FLOUR, \$5.10 A BARREL

LOVELACE ESTACADA LOVELACE

Owing to the extreme scarcity of Mill Feed and the millers requiring me to buy flour in connection with mill feed, I have as a consequence a large surplus of flour on hand which I am forced to sell at very low prices to keep in line with feed. I offer to the public some of the best brands of flour on the market, such as Dement's Best, Hood River Cupid, and Olympic at the very low price, in barrel lots only, of \$5.10 a bbl. This offer is GOOD for a short time only. TERMS CASH

How Diphtheria is Contracted
One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth is that the cold had simply left the little one particularly susceptible to the wonderful diphtheria germ. When Chamberlain's cough remedy is given it quickly cures the cold and lessens the dangers of diphtheria or any other germ disease being contracted. For sale by Estacada drug store.
