

HEALTH NOTES FOR AUGUST.

PERUNA FOR CATARRH OF THE STOMACH, BOWELS, DIARRHEA, DYSENTERY, BLOATING, NIGHT SWEATS, SUMMER COMPLAINT.

August is the month of internal catarrh. The mucous membranes, especially of the bowels, are very liable to congestion, causing summer complaint, and catarrh of the bowels and other internal organs. Per-ru-na is an excellent remedy for all these conditions.

A Failure.

Not long ago a man appeared at the capitol and had his card taken in to Senator Bailey. The Senator did not recognize the name, but in accordance with his usual courtesy, came out to where the stranger was waiting.

It took only a few minutes' conversation to develop the fact that the individual simply desired to make a "touch." It was the regulation "Been unfortunate, sah, and desire to get back to my own country, sah."

"What is your business, colonel?" the Senator inquired. The rusty frock coat and black hat seemed to warrant the title.

"Why, I am a gentleman, Senator," the stranger replied, pompously.

"Oh, I see," the Senator said, pleasantly. "Have you instituted bankruptcy proceedings yet?"—Philadelphia Record.

Way of One Man.

He was romantic, but bashful for his age. At 25 it is expected nowadays that a man should be matter of fact. She was his equal in romance, but a trifle older, old enough, indeed, to be a widow. The conversation had turned on the ever-important subject of mothers-in-law. There was a lull in the argument. Gazing far, she sighed and said:

"Ah, me! I shall never have another mother-in-law!"

He looked at her with interest for a moment, and then suddenly blurted out:

"My mother died when I was very young!"

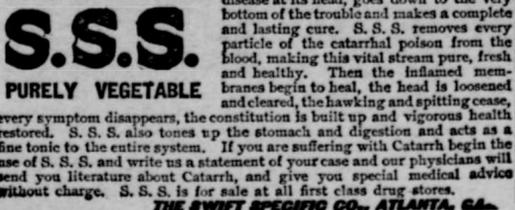

"It was an inadvertence, but he could not draw back. She threw herself into his arms, and they have lived happily up to now."—Pittsburgh Press.

Her Majesty's Etiquette.

Queen Alexandra of England is strict on such points of etiquette as make it a breach of decorum, for instance, to hand anything but new and unused coin, fresh from the mint, to the consort of the British sovereign. To make love to her majesty is punishable by the law of Britain, with death, unless, of course, one happens to be the king.

CATARRH BLOOD AND SYSTEM DISORDERED

Catarrh is not merely an inflammation of the tissues of the head and throat, as the symptoms of ringing noises in the ears, mucous dropping back into the throat, continual hawking and spitting, etc., would seem to indicate; it is a blood disease in which the entire circulation and the greater part of the system are involved. Catarrh is due to the presence of an excess of uric acid in the blood. The Liver, Kidneys and Bowels frequently become torpid and dull in their action and instead of carrying off the refuse and waste of the body, leave it to sour itself. A large number of people are thus taken up by the blood and through its circulation distributed to all parts of the system. These impurities in the blood irritate and inflame the different membranes and tissues of the body, and the contracting of a cold will start the secretions and other disagreeable symptoms of Catarrh. As the blood goes to all parts of the body the catarrhal poison affects all parts of the system. The head has a tight, full feeling, nose continually stopped up, pains above the eyes, slight fever comes and goes, the stomach is upset and the entire system disordered and affected by this disease. It is a waste of time to try to cure Catarrh with sprays, washes, inhalations, etc. Such treatment does not reach the blood, and can, therefore, do nothing more than temporarily relieve the discomfort of the trouble. To cure Catarrh permanently the blood must be thoroughly purified and the system cleansed of all poisons, and at the same time strengthened and built up. Nothing equals S. S. S. for this purpose. It attacks the disease at its head, goes down to the very bottom of the trouble and makes a complete and lasting cure. S. S. S. removes every particle of the catarrhal poison from the blood, making this vital stream pure, fresh and healthy. Then the inflamed membranes begin to heal, the head is loosened and cleared, the hawking and spitting cease, every symptom disappears, the constitution is built up and vigorous health restored. S. S. S. also tones up the stomach and digestion and acts as a fine tonic to the entire system. If you are suffering with Catarrh begin the use of S. S. S. and write us a statement of your case and our physicians will send you literature about Catarrh, and give you special medical advice without charge. S. S. S. is for sale at all first class drug stores.

Mineral Wealth of the South.

About one-seventh of the mineral production of the entire country comes from the Southern States. Of bituminous coal, the most valuable mineral, the South produces one-fourth, and of iron about one-ninth. Its total coal resources amount to nearly 600,000,000,000 tons, or more than one-fourth of our estimated coal reserve.

Of mineral chemical materials the South supplies more than one-half, chiefly phosphate rock, all of which is produced in Florida, Tennessee and South Carolina, and nearly one-third of the mineral pigments. Of precious stones the whole country produces only \$225,000 worth, with the South furnishing its fair share.

The showing in iron ore reserves is quite as good; a safe minimum is 3,000,000,000 tons, or nearly one-third of the nation's total. Of workable iron ore the South contains one and one-half times as much as the famous Lake Superior district, and this does not include the deep lying southern ores.

On a basis of value of product the South furnishes more than two-sevenths of our oil and more than one-sixth of our gas.—New York Sun.

Secretary Had It.

The piebald region of New England the past summer. He stopped one night at a small country hotel, where the youthful daughter of the proprietor officiated as waitress. Seating himself at the breakfast table the next morning Mr. Shaw asked: "Have you any breakfast food, young lady?" The ingenuous little Vermont starer stared perplexedly at the secretary, cast her eyes with significance over the well-laden table, upon which was spread the usual assortment of preserves, jellies, pickles, Worcestershire sauce, ham, eggs and bread, and what did you want?" "Why, some breakfast food, please," repeated Secretary Shaw, politely. The girl frowned and then, with sudden illumination of the distinguished guest's meaning, replied glibly, "Oh, yes, sir; we have apple, pumpkin, gooseberry, and—I believe—squash pie." And she hurried from the room to execute Secretary Shaw's order.—Exchange.

Noble Duties.

Several of the English dukes have an annual duty to perform in accordance with the patent of their peerages. The Duke of Wellington commemorates the day of the battle of Waterloo by sending miniature reproductions of the French and English flags to the king. The Duke of Marlborough presents an annual flag to King Edward on the day of the battle of Blenheim; and the Duke of Hamilton, as hereditary keeper of Holyrood palace, is involved in the duty of sending a fat buck to the Guard of Honor on the occasion of their yearly dinner. While writing of these matters, it may be mentioned that one or two peerages are in receipt of government grants in perpetuity. For example, the Nelson earldom gets \$25,000 a year, and the barony of Rodney is in receipt of \$10,000 a year. But the annual \$10,000 granted to the baronies of Raglan and Napier of Magdala will die with the present holders of these titles.

128 Chances.

Gov. Stuart of Pennsylvania said recently in Harrisburg of a bill that he opposed:

"This bill, at first glance, is full of promise and enthusiasm and hope, but it is naive. It is like the young man of Kensington who proposed for the hand of the millionaire's daughter. 'Well,' said the millionaire, frowning thoughtfully, 'what are your prospects? Is there any chance of promotion in your business?'"

"Any chance?" cried the young man. "Well, I should say so. Why, we employ 200 men, and my job is next to the lowest in the establishment."

Slaves Serve as Money.

Perhaps the queerest money in the world is represented by the boy and girl slaves in Mohammedan Africa. One of these will buy two camels. It is a currency, much favored, for it will carry itself, and increase in value like the best real estate.

Modesty.

"Whom do you regard as the greatest living actor?"

"My friend," answered Mr. Stormington Barnes, "the question is not considerable. You know how I hate to talk about myself."—Washington Star.

OPERATORS ALL OUT

Telegraph Systems of Country Almost Paralyzed.

HAS BEEN NO GENERAL ORDER

Strike is Optional With Local Unions, but Sactioned by National Officers When Called.

Portland, Aug. 13.—The telegraphers' strike is now general throughout the country. Following is a general summary of the situation today:

Commercial operators—Strike has extended with great rapidity throughout the United States and telegraph business is everywhere paralyzed or badly crippled. Both Western Union and Postal Telegraph Companies appear to be equally affected.

Press Operators—At 7:30 p. m., New York time, Associated Press operators left their keys over the entire system, refusing to give General Manager Stone time to refer to the Board of directors of the Associated Press their demand for higher wages and limitation of hours.

Railway Telegraphers—L. W. Quick, grand secretary and treasurer of the Order of Railway Telegraphers, issues order directing railroad telegraphers not to handle commercial messages.

Practically the entire telegraphic business of the country is tied up as the result of the strike inaugurated in most of the large cities by the operators of the Western Union Telegraph Company and the Postal Telegraph Company, and one or two other telegraph companies of minor importance.

The strike now involves not only the commercial telegraphers, but also the operators of the Associated Press in all the large cities of the country, save a few in New England and the Middle West. The strike of the Associated Press men came at the end of a day of negotiations between General Manager Melville E. Stone and officials of the telegraphers' union in New York. Owing to the radical demands of the operators, General Manager Stone asked for 24 hours in which to advise with the members of the Board of Directors of the association.

This request apparently was acceptable to General Secretary Russell, of the Telegraphers' Union, and to a large number of Associated Press operators who realized its reasonableness, but a number of radicals in the Texas circuit would not consent to a postponement of action on the part of the Associated Press and quit their keys. This action was followed largely throughout the country.

A serious phase of the strike developed yesterday afternoon and during the night when it was discovered that railroad telegraphers in many places were tampering with the wires at relay points. While writing of these matters, it may be mentioned that one or two peerages are in receipt of government grants in perpetuity. For example, the Nelson earldom gets \$25,000 a year, and the barony of Rodney is in receipt of \$10,000 a year. But the annual \$10,000 granted to the baronies of Raglan and Napier of Magdala will die with the present holders of these titles.

A. P. Strike Not General.

Chicago, Aug. 13.—The Associated Press operators in Chicago, New York and other leased wire points in the West and South struck at 7:30 last night. The operators in Minneapolis, Duluth, Milwaukee, Indianapolis, Detroit and Cleveland remained at their posts. The strike was against the wishes of General Secretary Russell, of the Telegraphers' Union, who, with a majority of the operators desired 24 hours as Mr. Stone had expressed his willingness to endeavor to arrive at an understanding.

Union Officers Sued.

San Francisco, Aug. 13.—O. A. Tvielmoe, P. H. McCarthy, Richard Cornelius and all other officers and members of the Carmen's Union, labor Council and Building Trades Council were made defendants today in a suit filed by James H. Aver, a saloonkeeper. Aver alleges that because he did not compel one of his employees to refrain from riding on the street cars his saloon had been boycotted and his business was threatened with ruin. He asked a Superior Court to enjoin the labor organizations from further interference.

Bonds Go Begging.

New York, Aug. 13.—For the second time within six weeks the City of New York failed today to obtain bids for any considerable amount of the large issues of 50-year, 4 per cent gold bonds offered at public bidding. Issues amounting to \$15,000,000 were offered today, and the total amount of the bids was less than \$2,000,000. No premium was offered except on four or five bids for very small amounts. Further efforts will be made to dispose of the bonds.

American Boat Wins.

Rochester, N. Y., Aug. 13.—The American defender of the Canadian cup Seneca defeated the Canadian challenger Adele today in the second of the races.

STRIKE MAY SPREAD.

If Operators' Demands Are Refused General Strike Will Follow

Chicago, Aug. 11.—The strike of the union commercial telegraph operators will be universal throughout the United States and Canada within 24 hours, according to National Secretary Russell, of the telegraphers' organization. The statement was made by Mr. Russell after he had been informed of the action taken by the men in New York, who, at a meeting there today, decided to hold a walkout in abeyance until the latter part of the week.

"This strike movement, said Mr. Russell, 'has come to a point where there can be no backing down. The telegraphers have been trodden on long enough by the companies, and now that we have the opportunity we are going to use all our strength to enforce our demands. For several weeks President Small and myself have been holding the telegraphers back, and have been advising conciliation. But they have taken matters in their own hands and we are going to stand by them. No union man will be allowed to work with anyone not belonging to our organization, and we will have the opportunity of enforcing our demands.
