### A Home Made Happy by Chamberlain's Cough Remedy

About two months ago our baby girl had measles which settled on her lungs and at last resulted in a severe attack of bronchitis. We had two doctors but no relief was obtained. Everybody thought she would die. I went to eight different stores to find a certain remedy which had been recommended to me and failed to get it, when one of the storekeepers insisted that I try Chamberlain's cough remedy. I did so and our baby is alive and well today. Geo. W. Spence, Holly Springs, N. C. For sale by the Estacada Drug Store.

Miss Josie Oblander, of Portland, visited Miss Ava Lovelace Sunday.

Bronson & Kaffoury have opened their lunch room, and have a neat eating place.

The tiger down at Milwaukie and the county division idea have both died, for neither have made any noise lately. Perhaps they have both been absorbed by Portland's Creole Club.

Milwaukie went for the same old order of things. Mayor Shindler's administration and the Milwaukie Country Club were endorsed by a vote of two to one.

The little town of Canby voted a dry ticket, and its lone saloon will have to go. The prohibition mayor received a majority of two votes, and the dry council received majorities ranging from 7 to 10.

There will be no extra session of the Oregon state legislature, for the present at least. We do not believe the people of the state would approve of an extra session, for there is absolutely no need of one—from their standpoint.

Mrs. J. F. Boos was a guest of Mrs. Haviland over Thanksgiving. J. A. Linn and daughter, Jennie, return to Illinois today for the winter.

### Election Results.

The city elections held Monday in Oregon City, Milwaukie and at Canby were very hard fought battles.

At Oregon City the proposed excise law was turned down by big majorities with everything of the anti-saloon leaning. The vote for mayor was the largest, Dr. Carlil a staunch democrat, received 550 to 221 for John W. Loder, his opponent.

Milwaukie went for the same old order of things. Mayor Shindler's administration and the Milwaukie Country Club were endorsed by a vote of two to one.

The little town of Canby voted a dry ticket, and its lone saloon will have to go. The prohibition mayor received a majority of two votes, and the dry council received majorities ranging from 7 to 10.

**How Diphtheria is Contracted**  
One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth is that the cold had simply left the little one particularly susceptible to the wonderful diphtheria germ. When Chamberlain's cough remedy is given it quickly cures the cold and lessens the dangers of diphtheria or any other germ disease being contracted. For sale by Estacada drug store.
