# **Pure Blood** Is certain if you take Hood's Sarsaparilla.

This great medicine cures those eruptions, pimples and boils that appear at all seasons; cures scrofula sores, salt rheum or eczema; adapts itself equally well to, and also cures, dyspepsia and all stomach troubles; cures rheumatism and catarrh; cures nervous troubles, debility and that tired feeling.

Sarsatabe-For those who prefer medicine in tab-let form. Hood's Sarsaparilla is now put up in choco-lated tablets called Sarsatabs, as well as in the usual liquid form. Sarsatabs have identically the same curative properties as the liquid form, besides accu-racy of dose, convenience, economy,-no loss by erap-foration, breakage, or leakage. Druggists or promptiby by mail. C. I. Hood Co., Lowell, Mass.

## RHEUMATISM CAN NOT BE RUBBED AWAY

By Fred W. Lewis, Secretary Washington Sta Grange, Tumwater, Wash. It is perfectly natural to rub the spot that hurts, and when the muscles, nerves, joints and bones are throbbing and twitching with the pains of Rheumatism the sufferer is apt to turn to the liniment bottle, or some other Two years ago the Grange, assist-Two years ago the Grange, assist-ed by some other organizations, went to work to try and pass a law that would allow alcohol to be manufac-tured and used for light and fuel, without having to pay the prohibi-til revenue tax, that had been re-quired by the government, so as to free the people of the country from the tyranny of the Standard Oil Co., which has gradually raised the price Rheumatism the sufferer is apt to turn to the liniment bottle, or some other external application, in an effort to get relief from the disease, by producing counter-irritation on the flesh. Such treatment will quict the pain tempo-rarily, but can have no direct curative effect on the real disease because it does not reach the blood, where the cause is located. Rheumatism is more than skin deep—it is rooted and grounded in the blood and can only be reached by constitutional treatment—IT CANNOT BE RUBBED AWAY. Rheumatism is due to an excess of uric acid in the blood, brought about by the accumulation in the system of refuse matter which the natural which has gradually raised the price of fuel oil from a low price to an amount that is paying the monopoly extremely large dividends, thereby levying an unreasonable tax on the consumer of the products of petro-

Rheumatism is due to an excess of uric acid in the blood, brought about by the accumulation in the system of refuse matter which the natural avenues of bodily waste, the Bowels and Kidneys, have failed to carry off. This refuse matter, coming in contact with the different acids of the body, forms uric acid which is absorbed into the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. The aches and pains are only symptoms, and though they may be scattered or relieved for a time by surface treatment, they will reappear at the first exposure to cold or dampness, or after an attack of indigestion or other irregularity. Rheuma-tism can never be permanently cured while the circulation remains saturated with irritating, pain-producing uric acid poison. The disease will shift from muscle to muscle or joint to joint, settling on the nerves, causing inflammation and swelling and such terrible pains that the nervous system is often shattered, the health undermined, and perhaps the patient becomes deformed and crippled for life. S. S. thoroughly cleanses the blood and renovates the circulation by neutralizing the acids and expelling all foreign matter from the system.
