lication for that week.

The next national congress will
have republican majority of 28 in
the house of representatives.

The deposits in the Estacada
banks amount to over \$40,000.00
which shows that there is some cap-
ital around here

It is said that Americans are the
only white men on earth who eat
squirrels. An Englishman would
as soon eat a rat.

The Methodist church people at
Sellwood have abolished their choir
and installed a large phonograph to
furnish the music on Sundays.

Nearly everything in the line of
stationery has risen about ten per
cent in price. This prosperity is
making business a pretty costly af-
fair.

At New Era next Saturday the
Warner grange will discuss spray-
ing fruit trees and the good of it.
Ex-judge Ryan and others will take
part in the meeting. There will be
vocal music on the program.

Eight hundred acres of land just
north of Molalla has been purchased
for speculation purposes. W. H.
Bair, of Canby, is the man making
the purchase. An effort will be
made to sell the land in small tracts.

The court has decided that the
fruit commission may destroy fruit
trees infected with San Jose scale
or codlin moth, and that the owner
can not recover damages from the
state in any amount. Such was the
decision in the Sellwood case.

It would seem to keep the ship-
builders busy replacing the vessels
that go down or, in some way, are
wrecked and destroyed. Not a day
passes, hardly, but reports come in
from somewhere of a vessel lost and
not infrequently of many human
lives lost. The Dix disaster is the
last of deep water horrors, and to
one reading the reported accounts of
it there appears to have been a
case of wanton negligence on the
part of someone.

SPRINGWATER NEWS

More rain, more grass.
Mr. and Mrs. Seymour of Esta-
cda were guests of Mr. and Mrs.
Pierson all last week.

Grange met last Saturday. Next
meeting will be election day and
Erma Shibley and Wm Closser were
appointed to look after a progr m.

The Rev. Mr. Brown has been
secured to fill the unexpired time of
Mr. Blair. Mr J. Park will preach
next Sunday.

Jonas Croner and his brother
and family have moved to Logan.

Agent Telford tells us that there
is billed out of the Estacada station,
on the average, one car of lumber a
day. This lumber is saved by the
mills near town, which includes the
DuBois mill, the Yocum mill and
the Moore mill. Besides this there
is from one to four cars of logs ship-
ped to the mill at Boring every day.
Mr. Palmer is getting these logs off
the Ed. Hunt place.

W. H. Mattoon, of Viola brought
to this city last week some wonder-
fully good looking King apples that
were luscious and tasty. The apples
were free from scale, and Mr. Ma-
toon says he has never yet sprayed
his trees, but he will have to come
to it, or his apples will not continue
to present the good appearance that
is with them this year.—Oregon
City Courier.

The Ladies' Aid held an election
of officers last Thursday and the fol-
lowing officers were elected: Mrs.
H. A. Williams, President; Mrs. T.
J. Reagan, Vice Pres.; Mrs. W. S.
Irwin, Secy.; Miss Gertrude Mor-
row, Treas., and Mrs. C. T. Mc-
Pherson, Work Director. The next
meeting will be held at the home of
Mrs. E. P. Surface, Thursday Dec.
6th at 3 p. m.

"The man dat trusts to luck" said
Uncle Eben, "is mighty liable to
turn up another victim of misplaced

confidence.

The county court decides that
\$1300 is high for the steel files and
cases for the clerk and recorder and
asks for new bids.

Ed. Mallory has made some very
attractive furnishings for John Bor-
bounia's barber shop. J. R. Cassidy
did the brush work. And Mr. Bor-
bounia now has a neat shop.

Rev. Clarence T. Wilson will de-
liver one of his popular lectures in
Estacada some time in January.
He will speak under the auspices of
the local Ladies Aid of the M. E.
church.

Miss Mary Womer managed
the switch board at the central tele-
phone office the first of the week,
while Mrs. Eva Kessler visited rela-
tives and friends at Woodburn and
Portland.

We would like to have the work
which was promised to be done on
the church done now, by those who
can do so. Would like the base-
ment dug out. Report to C. T.
McPherson, Pastor.

It has been necessary to dig drain
ditches from the new brick burning
kiln out to the old drain north of
the brick factory. The basement of
the kiln sets down into the earth
a few feet and it was found to be
filling with water.

A short time ago the report was
circulated that the Sunday passen-
ger rates on the railroad had been
changed to half full fare. In speak-
ing with Agent Telford, Monday,
about the matter he said that the
fifty-cent rates were still on.

If you are not satisfied with the
way your neighbors are doing either
in private or business life, just
go to them and tell them all about
it. They are like yourself and will
appreciate it. And then you will
not be obliged to tell others of it.

Law, Oregon City, Oregon,
Stevens Building.

Work was begun bright and early
Monday morning clearing rubbish
on the site where the Method-
ist church is to be built. The lo-
cation is on the hillside just across
Fourth Street, south from the Reed
residence. It has been decided,
since the site favors, to build the
church with a basement. Brick or
cement walls will be used for the
basement story.

Townsend & Bard, the Estacada
meat market men, purchased a fine
bunch of cattle this week of Ben
Sarver, one of our prosperous farm-
ers. There were seven head in the
bunch. Mr. Bard dressed one for
the market, Tuesday morning, and
it weighed, when hung in the mar-
ket, 815 pounds. It was the larg-
est critter they have yet found. It
pays to raise cattle.

Restaurant Changes Hands

Lindsey & Marchbank have sold
their restaurant business and furni-
shings to Thomas Carrico and Rob-
ert Duncan who will take possession
on the 25th of the month. Lind-
sey & Marchbank have run the
place for the past year and have
made it a popular boarding house.
Mr. Lindsey may put up a residence
cottage for himself. Mr. and Mrs.
Marchbank will keep their confection-
ary store.

Group
A reliable medicine and one that should
always be kept in the home for im-
mediate use is Chamberlain's cough
remedy. It will prevent the attack if given soon
as the child becomes hoarse, or even after
the croupy cough appears. Sold by the
Estacada drug store.

**Sells More of Chamberlain's Cough Remedy
Than of all Others Put Together**
Thos. George, a merchant of Mt Elgin
Ontario, says: "I have had the local ag-
ency for Chamberlain's cough remedy ever
since it was introduced into Canada, and
I sell as much of it as I do of all other
lines I have on my shelf put together.
Of the many dozens sold under guarantee
I have not had one bottle returned. I
can personally recommend this medicine
as I have used it myself and given it to
my children and always with the best re-
sults." Sold at Estacada drug store.

The city should hire someone to
keep the cross-walks clean, so that
the business men will not have to
got out and do the cleaning.

Mrs. A. Morrow spent several
days in Portland having dentist
work done. She was accompanied
by her daughters Gertrude and Ber-
niece, and son, Byerley. Gertrude
will remain in the city a few weeks.

Church services will be conduct-
ed next Sunday, in Fraternity Hall,
by Rev. McPherson, at 11 a. m.
and 7:30 p. m. Special music by
Mrs. C. T. McPherson and Mrs. H.
A. Williams. Sunday School at
10 a. m.

The News has had a halftone cut
made of the Estacada school. It is
suggested as a means of advertising
the town that the business men of
the city have this picture printed
on the back of their envelopes. In
this way the town's school advan-
tages will be shown to the people in
many parts of the country every
day. The cost of printing will be
very light.

**School Entertainment
And Basket Social**

**Baskets to Be Decorated and
Auctioned**

Don't forget that the school en-
tertainment tomorrow (Friday Nov.
23) evening is to be held in Frater-
nity Hall. Program begins
promptly at 8 p. m. The baskets,
with the exception of the children's,
which will be 35c each, are to be
sold to the highest bidder. No bid
for less than 50c accepted. Come,
enjoy yourself, and aid a worthy
cause.

SCHOOL NOTES
BERT PAGE, EDITOR
ROY STRATTON, ASST. EDITOR.

Henry Boyer found three rings
on the school grounds Tuesday
morning.

The motto for the eighth grade is
"Vita non scholae discimus," which
when translated means, "For life,
not for school, we learn."

The ninth grade algebra class are
factoring polynomials.
We have a new pupil who entered
Tuesday. Her name is Ruby Coun-
tryman.

The fourth grade has a new way
of reciting their geography lessons.
The head of the class is Leila Howe.

Warren Belknap has returned to
school after an absence of several
days.

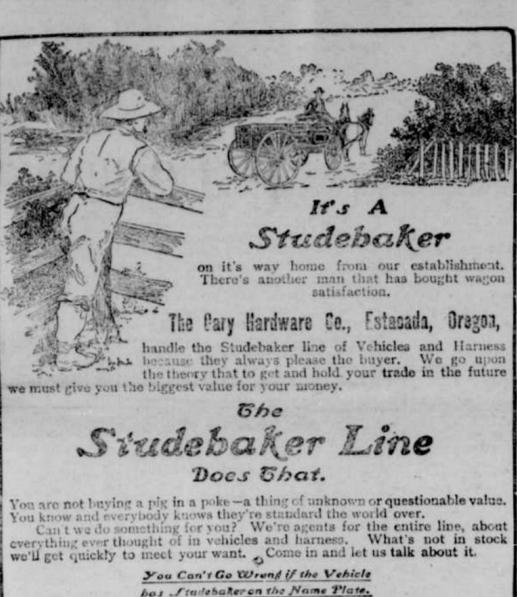

Cut this out and take it to the Esta-
cda drug store and get a free sample of
Chamberlain's stomach and liver tablets.
For biliousness and constipation they are
unequaled. They improve the appetite,
strengthen the digestion and regulate the
liver and bowels.

In Time of Peace

In the first months of the Russia-Japan
war we had a striking example of the
necessity for preparation and the early ad-
vantages of those who, so to speak, "have
shingled their roofs in dry weather." The
virtue of preparation has made history
and given to us our greatest men. The
individual as well as the nation should be
prepared for any emergency. Are you
prepared to successfully combat the first
cold you take? A cold can be cured
much more quickly when treated as soon
as it has been contracted and before has
been settled in the system. Chamber-
lain's cough remedy is famous for its
cures of colds and it should be kept at
hand ready for instant use. For sale by
the Estacada drug store.
