Ed. Boner has added some new show cases to his stand fixtures, and the addition to the stand makes a better place in all respects.

Mrs. Sarah Palmateer arrived home last Sunday from Eastern Oregon where she had been visiting her son, William, and a daughter. William Bard is going to have a two story addition 14 by 26 built to his present farm house. Earl Shibley has the work and will begin on the job at once.

Sunday while Cashier Fraley was fishing on the opposite side of the river some one threw a stone and hit him on the knee. Moral—Don't throw stones in the woods when there are people around whom you do not see.

T. Vocum's horse got frightened and broke the hitching strap, Saturday, and ran away. He was tied on Broadway, and as he passed the Marshall block the buggy hit the fence corner and a wheel and thills were smashed.

The average citizen of today has just enough confidence in his neighbor to doubt the most that he says. "Show me" is the rebuttal usually offered in nearly any dispute, great or small. Personal experience is the best in all instances, and if those who require it could get it without the process affecting disinterested persons, it would be cheap at most any price.

Earl, the eight year old son of Mr. and Mrs. J. H. Brecht, living near here, died last Saturday night of cerebro-spinal meningitis, after being sick only about 36 hours. And on Tuesday night, Clarence, the 10 yr old boy, died of the same sickness. The bereaved family have the sympathy of all.

The Garfield Grange Dramatic Club played its comic drama, "The Cheerful Liar," to a good sized crowd in the Park pavilion last Friday. The play received considerable applause. The total receipts amounted to over \$62. A dance followed the play. The Bronson orchestra furnished music for the evening. In their efforts to produce entertainment for the public the members of the Garfield Club should be given all the encouragement possible.

Relief from Rheumatic Pains

"I suffered with rheumatism for over 2 years" says Rolland Curry, a patrolman of Key West, Fla. "Sometimes it settled in my knees and lames me so I could hardly walk, at other times it would be in my feet and hands so I was incapacitated for duty. One night when I was in severe pain and lame from it my wife went to the drug store and brought back a bottle of Chamberlain's pain balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than 2 weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for 3 months" Sold at the Estacada Pharmacy.

Chamberlain's Colic, Cholera and Diarrhoea Remedy

There is probably no medicine made that is relied upon with more implicit confidence than Chamberlain's colic, cholera and diarrhoea remedy. During the 34 of a century in which it has been in use people have learned that it is the one remedy that never fails. When reduced with water and sweetened it is pleasant to take.
