THE HAWAIIAN BUILDING, A-Y.-P. EXPOSITION, SEATTLE.

The building erected at the Alaska-Yukon-Pacific Exposition for the exclusive use of the Hawaiian Islands, occupies a prominent position on the Court of Honor next the central government structure.

Hawaii has prepared a more extensive and comprehensive exhibit of its marvelous resources than for any other world's fair. It will show all of its native fruits and vegetables; will offer an aquarium of live fish, and in various other ways interest the fair visitors. Fruits will be served by native girls and native orchestras and singers will be always on hand. A tank in the center of the structure will show the islands as they rest in the Pacific Ocean.

Upwards of \$100,000 has been expended in assembling Hawaii's display.

### MANY VISIT ESTACADA

The Estacada Park Again Open To The Public After Numerous Improvements Have Been Made

The Portland Railway, Light & Power Co. after spending considerable money in improving and beautifying the Park, opened the same to the public again on Sunday May 23rd.

It is estimated that fully one thousand people were in the Park and it looked more like the Estacada-on-Sunday of its early history than at any time during the past two years. We mean a Sunday Estacada, for in its early history it was altogether a Sunday town. It has however, emerged from this period of its history and Sunday sight-seeing is only one of its many attractive features.

The day was a beautiful, bright, comfortable one for the woods and those who were fortunate enough to have taken the cars for Estacada thoroughly enjoyed the trip. The Journal Band, composed of thirty-five members, all being Journal carriers and organized less than two years ago by David H. Smith, Circulating Manager of the Journal, who is also manager of the band; under Musical Director Chas. E. York, was engaged by the rail-road company for their Opening Day Excursion. The band is composed of young men and the gentlemanlike conduct, as well as the very excellent music they entertained the patrons of the road and our citizens with, gave the Journal Band a warm place in our affections and should they return in the future, which it is hoped they will, they can be assured of a cordial welcome.

While much larger crowds have been seen in the Park on Sunday, this was the largest for some time.

The fraternal order of Maccabees from Portland, and the Claim Agents Association of the Pacific Coast were embraced in the sight-seeing crowd. The Claim Agents Association were guests of the Portland Railway, Light & Power Co., and were entertained at luncheon from 7:30 to 9:30 P. M. at the Hotel Estacada.

We noted the following officials of the railway company who participated in the days festivities and were registered at the Hotel Estacada: F. I. Fuller, Vice President, and wife, O. B. Caldwell, Operating Engineer, and wife, B. F. Boynton Claim Agent, C. G. Franklin, Gen. Superintendent, R. M. Townsend, Property Agent, F. D. Hunt, Traffic Manager, and wife.

About six hundred and fifty tickets were sold for this point.
