The Smooth Agents

Morrow County papers relate that traveling agents for buggies have been taking orders in that part of the state for some time, and have done considerable business. The agents are said to be very smooth talkers, who have no great difficulty in convincing the farmers that they can buy a vehicle through an agent at less cost than through a agents. But some of the farmers, who bought in that manner, came to the conclusion after their carriages arrived that they could have secured a better vehicle for the same money at home from a resident agent, whose permanent busines in-The stockholders of the Judson terests require that prices and qual-
