## HOWE'S

### Relief from Rheumatic Pains

"I suffered with rheumatism for two years" says Rolland Curry, a patrolman, of Key West. "Sometimes it settled in my knees and lamed me so I could hardly walk, at other times it would be in my feet and hands so I was incapacitated for duty. One night when I was in severe pain and lame from it my wife went to the drug store and came back with a bottle of Chamberlain's pain balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little over 2 weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over 3 months." Sold at Estacada drug store.
