Two Minute Title Talks

THE OLD WAY VS. THE NEW

In former days there was no safe method of ever being sure about titles to lands.

If you got anxious about your title you went to the courthouse.

The clerk or your lawyer would make the search as best he could. He would take such records as he might choose and look page by page for the old deeds to your land. He could never know when his task was done.

In the end you got a very weak assurance.

Now, it is different.

The abstractor has stepped in and prepared a marvelously accurate index, that reveals the true condition of every tract.

It is no longer guesswork; but absolute knowledge.

It Is Nearing Christmas Time

And now is the time to make your choice. A nice rocker, in the place of a straight backed chair, will make him smile when he comes in, and a nice set of china dishes will make the frowns fade away from the wife's face, and some toys for the children.

We also have a nice line of Iron Beds, Springs, Mattresses, Comforts, Blankets, Furniture of all kinds, Wall Paper, and Building Paper, Sewing Machines, Matting, Linoleum. Picture Framing a specialty. These, and lots of other things, are on the bill of fare at the Estacada Furniture Co's. Store.

Make your choice of Xmas goods and we will lay them away for you.
