A number of men on the street were having a discussion as to who was the greatest inventor. Some said Edison, some Watt, some Morse some one and some another. With the exception of one block and a corner square on Broadway the city's business streets have been planked and otherwise improved. Broadway should be improved at once, and the city council should not wait for others to do, for when a thing is everybody's business the thing is not liable to be done at all. As it is the street looks bad and will soon be very muddy.

A Good Liniment
When you need a good, reliable liniment try Chamberlain's pain balm. It has no superior for sprains and swellings. A piece of flannel slightly dampened with pain balm is superior to a plaster for lumbago back or pains in the side or chest. It also relieves rheumatic pains and makes sleep and rest possible. For sale by Estacada drug store.
