What a Bank Account Will Do For You

The man who starts an account with his home bank, no matter how small his start, if he keeps at it, will not only accumulate money and increase his credit, but will also build up in force of character, in energy, in inspiration and ability to accomplish what he sets out to do, in capacity to earn money and command a place with the leaders of his community.

We invite you to open an account with us. We shall be pleased to extend to you all the courtesies and help consistent with safe, sound banking.

YOUR OWN CASE

You are interested, we will say, in several tracts of land: a home place, a farm, and a town lot.

Upon what do you rely for security in ownership of this property.

On one of two things: a warranty deed, or the statute of limitations.

The first security may vanish with the years and leave you all too soon suspended as it were in mid-air.

The second security is a last resort. Throwing up your hands in the hope that the enemy's powder is wet.

Getting an abstract is the first step toward over-hauling your title if it is wrong; and if it is all right the abstract is your proof.

Our abstracts stand the test.

It Is Nearing Christmas Time

And now is the time to make your choice. A nice rocker, in the place of a straight backed chair, will make him smile when he comes in, and a nice set of china dishes will make the frowns fade away from the wife's face, and some toys for the children.

We also have a nice line of Iron Beds, Springs, Mattresses, Comforts, Blankets, Furniture of all kinds, Wall Paper, and Building Paper, Sewing Machines, Matting, Linoleum. Picture Framing a specialty. These, and lots of other things, are on the bill of fare at the Estacada Furniture Co's. Store.

Make your choice of Xmas goods and we will lay them away for you.
