Farewell Social and Dance

About one hundred of our people met in Fraternity Hall last Friday evening to participate in a social and dance given as a farewell to the families of H. W. Green and Frank Morris who leave here to make their home in Idaho. The early part of the evening was taken up with music, amusements and social chats. At about 10:30 the ladies served a dinner of the deserts of life, and after that some enjoyed dancing, while others continued card playing. The evening was pleasantly passed, and those in whose honor the entertainment was given, may feel that their departure from Estacada is very much regretted by a large number of friends who wish them success and health on the Idaho plains.

"Diamonds and Hearts"

The comic drama, Diamonds and Hearts, which was produced by the students in higher department of the Estacada schools at Oddfellow hall last Saturday evening was well patronized, and received many flattering comments from those who saw the play. Those who took part in the performance did well for young, amateur players surrounded with the very limited conveniences and attractions which the hall affords as a play house. A few of the actors did exceptionally well, and McColly Dale made a dark, bell boy hard to beat. After the last act of the play, about a dozen sold at auction. The evening's receipts amount to \$36.85 which will be used to purchase school utensils and to add books to the library.
