Six months.

The Retail Grocers and Merchants Association of Oregon had a splendid convention at Bortland last week, and they adjourned to meet in Eugene in 1910, and this will be the largest meeting in their history because it is now the Reatil Merchants' Association, and this means one of the most important gatherings of the year. The Manufacturers' Association, the Portland Commercial Club and individual manufacturers participated in the entertainment of delegates this week.

Six tons of advertising matter, and the highest possible grade of advertising matter at that, was forwarded to the East by the Portland Commercial Club last week. This remarkable addition to the enormous advertising Oregon is already receiving, tells of all the resources of the State in picture and in text, and comprises 5.040,000 full newspaper columns, certainly a great accomplishment, and one which five years ago would have been considered impossible.

Rev. J. Whitcomb Brougher, pastor of the "White Temple" at Portland, is absent on an extended Eastern trip including Eoston, New York, Philadelphia, Cleveland, Chicago, and other cities, in behalf of the Northern Baptist Convention, which is to convene in Portland on June 25th and will bring from 2,000 to 5,000 prominent Baptist laymen au l preachers. # Dr. Brougher includes a description of Oregon and the Pacific Northwest in all his addresses.
