held their annual conventions in Portland during the past week and both were well attended and very successful. Both these great industries will receive a decided impetus from the gatherings of the past week. Better acquaintance of the men actively engaged in dairying and horticulture has resulted and the interchange of ideas is always valuable. Thursday night a reception to the two bodies was given by the Commercial Club. A valuable suggestion was made by President H. C. Atwell of the fruit growers, who advises an annual fruit show in Portland at which all sections of the state shall be represented. This idea is being taken up actively by all interested in the development of the state along these lines and the advantages that may be expected. to result are very great.
