# The Great Spring Medicine

In thousands of homes, for more than thirty years, Hood's Sarsaparilla has been taken, as a Spring Medicine, by every member of the family. Peculiar to Itself in what it is and what it does, it combines the best blood purifiers, appetizers and tonics, and effects complete cures of

Spring Ailments-all blood diseases, pimples, eruptions, eezema, scrofula, all stomach, liver and kidney complaints, loss of appetite, that tired feeling, all low or run-down conditions of the system.

Hood's Sarsaparilla effects its wonderful cures, not simply because it contains sarsaparilla, but because it combines the utmost remedial values of more than 20 different ingredients, each greatly strengthened and enriched by this peculiar combination. These ingredients are the very remedies that successful physicians prescribe for the same diseases and ailments. There is no real substitute for Hood's Sarsaparilla. If urged to buy any preparation said to be "just as good," you may be sure it is inferior, costs less to make, and yields the dealer a larger profit.

Begin taking Hood's Sarsaparilla today, in the usual liquid form or in the chocolated tablets known as Sarsatabs. 100 Doses One Dollar.

Telegraph Operators Go on Strike and Tie Up System.

P. e est Against Methods of Director Is Under Direction of Postoffice Department-Telephone Lines Are Also in Bad Shape-Electricians Threaten to Go Out.

Paris, March 16.-A general strike of the telegraphers of the postoffice de-partment was declared tonight, following a meeting of the general association of post telegraph employes, at which 5,000 were present. A resolution to strike was voted without a single dissenting voice and orders were issued for the withdrawal of all operators employed in the department.

The resolution says the strike is ordered as a protest against the arbitrary administration, and that the decision was precipitated by an insult addressed by M. Simyan, under secretary of posts and telegraph, to the association offi-
