Dayton, Jefferson, Eugene and Junction City, and one of the large est buyers of cream in the Willamette valley

"A large part of the prosperity of the Willamette valley has come from the mild and Marion. The goats were raised by the work of the morning of the Willamette valley."

The Associated Press was informed the morning of the said. "Darying beats wheatraising out of sight. And three or four years of dairying on wheat land will double the wheat grow is the shore and south of the morning of the soi

tonight by two reliable eyewitnesses that Cardenas, which hitherto has been considered a perfectly peaceful city, was the scene yesterday of desultory fighting between police and rural guards on one side and roving insurgents on the other.

The only province remaining per-fectly peaceful is Puerto Principe.

The Associated Press correspondent at Cienfuegos telegraphed tonight that there are 3,000 armed insurgents in that vicinity and that all the small owne in Santa Clara province are con-

towns in Santa Clara province are con-trolled by insurgents, who attack and loot trains and seize the property of foreigners as well as that of Cubans. Trinidad is surrounded by insurgents, and the government appears powerless to protect the property of Americans and other foreigners. Railway trains are held up at will, and passengers searched. The Cuban Central railroad has declined to assume responsibility

has declined to assume responsibility for the safety of passengers or freight. Recruiting for government forces is making good progress here. The government continues to make fine head way wherever there is open fighting. . The troops in the western part of Pinar del Rio have not yet come up with Pine Guerrera, and, according to the Associated Press correspondent with the troops, there is no present likelihood of their doing so, as the troops might march for ten years and all the while Guerrera would be just ahead of them in the hills. There are thousands of mount ain trails with which the insurgents are familiar and shooters. The government has no cav-alry in Picar del Rio, and the only

cents brought \$6.44. At the market price of lamb, it would have brought \$10.80, which, together with the fleece, amounts to \$17.24. For breed-

GOOD FRUIT NOT COSTLY.

Small Outlay Will Eradicate Codli

Moth and Other Pests. Milwaukie - J. H. Reid, of thi place, who has made a close study of sprays for codlin moth and fruit pests, believes that wormy apples are necessary, and that it is possible for all who raise fruit to keep it free from which lead in all directions. If Guerrera cared to harass the government, its
troops could be killed offly sharpshooters. The government has po care. me figures to show that spraying is

not expensive.

Mr. Reid cites the apple orchard of real soldiers are the artillerymen, but, as they are on foot, they cannot cope with the well mounted veterans on the insurgent side.

Mr. Reid cites the apple of t There were two men employed at a cost of \$9, one team at \$6, and cost of material was \$10, making the total cost \$26. This was less than 81/4 cents per box. A great many of Mr. Levy's trees are young and not in full bearing, and for that reason the cost for spraying was larger than it would have been had the trees been in full bearing.

"In a large orchard like that of Millard O. Lownsdale, in Yamhill country."

said Mr. Reid, "the cost would be more than 4 to 6 cents per box for spraying. When the spraying is properly done the grower does not have more than eight or ten per ceat loss

Salem Has New Industry. British communities are much incensed at the Chinese attitude, Ameritory on the Pacific coast and one of cans in particular feeling great anxiety It is estimated by the Panama canal China. The Pekin police have in- fit of grinding, sifting and mixing mademand for the product already indi-The same correspondent says that the cates that the plant will have to be Chinese comissioners who have reduplicated. The factory is being operational from the signal from th ated on material shipped from the enna deposits discovered a year or two ago south of Eugene, in Lane county.

As the deposits cover an area of 62 acres to a depth of 50 feet, there is plenty of material to supply the factory

for a number of years.

Tests have proved that the Lane ounty deposits are of as high grade as demonstrated that the Oregon material can be placed upon the market in competition with the imported article.

Off for the Hop Yards. Portland-The first section of Krebs Bros.' special hoppickers' train left Portland for Independence at 9 o'clock fonday morning. There were a dozen coaches in the train, and the departure was a gala event. The bulk of the crowd, with their baggage, was taken on at the Union depot, and the remainder of them at Fourth and Stark streets another instalment of pickers will eave for the big Polk county yard later in the week. Hoppicking begins at Krebs' Bros.' Independence and Brooks yards Wednesday morning.

Epidemic of Hog Cholera. Seaside-E. K. Willard, who runs lairy on the Wauhama, reports an epi-

emic of hog cholera throughout his neighborhood. Willard had eight fine porkers that he intended to slaughter within a few days, but the cholera beat him to them. Mr. Thompson, a neigh-bor, who is also in the dairying busi-ness, has lost all his hogs, and Mr. Dawson, who lives on the Clatsop plains, has lost his entire herd from

Record-breaking Prune Crop. Record-breaking Prune Crop.
Oregon City — William X. Davis,
who owns a 20-acre prune orchard near
Carus, reports that he will have a record-breaking crop of exceptional quality this year. He says his trees are
loaded to their capacity. Mr. Davis'
trees are all of the Italian variety, he
having plowed up his acreage of petites, supplanting them with the Italians which he finds more profitable.

Large Crop of Cabbages.

LaGrande — Harvey Clark, from a 20-acre tract of mountain land, located four miles south of town, will herves 500 sacks of potatoes and 16,000 heads of cabbage, weighing from two to five pounds. His potatoes will bring \$400, and the cabbages \$800, or a total return of \$1,200 from 20 acres.

m—Unknown marauders enter the hop yard of Hing Quong, near this city, and cut all the hop vines on about an acre of ground. The hope will be of little value. FORTUNES IN DAIRYING.

Polk County Stock Brings Top-notch Prominent Willamette Valley Dairym Save "Buy Cows."

Independence-That the cow is

For breeding purposes the Polk county lambs bring fancy prices, which the butchers cannot pay, and owners of sheep are naturally turning their attention more to the raising of thoroughbred stock. The shipment included lambs from the J. B. Stump and Wilbright Stump a lambs from the J. B. Stump and William Riddell farms, already known among Eastern stockmen as producers of high grade sheep and goats.

One lamb from the Riddell farm, one year old, sheared 23 pounds, and weighed 270 pounds. The fleece at 28 contant attention every day in the cents brought \$6.44. At the market year, and for this reason some farmers are unwilling to take up with it.

"One man of my acquinatance who, \$2,500 of this price already. The other day he sold 14 six-months old hogs for \$217."

\$500,000 Claim Bonded. Ashland -- Authentic reports which the recent reputedly rich gold discovery in the Coyote hills of Lake county beyond Lakeview, state that Loftus Brothers, the original discoveres, have bonded their claims for \$500,000 to Dr. Patterson, a Tonopah mining capitalist, work opening up the mines. Under the terms of the bond, Loftus Brothers agreement, with a \$9,000 additional payment on November 1.

Construct Eagle Valley Line. Baker City-David Eccles has decidd to take in hand the construction of the Eagle Valley railroad, a project which has long been looked forward to by the peope of this place as of great importance. Mr. Eccles has bimself

announced that he will build the line and has called upon the people of Ba-ker City to assist by raising a stock subscription of \$100,000. This work has already been taken up and good

Seaside Bath House Burned. Seaside—The large bath house owne by E. N. Zeller, located on the beach near the Butterfield cottages, was totally destroyed by fire a few days ago. There was no wind, or the surrour ding cottages would have been destroyed Adjoining cottages were protected by the bucket brigade. The loss is par, tially covered by insurance.

Woodburn - Dry rust has appeared in hopyards in the vicinity of Mount Angel, where there is considerable com-plaint, and an immense amount of damage is liable to be done. This is the firs, appearance of dry rust in this It has a musty smell and ab-

solutely destroys the flavor of the hop. PORTLAND MARKETS
