HEUMAT CAN NOT BE RUBBED AWAY

It is perfectly natural to rub the spot that hurts, and when the muscles nerves, joints and bones are throbbing and twitching with the pains of Rheumatism the sufferer is apt to turn to the liniment bottle, or some other external application, in an effort to get relief from the disease, by producing counter-irritation on the flesh. Such treatment will quiet the pain tempo-rarily, but can have no direct curative effect on the real disease because it does not reach the blood, where the cause is located. Rheumatism is more than ether with the state of the does not reach the blood, where the characteristic the blood and can only be than skin deep—it is rooted and grounded in the blood and can only be reached by constitutional treatment—IT CANNOT BE RUBBED AWAY. Rheumatism is due to an excess of uric acid in the blood, brought about by the accumulation in the system of refuse matter which the natural avenues the accumulation in the system of refuse matter which the natural avenues is the life reason for this innovation is a dvance will be posted in the steer belief that it will help do away with postoffice robberies and make it much is the postoffice robberies and make it much aborers employed by the subsidiary companies of the United States Steel of bodily waste, the Bowels and Kidneys, have failed to carry off. This refuse matter, coming in contact with the different acids of the body, forms uric acid which is absorbed into the blood and distributed to all parts of the of, for no trace of the perpetrators wa ever found.

uric acid which is absorbed into the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. The aches and pains are only symptoms, and though they may be scattered or relieved for a time by surface treatment, they will reappear at the first exposure to cold or dampness, or after an attack of indigestion or other irregularity. Rheuma-tism can never be permanently cured while the circulation remains saturated with irritating, pain-producing uric acid poison. The disease will shift from muscle to muscle or joint to joint, settling on the nerves, causing inflammation and swelling and such terrible pains that the nervous system is often shattered, the health undermined, and perhaps the patient becomes deformed and crippled for life. S. S. 8. thoroughly cleanses the blood and renovates the circulation by neutralizing the acids and expelling all foreign matter from the system.
